America's most popular nautical gift is back as an all-new third edition, *The Legend of Chris-Craft*, by noted author and historian Jeffrey L. Rodengen, with photography and design by Karine Rodengen. This luxurious 9" x 12" coffee-table volume details the history of the company, people and products that made Chris-Craft world famous. The third edition contains new information, a new chapter, additional photos and a precise new index to over 1,500 models built between 1874 and 1998. Even owners of the original will want the new third edition for their collections. Individually boxed. 272 pp., 103 color, 260 black & white images.
