This family saga from a National Book Award finalist is a “brilliantly orchestrated tale of several generations of Washington, D.C., insiders” (Booklist). In this epic and acutely observed novel, three generations of a family of Washington power brokers vie for influence over the fate of the nation. In the 1930s, Sen. Adolph Behl and his wife, Constance, buy historic mansion Echo House with the vision of transforming it into Washington’s greatest salon—an auspicious base camp from which the senator can launch his “final ascent,” and son Axel can prepare his first.

Across decades of secrets, betrayals, victories, and humiliations, the Behl family will fight to remain near the center, and behind the scenes, of American political power—from the New Deal to Watergate and beyond. “A fascinating if ultimately painful fairy tale, complete with . . . a family curse . . . The decline of the Behls represents the decline of Washington from the bright dawn of the American century into the gathering shadows of an alien new millennium.” —The Washington Post “Puts the standard run-of-the-mill Washington novel to shame . . . It is Mr. Just’s intimate portrait of the city that makes his book so convincing.” —The New York Times “Will be read in a century’s time by anyone seeking to understand how we lived.” —Detroit Free Press “[Ward’s] stories put him in the category reserved for writers who work far beyond the fashions of the times. . . . Masterpieces of balance, focus, and hidden order.” —Chicago Tribune “He has earned a place on the shelf just below Edith Wharton and Henry James.” —Newsweek

This is Book 2 in the Detective McDaniel Thriller series. The series is best read in order. Please consider reading Book 1, Hold Back the Night, before enjoying The Easy Way Out. Still reeling from his encounter with a depraved child killer and a professional hitman on the city's waterfront, Homicide Detective Darren McDaniel

is thrown back into the fray. A headless corpse washes up in a secluded cove near the industrial district. The body shows signs of extreme trauma - torture - prior to being tossed into the sea. With no head, and no useable fingerprints to work with, McDaniel's first challenge is to identify the remains. But when he begins searching for missing persons, a disturbing pattern emerges. Multiple subjects matching the victim have disappeared over the past few years. Just as the investigation is beginning to break, McDaniel is blindsided by a disappearance much closer to his heart. His sister, June, the one remaining member of his birth-family, has vanished. She has been fighting a drug addiction for decades. McDaniel assumes it has taken her again. He knows from past experience, if he doesn't want to find her dead, he has to find her fast. McDaniel abandons the investigation, and his partner, Brent Vanderwyk, to search for June. His efforts fail and June's time is running out. McDaniel is forced to turn to the one person who might find her in time - the now-retired Detective Griggs. The grizzled old investigator has his own reasons to help, but he is intent on peeling his pound of flesh off McDaniel in return for his services. When their search resolves, McDaniel is left traumatized, wondering if some of the lost are better left unfound. He has no time to process these thoughts. Vanderwyk pulls him back into the investigation. The case that started with a headless corpse on the beach has spun out of control, expanding to include at least five men, dead or missing, and a sixth about to meet the same fate. All six are directly connected to a treacherously entangled trio - a petty drug-lord, a sheriff's detective, and a bombshell teenaged runaway. McDaniel and Vanderwyk finally begin to unravel the tangled mess of lies deception trickery and murder. But as soon as they understand what they are dealing with, it also becomes apparent that the body count is about to rise again. A discovery that plunges the two detectives into gunfights, car chases, and mayhem on the high seas, and a nail-biting conclusion that will leave you on the edge of your seat.
