Seminar paper from the year 2018 in the subject Politics - International Politics - Region: Russia, grade: 1,3, Dresden Technical University (Institut für Politikwissenschaft), course: EU Außen- und Sicherheitspolitik, Dr. Claudia Fahren-Hussey, language: English, abstract: This paper seeks to explore the mechanisms responsible for the relationship between the EU and Russia. For this purpose, changes of EU foreign policy in the context of the annexation of Crimea by Russia will be elaborated upon. The events on Crimea and the Ukrainian crisis presented a serious challenge to EU foreign policy towards Russia. Especially the relations between former Soviet republics and Russia became a critical factor in reacting to the crisis and the understanding of the actors involved. To approach this problem,

the research question of this paper is: How can EU foreign policy assess the character of relations between third partner countries, and hence, how can it adjust its foreign policy tools to approach actors involved sensitively? The paper provides a new perspective on the English School of International Relations as foreign policy analysis tool. It also provides an overview of the most important dates and personalities involved in the Russian annexation of Crimea.

IAF AFCAT Previous Year (2011-20) eBook English Edition

The moving wartime story of friendship and heroism, set against the dramatic backdrop of the World War II Battle of Dunkirk In the marshes of Essex, one of the last wild places left in England, a disfigured artist lives alone in an abandoned lighthouse. Shunned by society, he spends his days painting scenes of the coast and the birds that migrate to the meadowlands every winter. His days are solitary until one November afternoon, a young girl from a nearby village comes to his door carrying a wounded snow goose in her arms. The unlikely pair develop a friendship that deepens over the ensuing years, waiting together for the arrival of the birds every autumn. In 1940, with England at war, the birds depart early from the shores. The man, too, is called away by his duty as an Englishman to help evacuate the soldiers stranded on the beaches of Dunkirk. A moving tale of love, war, bravery, and sacrifice.
