501+ Great Interview Questions for Employers and the Best Answers for Prospective Employees

Occupational Outlook Handbook, 1992-1993

America's 101 Fastest Growing Jobs

White-collar fields offer many opportunities for people at all levels of education and training. Some jobs in these large, rapidly growing areas require advanced education or substantial experience, but many others do not. For example, many sales jobs have unlimited earnings yet do not need lengthy training for entry. These and many other occupations-110 in all-are described in this book.

Ultimate Interview

Before you prepare for an interview it's useful to understand how organisations decide what they are looking for in a candidate, how they use this to draw up the questions, how selection procedures work, why employers conduct interviews and what's likely to happen at the average interview. Ultimate Interview will give you all of the background information that you need as well as essential practice. Uniquely among interview guidebooks, it organises common interview questions according to specific job types, such as management, sales and marketing, administrative, clerical. This helps you to focus on the questions that are most relevant to your situation. Each section looks at the thinking behind the questions, and suggests an effective method of answering. With additional advice on researching the background to a vacancy, and how skills and characteristics can be assessed and developed, this book is a must-have for all serious job hunters.

Managing people is a tricky business-and managers and small business owners need a clear understanding of the essentials of human resources to survive. The original edition of The Manager's Guide to HR provided readers with a plain-English introduction to the regulations, rights, and responsibilities related to hiring and firing, benefits, compensation, documentation, performance evaluations, training, and more. But much has changed since then. Extensively revised, the second edition covers all the key areas and brings readers up to speed on current developments in employment law, including: * How social media is changing the recruitment landscape * Shifting labor standards regarding compensation and benefits * The National Labor Relations Board's stance on work-related employee speech on social media * The Employee Retirement Income Security Act * New record-keeping requirements * Amendments to the Family and Medical Leave Act and the Americans with Disabilities Act * And more Featuring step-by-step guidance on everything from COBRA compliance to privacy issues, this trusted resource is now-once again-the most up to date.
