Plautus was the single greatest influence on Western comedy. Shakespeare's Comedy of Errors and Molière's The Miser are two subsequent classics directly based on Plautine originals. Plautus himself borrowed from the Greeks, but his jokes, rapid dialogue, bawdy humour, and irreverent characterizations are the original work of an undisputed genius. The comedies printed here show him at his best, and professor Segal's translations keep their fast, rollicking pace intact, making these the most readable and actable versions available. His introduction considers Plautus' place in ancient comedy, examines his continuing influence, and celebrates his power to entertain. We expect to be able to log on and read, watch or listen to anything, anywhere, anytime. Then copy it, share it, quote it, sample it, remix it. Does this leave writers, designers, filmmakers, musicians, photographers, artists, and software and game developers with any rights at all? Have we forgotten how to pay for content? With *Dusk* (originally published in the Philippines as *Po-on*), F. Sionil Jose begins his five-novel Rosales Saga, which the poet and critic Ricaredo Demetillo called "the first great Filipino novels written in English." Set in the 1880s, *Dusk* records the exile of a tenant family from its village and the new life it attempts to make in the small town of Rosales. Here commences the epic tale of a family unwillingly thrown into the turmoil of history. But this is more than a historical novel; it is also the eternal story of man's tortured search for true faith and the larger meaning of existence. Jose has achieved a fiction of extraordinary scope and passion, a book as meaningful to Philippine literature as *One Hundred Years of Solitude* is to Latin

American literature. "The foremost Filipino novelist in English, his novels deserve a much wider readership than the Philippines can offer."--Ian Buruma, New York Review of Books "Tolstoy himself, not to mention Italo Svevo, would envy the author of this story."--Chicago Tribune
