### The language of literature

This is a powerful dramatisation of Daniel Keyes's perceptive and sad novel. Charlie is a retarded adult who desperately wants to be able to read and write. He undergoes a brain operation which increases his intelligence. Yet such an operation begs many questions--can Charlie's emotional development keep pace with the intellectual? How do the psychiatrists and psychologists view Charlie--as a man or as the subject of an experiment like the mouse, Algernon? And the biggest question of all--will the operation be successful?

### DOD Pamphlets

### **The Gift of the Magi**

One of the most important essays about the African-American experience in the United States is Zora Neale Hurston's *How It Feels To Be Colored Me*, originally published in *The World Tomorrow* in May 1928. Hurston's was an original voice in the first half of the 20th century. As she reflects on her early childhood in an all-black Florida town, and her first experiences in later life feeling "different," Hurston largely focuses on the similarities we all share and on her own self-respect and identity. "Through it all, I remain myself." This short work is part of Applewood's "American Roots" series, tactile mementoes of American passions by some of America's most famous writers and thinkers.

## **501 Word Analogy Questions**

Do you believe that people can change? Can a bank robber marry the banker's daughter without having any hidden thoughts and intentions? "A Retrieved Reformation" tells the story of Jimmy, a former prisoner, who decides to quit violating the law in the name of love. He takes up a new identity and starts a new life as an honorable man. However he is about to face a choice which can cost him his future. Will he sacrifice himself in order to save a child in danger or he will prefer to keep his old identity in secret? William Sydney Porter, better known as O. Henry, was an American writer who lived in the late 19th century. He gains wide popularity with his short stories which often take place either in New York or some small American towns. The plot twists and the surprise endings are a typical and integral part of O. Henry's short stories. Some of his best known works are "The Gift of the Magi", "The Cop and the Anthem", "A Retrieved Reformation". His stories often deal with ordinary people and the individual aspects of life. As a result of the outstanding literature legacy that O. Henry left behind, there is an American annual award after his name, given to exceptional short stories.

## **Vocabulary for the College-Bound Student**

The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another.

### **The Devil and Daniel Webster**

This early work by Stephen Vincent Benét was originally published in 1937 and we are now republishing it with a brand new introductory biography. 'The Devil and Daniel Webster' is a short story about a successful lawyer who believes you can win your soul back from the devil. Stephen Vincent Benét was born on 22nd July 1898 in Bethlehem, Pennsylvania, United States. Benét was an accomplished writer at an early age, having had his first book published at 17 and submitting his third volume of poetry in lieu of a thesis for his degree. During his time at Yale, he was an influential figure at the 'Yale Lit' literary magazine, and a fellow member of the Elizabethan Club. Benét was also a part-time contributor for the early Time Magazine. Benét's best known works are the book-length narrative poem American Civil War, John Brown's Body (1928), for which he won a Pulitzer Prize in 1929, and two short stories, The Devil and Daniel Webster (1936) and By the Waters of Babylon (1937). Benét won a second Pulitzer Prize posthumously for his unfinished poem Western Star in 1944.

### **The Big Book of Conflict Resolution Games: Quick, Effective Activities to Improve Communication, Trust and Collaboration**

From one of America's most popular short story writers and an Academy Award nominee: the O. Henry Award-winning tale that inspired the movie The Hunt. A subject of mysterious rumors and superstition, the deserted Caribbean Island was shrouded in an air of peril. To Sanger Rainsford, who fell off a yacht and washed up on its shores, the abandoned isle was a welcome paradise. But unknown to the big-game hunter, a predator lurked in its lush jungles—one more dangerous than any he had ever encountered: a human. First published in 1924, this suspenseful tale “has inspired serial killers, films and stirred controversy in schools. A century on, the story continues to thrill” (The Telegraph). “[A] tense, relentless story of man-against-man adventure, in which the hunter Sanger Rainsford learns, at the hands of General Zaroff, what it means to be hunted.” —Criterion

In *Building Academic Vocabulary: Teacher s Manual*, Robert J. Marzano and Debra J. Pickering give teachers a practical way to help students master academic vocabulary. Research has shown that when teachers, schools, and districts take a systematic approach to helping students identify and master essential vocabulary and concepts of a given subject area, student comprehension and achievement rises. In the manual, readers will find the following tools: \* A method to help teachers, schools, and districts determine which academic vocabulary terms are most essential for their needs \* A six-step process for direct instruction in subject area vocabulary \* A how-to to help students use the *Building Academic Vocabulary*:

Student Notebook. The six-step method encourages students to learn critical academic vocabulary by connecting these terms to prior knowledge using linguistic and non-linguistic means that further encourage the refinement and deepening of their understanding. \* Suggestions for tailoring academic vocabulary procedures for English Language Learners. \* Samples and blackline masters for a variety of review activities and games that reinforce and refine student understanding of the academic terms and concepts they learn. The book also includes a list of 7, 923 vocabulary terms culled from the national standards documents and other publications, organized into 11 subject areas and 4 grade-level categories. Building Academic Vocabulary: Teacher s Manual puts into practice the research and ideas outlined in Marzano s previous book Building Background Knowledge for Academic Achievement. Using the teacher s manual and vocabulary notebooks, educators can guide students in using tools and activities that will help them deepen their own understanding of critical academic vocabulary--the building blocks for achievement in each discipline.

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfills his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).
