Doctrinal New Testament Commentary: Acts-Philippians, by B. R. McConkie

Under the guidance of some of the best thinkers on the Book of Mormon, the Abinadi narrative springs to life as each chapter approaches Abinadi's story and words from a different perspective. Whether viewed through a sociopolitical, literary, theological, philosophical, or historical lens, new insights and a new appreciation for the richness of Abinadi's discourse will help readers reignite their passion for the beauty and depth of the Book of Mormon. This volume is written for an informed, Latter-day Saint audience, and seeks to fill a gap in high-quality research and writing on the Book of Mormon. It is produced by members of Brigham Young University's Book of Mormon Academy, a group of scholars dedicated to research on the Book of Mormon. As the narrative is viewed from a variety of angles, its richness, beauty, and profound meaning come more clearly into focus.

1 Nephi through Mosiah. This volume is the first of three on the Book of Mormon. It covers 1st Nephi through the Book of Mosiah. This includes the journey of Lehi and his family across the Arabian Peninsula to Bountiful. It follows them on to the promised land, where the Nephites and Lamanites separated. It contains the marvelous prophecies of Lehi, Nephi, and Jacob. We then read remarks from the book's editor in the words of Mormon, and follow the Nephites until their establishment in the land of Zarahemla under King Mosiah. In all, it covers 508 years of Nephite history up until about 92 BC when the book of Alma began. The cover features a beautiful photograph of the Land Bountiful taken by Scot Facer Proctor.

The Book of Mormon

A Dictionary of the Book of Mormon

Christ and the New Covenant

The Book of Mormon for Young Readers presents key scripture stories in a creative and engaging format, designed just for children, to make it easy for them to understand and love the scriptures! Young readers (ages 7-12) can enjoy the scriptures on their own and establish the habit of personal scripture study, which will strengthen their faith and their resolve to live the gospel. Fifty-two exciting chapters are full of features that help make it clear that Jesus is our Savior and that happiness comes from obedience to His teachings.

My First Book of Mormon Stories

Introducing a major new doctrinal work written by Elder Jeffrey R. Holland who shares his apostolic witness of the central figure of the Book of Mormon—the Lord Jesus Christ. For most of a decade, Elder Holland has read the Book of Mormon repeatedly and thoroughly, focusing on all references to the Savior and his teachings. The result is an intelligent observation and thorough study of the Book of Mormon's contribution to our understanding of Christ. On the illustrated edition: Elder Holland's classic examination of Jesus Christ as the "principal and commanding figure" in the Book of Mormon is now available as an illustrated keepsake. This landmark book explores what the Book of Mormon reveals about the character, attributes, and mission of our Savior. In his warm and thoughtful style, Elder Holland explains why, more than any other book, the Book of Mormon "has taught me to love the Lord Jesus Christ and to consider the full wonder and grandeur, the eternally resonating power of the atoning sacrifice he made for us." Stunning full-color illustrations by Walter Rane, Robert Barrett, Simon Dewey, Joseph Brickey, and others bring vibrant new life to this beloved volume.

The Founder of Our Peace

A is for apple but also for Abinadi! Teach your children about some of the greatest heroes in the scriptures with this beautifully illustrated alphabet book. They will love searching for items that represent each letter while they get to know heroes like Captain Moroni and Esther. Along with learning their ABCs, your children will learn to recognize and love these great Book of Mormon and Bible examples.

King Noah Blindness and Visio

King Noah is one of the most wicked people in the Book of Mormon. But he never could have done the damage he did if his pleasure-loving people had not been willing to turn a blind eye to his iniquities. S. Michael Wilcox calls this situation "Noah Blindness," and he says it "is evidenced in our own lives when we refuse to see the danger or evil in our choice of friends, influence, ideas, or environment."

Fifty-two Life-changing Questions from the Book of Mormon

Book of Mormon

By the Hand of Mormon

The Book of Alma: The Son of Alma, usually referred to as the Book of Alma , is one of the books that make up the Book of Mormon. The title refers to Alma the Younger, a prophet and "chief judge" of the Nephites. The Book of Alma is the longest of all the books of the Book of Mormon, consisting of 63 chapters. The book records the first 39 years of what the Nephites termed "the reign of the judges", a period in which the Nephite nation adopted a constitutional theocratic government in which the judicial and executive branches of the government were combined.

The Peoples of Israel

This is the first of a four-volume groundbreaking study of Christological origins. The fruit of twenty years research, Jesus Monotheism lays out a new paradigm that

goes beyond the now widely held view that Paul and others held to an unprecedented "Christological monotheism." There was already, in Second Temple Judaism and in the Bible, a kind of "christological monotheism." But it is first with Jesus and his followers that a human figure is included in the identity of the one God as a fully divine person. Volume 1 lays out the arguments of an emerging consensus, championed by Larry Hurtado and Richard Bauckham, that from its Jewish beginnings the Christian community had a high Christology and worshipped Jesus as a divine figure. New data is adduced to support that case. But there are weaknesses in the emerging consensus. For example, it underplays the incarnation and does not convincingly explain what caused the earliest Christology. The recent study of Adam traditions, the findings of Enoch literature specialists, and of those who have explored a Jewish and Christian debt to Greco-Roman Ruler Cult traditions, all point towards a fresh approach to both the origins and shape of the earliest divine Christology.

