### **The Longman Reader, MLA Update Edition**

"For courses in English Composition." "This version of The Longman Reader has been updated to reflect the 8th edition of the MLA Handbook (April 2016)\*" "" The acclaimed rhetorical modes reader, with remarkably detailed writing guidance Best-seller The Longman Reader includes its abundant and highly praised pedagogy plus a wealth of readings organized by patterns of development (an alternative table of contents organizes them thematically). The opening chapters focus on reading critically and the writing process. The subsequent chapters begin with detailed writing instruction, including an annotated student paper, and end with professional essays. These new and beloved professional essays range widely in subject matter and approach from the humorous to the informative, from personal meditation to argument and capture students' interest while demonstrating specific patterns of development. The Longman Reader shares many of the same readings and other core material with The Longman Writer. " " "\* The 8th Edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the increasing mobility of texts, MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following." "

Novelist, comics writer, scriptwriter, poet, occasional artist - a master of several genres and inadvertent leader of many cults - there are few creative avenues Neil Gaiman hasn't ventured down. From unforgettable books like *The Ocean at the End of the Lane* and *American Gods* to ground-breaking comics and graphic novels like *The Sandman* and *Violent Cases*; from big screen fantasies like *Coraline* to small screen epics like *Doctor Who*; and from short stories to songwriting, stage plays to radio plays, journalism to filmmaking, and all points in-between, *The Art of Neil Gaiman* is the first comprehensive, full-colour examination of Gaiman's work to date. Author Hayley Campbell, a close friend of Neil's since she was a small child, spent many months rummaging through Neil's attic to source the never-before-seen manuscripts, notes, cartoons, drawings and personal photographs for this book; these are complemented by artwork and sketches from all of his major works and his own intimate recollections. Each project is examined in turn, from genesis to fruition, and positioned in the wider narrative of Gaiman's creative life, affording unparalleled access to the inner workings of the writer's mind. Utterly comprehensive, lavishly illustrated, *The Art of Neil Gaiman* is the fully authorised account of the life and work of one of the greatest storytellers of all time.
