A shy waitress and an ancient, shapeshifting assassin with a bounty on his head...
A match made in heaven? Sara It was supposed to be a simple favor. Instead of
helping out the sexy, aloof bouncer at my bar, I've narrowly escaped death at the
hands of a murdering shifter and inadvertently rescued Ilan's nephew in the

process. The things a woman has to do to get a guy's attention these days... Ilan For years, I kept my innocent human true mate safe from me and the dangerous world I live in. Then on the night I planned to skip town, Sara lands in the middle of a botched assassination attempt. Now, I can't let her go. She's a target. So is my infant nephew. And the killers who came after my family should be afraid. Very afraid. I'm not called an Angel of Death for nothing. ————— This book is the closed-door version of CLAIMED BY THE ASSASSIN by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. ————— Dana's Note: Welcome to the Shifter World® where primal heroes take on the world to claim their true mates! The Life of Percy Bysshe Shelley

From Noel Hynd, author of 'Flowers From Berlin' comes 'Firebird,' an intricate true-to-life spy story that spans half a century. It is 1968, one of the most tumultuous years of the 20th Century. Frank Cooper, a former star investigative reporter now writes obituaries for a popular New York City tabloid. He hears the confession of a dying man named Leonard Rudawski, a former American diplomat, who bitterly questions the fate of Pavel Lukashenko, a would-be Soviet defector in Paris in 1965. Lukashenko promised to expose the espionage secret of a generation if he could get to the West. But the defector, code named "Firebird," vanished. Or did he? Cooper teams with Lauren Richie, a young NY/Latina reporter from the same tabloid. They prowl into the dying man's confession. Soon they are onto the story of their lifetimes, reviving a dangerous once-cold trail of back channel/back alley CIA and KGB intrigue and tradeoffs, all of which factor into the 3-way racially tinged American election of that year: Nixon vs. Humphry vs. the segregationist George Wallace. Murder, espionage, romance, betrayal and conspiracy intertwine.

Readers will meet and recognize dozens of memorable "real life" characters: reporters, gangsters, diplomats, call girls, spy masters, politicians and assassins. The story is tough, large, sprawling and historically precise. "Russians sabotage and destabilize the west," says one experienced reporter with KGB knowledge. "It's not just what they do. It's what they do best." The story straddles the decades from World War Two to 2018, even throwing a cynical light on Russian-American relations of today. "Hynd is a solid, dependable writer with enough literary flair to move him up a few notches above the Ludlums and Clancys of the world. -Booklist From Publishers Weekly: "Noel Hynd knows the ins and outs of Washington's agencies both public and secret."

Shifters live among us. And if they want you, they take you. "If you're looking for a great shifter story, this one will pull you into the series!" Mya One night, I was stolen from my human life and thrust into the shifter world. With no rights among these primal shapeshifters, I'm expected to submit to their will. But I only want Rick—the rugged, tattooed cop who can touch my soul and tame my wolf. He vows to free me and worship me as his equal forever. I can help too. He's looking for a criminal. And I know one who will kill to avoid being caught Rick A century ago, I lost my family. While on the hunt for a rogue wolf shifter from my late mate's pack, I found a second chance with the one woman I never thought I'd meet. Mya's my

true mate—my gift from the gods. And the male who took her rights away will die. Even if I lose my life in the process. Without Mya, I have nothing left to live for.

Orphan warriors fight for survival in a brutal medieval world in this enthralling new chapter in Lian Hearn's multi-million-copy selling OTORI series The bitter struggles of the Tribe and the clans have left many children orphaned. Among them are Sunaomi and Chikara, sons of Arai Zenko, who face death after their parents' treachery. Their aunt, Kaede, is able to save their lives on condition they become novice monks and never leave the temple at Terayama. Sunaomi has been brought up as a warrior, yet his grandmother is Muto Shizuka. He cannot escape that he is also a child of the Tribe. As he discovers unimagined talents within himself he comes up against Hisao, Takeo's son, the ghostmaster, as well as Saga Hideki, the most powerful warlord in the realm, the Emperor's General. Taking place in the magical medieval world of Tales of the Otori, Orphan Warriors is a coming-of-age adventure story in a human world of courage and sacrifice behind which always hovers a supernatural world of danger and dread. Praise for Lian Hearn: 'Brutally thrilling historical fantasy' Herald Sun 'Much like Game of Thrones, the book can be read as political intrigue. Nobody is black or white, rather shades of grey' The Age 'Huge imaginative vitality. Moves onwards with the narrative force of a flood. It is easy to let the book sweep the reader away' Sydney Morning Herald 'The action comes thick and fast . . . Compelling characters and captivating worldbuilding'

