### **Physics for the IB Diploma Full Colour**

Written for the AQA geography specification A, this text develops skills analysis in context through the use of map extracts and satellite data. It incorporates ICT and questions to reinforce learning. Sample exam questions and mark schemes give pupils practice.

### **Gcse Success Workbook English**

AQA A2 Law has been written specifically to meet the needs of A2 students following the AQA specification. It provides comprehensive, accessible and up-to-date coverage of the subject content. Carefully structured around the specification, AQA A2 Law combines authoritative discussion with coverage of the latest legal developments. Frequent definitions of key terms aid comprehension and revision, while summaries of Law Reports and current articles bring the student right up to date. The accompanying online material offers a series of extension questions, intended to help A2 students develop a thorough understanding of Law. This accessible yet authoritative text is essential reading for all students following the AQA A2 Law specification. Answers to all questions in the book are provided in an accompanying Teacher Guide, available for separate purchase by teachers and lecturers.

### **Gcse Aqa Physics Revision Guide**

AS & A2 Media Studies: The Essential Revision Guide for AQA is a comprehensively updated new edition offering advice and guidance to help students pass AS and A2 Media Studies. Written by a team of experienced teachers and examiners, the book offers clear and engaging pathways through all the areas covered in the Media Studies curriculum, providing students with:

- Revision Activities
- Exam Tips and reminders
- Definitions of key terms
- Past paper questions
- References to examiners reports.

The authors also offer essential background information to help Media Studies students understand wider contexts and theoretical perspectives, as well as giving the lowdown on how exams are marked, how to manage self-study and approaching final examinations.

### **AQA Economics GCSE**

#### **AQA A-level Business Student Guide 1: Topics 1-6**

Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students

to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

### **AQA Psychology A Level Paper Three: Forensic Psychology**

Covers the content of AQA Physics single award specification, and incorporates the 'How Science Works' element of the course.