Jesus Monotheism

Analysis of Textual Variants of the Book of Mormon

In this powerful explanation of the origins, meaning, and scriptural expressions of the covenant path, best-selling author Dr. Taylor Halverson unfolds how the Bible and the Book of Mormon were written to preserve the covenant path. How is the Bible structured on the covenant path? What is the covenantal purpose of the Book of Mormon? Learn the covenantal meaning of these phrases: Be ye therefore perfect, even as your Father which is in heaven is perfect. If ye keep my commandments ye shall prosper in the land. It is by grace that we are saved, after all we can do. The God of Abraham, Isaac, and Jacob. Do not add or take away. Walk before God. Read this book and see how clearly the covenant path has been marked in scripture and in our lives

Chiasmus in Antiquity

With the help of this book, you can teach your young ones the basic colors, while also introducing stories and principles from the Book of Mormon.

The Book of Mormon Girl

Increase your understanding of the dramatic events in the Book of Mormon through a new form of scripture study. Sacred Hymns of the Book of Mormon provides musical insights into the lives of your favorite scripture heroes. Perfect for musical numbers, family home evenings, and simple personal worship, these hymns include full musical scores and lyrics, as well as a separate entry to present the lyrics as pure poetry. Whether you sing them aloud or simply read the lyrics, the power of these hymns will increase your love for the Book of Mormon as you worship through music.

A Bright Ray of Hope

For readers of the Book of Mormon, King Benjamin's speech is a treasure trove of inspiration, wisdom, eloquence, and spiritual insight. King Benjamin's Speech: "That Ye May Learn Wisdom" is the most substantial collection of studies ever to focus exclusively on this landmark address. The contributors examine this speech in the multifaceted contexts in which it was delivered: as a classic speech of a departing leader near the time of his death, as the focus of an annual festival season mandated anciently under the law of Moses, as part of a covenant renewal ceremony delivered within the sacred precinct of the Nephite temple in Zarahemla, and as preparation for the coronation of a new king. Historical and linguistic tools and information are employed in these essays to help the reader to better grasp the speech's historical setting, its doctrinal implications, its literary qualities, its influence then and now, and its overall brilliance.

Every Person in the Book of Mormon

The author demonstrates that the Book of Mormon is a native Mesoamerican book (or codex) that exhibits what one would expect of a historical document produced in the context of ancient Mesoamerican civilization. He also shows that scholars' discoveries about Mesoamerica and the contents of the Nephite record are clearly related, listing more than 400 points where the Book of Mormon text corresponds to characteristic Mesoamerican situations, statements, allusions, and history.

Lehi in the Desert

A is for Abinadi

AARON. One of the sons of the Nephite King, Mosiah II, generally supposed to have been the eldest, as it is said that the sovereignty of the people rightly belonged to him on the death of his father, but he refused this great honor on purpose to fulfil a mission to the Lamanites, upon which he and his brothers had set their hearts. Aaron was born in the land of Zarahemla, probably not earlier than B. C. 125, as his father would then have been about thirty years old. During his youth he was wayward and uncontrollable, and joined with those who persecuted the people of God. In fact he and his brothers and the younger Alma were leaders among those who harassed the church. The conduct of the young princes in this regard cannot be ascribed to the corrupting influence of lives of pomp and luxury spent at their father's court, for that was a model of simplicity and frugality, and the king himself labored with his hands to lighten the burdens of the people. But it may more justly be attributed to the want of thought, to the self-conceit and stubbornness so frequently shown in the lives of the young, until maturer years and wider experience teach them humility and reverence. From this evil course of life Aaron and his associates were rescued by the direct interposition of Heaven. He was in the traveling company that was stopped on the way by the angel of the Lord, who, in tones of thunder, which caused the solid earth to tremble, reproved its members for their sins and commanded them to molest the saints no more. From this moment Aaron was a changed man, he gave to God and heaven his undivided life. Where he had done evil he sought to make amends and where he had incited to turbulency he became a peacemaker. Shortly afterwards he and his brothers commenced to labor as missionaries among the Nephites. They next determined to lay their lives on the altar of sacrifice and go up to the land of Nephi, into the midst of the Lamanites, and bear to them the message of God's condescension and love. From this seeming rash resolve most of their friends sought to dissuade the young

princes. They pictured to them the perils of the venture, the hopelessness of the task. But it availed not. The Spirit of the Lord was burning within them, they were oppressed with the thought of the value of human souls that were perishing for lack of knowledge.
