The White Table is set in many mess halls as a symbol for and remembrance to service members fallen, missing, or held captive in the line of duty. Solitary and solemn, it is the table where no one will ever sit. As a special gift to her Uncle John, Katie and her sisters are asked to help set the white table for dinner. As their mother explains the significance of each item placed on the table Katie comes to understand and appreciate the depth of sacrifice that her uncle, and each member of the Armed Forces and their families, may be called to give. It was just a little white table but it felt as big as America when we helped Mama put each item on it and she told us why it was so important. "We use a Small Table, girls," she explained first, "to show one soldier's lonely battle against many. We cover it with a White Cloth to honor a soldier's pure heart when he answers his country's call to duty." "We place a Lemon Slice and Grains of Salt on a plate to show a captive soldier's bitter fate and the tears of families waiting for loved ones to return," she continued. "We push an Empty Chair to the table for the missing soldiers who are not here" Margot Theis Raven has been a professional writer working in the fields of radio, television, magazines, newspapers, and children's books for 30 years. THE AMERICAN REVOLUTION HAS BEGUN—AND RUSH REVERE, LIBERTY THE HORSE, AND THE TIME-TRAVELING CREW ARE READY TO RIDE INTO THE ACTION! Join us on this incredible time-travel adventure! Liberty, my wisecracking horse, our old friends Cam, Tommy, Freedom, and I are off to meet some super-brave soldiers in the year 1775. Yep, that's right. We'll be visiting with the underdog heroes who fought for American independence, against all odds—and won! But not before eight very real years of danger and uncertainty. Be a part of Rush Revere's

crew as we rush, rush, rush into a time when British rule had become a royal pain, and rebellion was in the air. We'll be on hand to see two lanterns hung in the Old North Church, prevent a British spy from capturing Paul Revere, and grapple with danger at the battles of Lexington, Concord, and Bunker Hill. The extra special part of this trip is that right here in the twenty-first century, Cam's dad is a soldier fighting in Afghanistan, and Cam has been pretty angry that he is away. Visiting with exceptional American heroes like Dr. Joseph Warren and George Washington, racing along after Paul Revere on his midnight ride, and seeing the Declaration of Independence signed make Cam see his own dad in a new and special way. But don't worry. Along with the danger, excitement, and patriotism, there will still be time to stop for a delicious spinach, oats, and alfalfa smoothie. No, wait—that one's for Liberty. The kids and I voted for strawberries. Now let's open the magic portal to the past!

It Had To Be You

The Most Powerful You

Kek comes from Africa. In America he sees snow for the first time, and feels its sting. He's never walked on ice, and he falls. He wonders if the people in this new place will be like the winter – cold and unkind. In Africa, Kek lived with his mother, father, and brother. But only he and his mother have survived, and now she's missing. Kek is on his own. Slowly, he makes friends: a girl who is in foster care; an old woman who owns a rundown farm, and a cow whose name means "family" in Kek's native language. As Kek awaits word of his mother's fate, he weathers the tough Minnesota winter by finding warmth in his new friendships, strength in his memories, and belief in his new country. Bestselling author Katherine Applegate presents a beautifully wrought novel about an immigrant's journey from hardship to hope. Home of the Brave is a 2008 Bank Street - Best Children's Book of the Year.

A Burning Passion

Knowledge about one's linguistic background, especially when it is different from mainstream varieties, provides a basis for identity and self. Ancestral values can be upheld, celebrated, and rooted further in the consciousness of its speakers. In the case of African American Vernacular English (AAVE) the matter is not straightforward and, ultimately, the social implications its speakers still face today are unresolved. Through detailed analysis of the four building blocks phonology, morphology, syntax, and vocabulary, Sophia Huber tries to trace the development of AAVE as a literary dialect. By unearthing in what ways AAVE in its written form is different from the spoken variety, long established social stigmata and stereotypes

which have been burned into the consciousness of the USA through a (initially) white dominated literary tradition will be exposed. Analysing fourteen novels and one short story featuring AAVE, it is the first linguistic study of this scope.

Author's note: the original title of RISKING IT ALL was THE MAN WHO LOVED CHRISTMAS. The book has been fully revised and updated and also contains cameos from the Hidden Cove Firefighters. She's the only woman he can't charm. He's the only man she can never love. Dylan O'Roarke has the ideal existence. As a firefighter, he's been at the top of his game. Even when he's reprimanded for his risk-taking, the accolades far exceed the censure. Women fall at his feet, and he always has a blond bombshell on his arm. By-the-book Beth Winters does everything with precision and caution in her job as an EMS instructor and recruit trainer, even if she is considered stern and stoic. She has a few good friends she manages to keep some modicum of distance from. Life is best lived on its outskirts, where it can't wound you so badly you might not survive. The only place the two of them "lose it" is with each other. When Dylan was her student at the academy, she sought out ways to focus on his flaws. And he irritated her intentionally, snidely nicknaming her Lizzie Borden. With eight years of open animosity that rivaled that of the Hatfields and McCoys, they were both grateful when he graduated. Years later, fate throws them together again when he's assigned as her EMS partner to train new recruits. Working side by side with him, Beth can't deny his rapport with the students or his warm and giving nature. And Dylan sees the vulnerable side to her, caused by a past that would level an ordinary person. When physical attraction flares between them, they can't stop their inevitable coming together. Falling in love isn't in the cards for Beth and she rejects the hand they're dealt. She can never be part of the family Dylan wants. And he can't break down her final, indestructible wall. Nail-biting fire scenes, sizzling sexual encounters and the revelation of background that will make you cry buckets permeate this beautiful story of compromise and undying love. Be sure to follow up with the rest of the Rockford Fire Department Series: FEEL THE HEAT, CODE OF HONOR and NEVER FAR AWAY. *** NEW YORK TIMES bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest.
