Alpha's Danger

Her summer of raw emotion and unbridled passion Bliss Camden didn't know what she was signing up for when the employment agency sent her to the Wylder Colt Ranch as a live-in housekeeper for best friends and ranch owners, Levi Colt and Wylder Madison. The two rough, ready, and wild cowboys make her feel things she's never felt before things she shouldn't feel about her employers. Wicked things. Things they want to teach her all about. It's wrong. It's primal. It's delicious. She's not experienced enough to deal with one dominating cowboy, much less two. Besides, they'd never look twice at a frumpy wallflower like her would they? Author Confession: I see you, reader. I know what you want. Alphamallow heroes and awkward, nerdy heroines. It's a ranch, so there might be roping, riding, and

wrangling. Ahem. And the swords. They touch.

Killer for Hire

Bad Boy Revelation Daddy told me not to even look at the man in the corner. He's troubled he said. I wanted to do more than look at him. I grew up in the church. I was raised better. And I was broken. Oh, was I ever broken. I had a sexual appetite that couldn't be filled. A thirst in me that only sin could quench. I needed him, the man in the corner, to claim me, dominate me, own me. I'd do whatever it took. Goad him if necessary. I needed that man like I needed air or water. I needed the bad boy. Bad Boy Prospect Fighting, f***ing, and winning. It's what I do and nobody will stand in my way. It's how I live my life on the field and in the bedroom. I make hitters fear me. If they're scared, it gives me an advantage, and I capitalize on it. People say I have an attitude problem, that I'm a bad boy. It's exactly what I want them to think. Until I meet Elizabeth, the psychiatrist Coach makes me see. She specializes in pro athletes. There's something about her. Maybe she'll be the one who finally cuts through my layers and sees the real me. Who knows? Bad Boy Brawler Devyn O'Dare is the Ultra MMA world heavyweight champion. He destroys opponents. He doesn't like to be in the public eye. One day he makes a bad decision that will alter his life forever. In the hospital he meets Carly, single mom, nurse, struggling day to day. Devyn feels he can right some wrongs from his troubled past. He can change Carly's life and end her struggles, prevent her son from the same type of childhood he experienced. But Carly must decide if she wants to trust Devyn and put her pride aside, or soldier through life alone with her son. Bad Boy Con Man Grayson is a con man. If he sees an opportunity he capitalizes. When the score that can set him up for life comes along it's too much for him to resist. Then he meets Amelia. Intelligent, funny, gorgeous, and a lover of comic books. She's everything he's ever wanted. But, at the end of the day he has to make a choice - hurt the woman he's crazy about, or take the money and leave his old life behind.

Alpha's Challenge

There are three major warnings before you read this book: 1. This is not a PUA book. This book is very short since this is not a romance. This is not a best selling book. This book is cheesy. This book can not transform you into a bad boy who always gets the woman of his dream. This book is not about how to maintain a happy relationship. This book will not make you a playboy. This book can not make a woman falls in love with you. 2. Plain simple and doable manual on how to date for a shy guy or nice guy. No coach required. You will date a woman before finishing this book. You don't have to be a bad guy or a bad boy, whatever. You will be addicted to talk to women. You will be a good lover. 3. You will thank me. You will be my cult follower. There will be no sequel. Read it and you'll be lonely no more!

William Golding's unforgettable classic of boyhood adventure and the savagery of humanity comes to Penguin Classics in a stunning Graphic Deluxe Edition with a new foreword by Lois Lowry As provocative today as when it was first published in 1954, Lord of the Flies continues to ignite passionate debate with its startling, brutal portrait of human nature. William Golding's compelling story about a group of very ordinary boys marooned on a coral island has been labeled a parable, an allegory, a myth, a morality tale, a parody, a political treatise, and even a vision of the apocalypse. But above all, it has earned its place as one of the indisputable classics of the twentieth century for readers of any age. This Penguin Classics Graphic Deluxe Edition features an array of special features to supplement the novel, including a foreword by Lois Lowry, an introduction by Stephen King, an essay by E. M. Forster, an essay on teaching and reading the novel and suggestions for further exploration by scholar Jennifer Buehler, and an extended note by E. L. Epstein, the publisher of the first American paperback edition of Lord of the Flies. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