When European powers carved political borders across the Middle East following World War I, a curious event in the international drug trade occurred: Palestine became the most important hashish waystation in the region and a thriving market for consumption. British and French colonial authorities utterly failed to control the illicit trade, raising questions about the legitimacy of their mandatory regimes. The creation of the Israeli state, too, had little effect to curb illicit trade. By the 1960s, drug trade had become a major point of contention in the Arab-Israeli conflict, and drug use widespread. *Intoxicating Zion* is the first book to tell the story of hashish in Mandatory Palestine and Israel. Trafficking, use, and regulation; race, gender, and class; colonialism and nation-building all weave together in Haggai Ram's social history of the drug from the 1920s to the aftermath of the 1967 War. The hashish trade encompassed smugglers, international gangs, residents, law

enforcers, and political actors, and Ram traces these flows through the interconnected realms of cross-border politics, economics, and culture. Hashish use was and is a marker of belonging and difference, and its history offers readers a unique glimpse into how the modern Middle East was made.

Master of driving pace, exotic setting, and complex plotting, Harold Lamb was one of Robert E. Howard's favorite writers. Here at last is every pulse-pounding, action-packed story of Lamb's greatest hero, the wolf of the steppes, Khlit the Cossack. Journey now with the unsung grandfather of sword and sorcery in search of ancient tombs, gleaming treasure, and thrilling landscapes. Match wits with deadly swordsmen, scheming priests, and evil cults. Rescue lovely damsels, ride with bold comrades, and hazard everything on your brains and skill and a little luck. Wolf of the Steppes is the first of a four-volume set that collects, for the first time, the complete Cossack stories of Harold Lamb and presents them in order: every adventure of Khlit the Cossack and those of his friends, allies, and fellow Cossacks, many of which have never before appeared between book covers. Compiled and edited by the Harold Lamb scholar Howard Andrew Jones, each volume features never-before reprinted essays Lamb wrote about his stories, informative introductions by popular authors, and a wealth of rare, exciting, swashbuckling fiction. In this first volume, Khlit infiltrates a hidden fortress of assassins, tracks down the tomb of Genghis Khan, flees the vengeance of a dead emperor, leads the Mongol horde against impossible odds, accompanies the stunning Mogul queen safely through the land of her enemies, and much more. This is the stuff of grand adventure, from the pen of an American Dumas.

Classic fairy tales get an oh-so-modern update in this fun, value-priced collection. Waiting for your prince to come? Forget it! Today's heroines are plunging into love feet first—nary a glass slipper in sight. With nine delightful stories, this bundle offers contemporary twists on beloved fables such as Beauty and the Beast, Cinderella, Little Red Riding Hood, Goldilocks, Snow White, and Aladdin. Cloaked in Blood: Little Red Riding Hood knows exactly how to handle the wolf in this shapeshifter tale. To Selena Kurt's surprise, her clan matches her to Marcin Ulf, the big, bad wulfkin who broke her heart years ago. However, first they're drawn into a tournament where they must face off with one another...just as their romance rekindles. The Cougar's Pawn: Beauty Ellery Colvard is camping with friends when she gets carried away—literally—by beastly were-cougar Mason Foye, who needs a mate to avoid his fate. But witchy Ellery doesn't believe in soul mates. If Mason can't convince her to be his, he's doomed to spend the rest of his days in his cougar form. Best Laid Plans: Practical anchorwoman Violet Gallagher and hotshot photojournalist Jake Macintyre live in different worlds, until the night she catches his eye at a party and loses more than her dancing shoes to him. Is their one enchanted evening worth a lifetime of dreams? Protecting the Prince: Someone's determined to stop Eliam Prince from taking over the family shipping docks. He needs a bodyguard, no matter how much the concept makes him grumpy. But

security expert Winter Wyn soon learns that keeping this beautiful man safe from sabotage, blackmailers, assassins, and his own stubborn pride isn't nearly as hard as protecting her own bashful heart. *Catch a Falling Star*: Brianna Daniels's courageous ailing stepsister has one wish: she wants to go to the ball. Brianna makes it happen and Natalie meets her prince at the fundraising gala for the city's elite. The problem is, Brianna falls for gorgeous patent attorney Matthias Gustafson, too. What kind of wicked stepsister would begrudge a loving young woman's one shot at happiness? *A Late-Blooming Rose*: Bookseller Beau Landry boldly ventures to the estate of bitter and downright beastly hermit Eva Mitchum, determined to buy her rare collection. What he discovers is a lonely, hurting, wheelchair-bound woman who has forgotten how to love. When she challenges Beau to stay with her in exchange for the books, the offer will change both their lives. *His One Wish*: Special forces veteran Aiden Cooper is hired to track down Turhan Technologies' missing technical genius, Jin Ru, who's disappeared with the prototype for their powerful new software. But when his path crosses with the alluring heiress of Turhan, Jazlin Morgan, sparks fly. Can they save her family's company from her greedy uncle's clutches? *Music to her Ears*: When blonde, bubbly Hannah "Goldie" Loxley gets a housesitting gig for the Rievaulx Trio, world-famous concert musicians, she accidentally ends up in the bed of middle brother Mike. Confusion soon leads to an undeniable attraction. But will their whirlwind romance falter when reality settles in? *Fairy Trouble*: When her new charge Cindy finals in an art competition in New York, fairy godmother Esmeralda must step into

her slippers to attend Murphy Enterprises' costume ball. She doesn't expect to catch the eye of handsome, unassuming heir Ryan or fall for him. However, convincing this skeptic that magic is real and she's not just a con artist will be no easy feat. Sensuality Level: Sensuality

Ilan

He thinks we're destined to be together. I think he's crazy Or maybe that's me. Zoe I'm called the "beloved human" of Kade, the alluring leader of the Royal Alexander pride. Its members consider me his possession. I avoid thinking too hard about what that means by teasing him mercilessly. Besides, I have other worries. My nightmares are back, stronger than ever, and they're starting to bleed into the real world. To make them stop, I have to discover the truth behind the attack that cost me my baby and my fiancé. Their deaths demand justice. And I want revenge. Kade Ever since I healed Zoe, she's been my responsibility in the group to handle—and to control. I never asked to claim her, and I didn't want to. Until now. She's the one. My mate. And the timing couldn't be worse. Other shifters are making bets on how soon I'll lose my title, and fears over a prophesy have made

our group a target. But I'll do anything to protect Zoe, to ensure our pride is a safe place for the future we could have together. All that's left is to convince her—and to prevent my enemies from claiming what's mine. ————— This book is the closed-door version of POSSESSED by Nancy Corrigan, the Mainstream fiction pen name of Dana Archer. ————— Dana's Note: Welcome to the Shifter World® where primal heroes take on the world to claim their true mates! Harem

Colin Falconer is the best selling author of CLEOPATRA: DAUGHTER OF THE NILE and AZTEC and over twenty other novels. His books have been translated into seventeen languages. "A page-turner . . . This peek behind the walls of the seraglio will seduce lovers of large-scale historical fiction." - Booklist He had everything a man might dream of; wealth, power and the choice of hundreds of the most beautiful women in his Empire. Why then did he forsake his harem for the love of just one woman, and marry her in defiance of the centuries-old code of the Osmanlis? This is the astonishing story of Suleiman, the one they called the Magnificent, and the woman he loved. Suleiman controlled an empire of thirty million people, encompassing twenty different languages. As a man, he was an

enigma; he conquered all who stood against him with one of the world's first full time professional armies - yet he liked to write poetry; he ravaged half of Europe but he rebuilt Istanbul in marble; he had teams of torturers and assassins ready to unleash at a whim - yet history remembers him as a great lawmaker. 'Harem' literally means 'Forbidden': Forbidden to men. Once the Sultan was the only man - the only complete man - who could pass through its iron-studded doors. But what was that world really like? For a woman living in the Harem the only way out was to somehow find her way into the Sultan's bed and bear him a son. But the young Sultan was often away at war and when he did return he neglected his harem for just one favourite wife. But one young Russian concubine inside his seraglio was not content to allow fate decide the course of her life. She was clever and she was ruthless. And she had a plan. Into this world are drawn two unforgettable characters; a beautiful young Italian noblewoman, captured by corsairs and brought to the Harem as a concubine; and the eunuch who loved her once, long ago, in Venice. Loved her? He still stopped loving her . From medieval Venice to the slave markets of Algiers, from the mountains of Persia to the forbidden seraglio of the Ottoman's greatest sultan, this is a tale of passion and intrigue in a world where nothing is really as it seems.
