Vital Biblical Issues

Discusses the nature of revelation as doctrine, history, and inner experience, and examines its relationship to the Bible, eschatology, and other religions

Job- Everyman's Bible Commentary

This inductive study in a simple, practical textbook in hermeneutics compares related Bible texts in order to let the Bible interpret itself.

Fahrenheit 451

This handy resource allows the reader to quickly summarize or review all the pertinent details about any Old Testament book. More than a Bible handbook but less than a commentary, Nelson's New Illustrated Old Testament Survey provides a section by section breakdown of issues and topics dealt with in the Hebrew Scriptures. It includes: Complete but concise outlines of every Old Testament book A succinct introduction for each book Sections that identify each Bible author's theological emphasis Inserts that highlight real-life insights Arguments for the unity of the original manuscripts

Key Questions about Biblical Interpretation

For every person who draws strength and direction from the Bible, there are many more who struggle with it. Some call it a long book with fine print and obscure meaning. Some call it a mystery, a chore to read, or an undecipherable puzzle. The

good news is you can easily solve this problem. With over 300,000 sold, this revised and expanded edition of *Living by the Book* will remove the barriers that keep Scripture from transforming your life. In a simple, step-by-step fashion, the authors explain how to glean truth from Scripture. It is practical, readable, and applicable. By following its easy-to-apply principles, you'll soon find yourself drawing great nourishment from the Word—and enjoying the process! The *Living by the Book Workbook* is the perfect compliment to provide practical application of lessons.

Slaughterhouse-five

The Bible is the written Word of God, and it is treasured by many. But it is also an ancient book about people and cultures very different than us. Thus, while we know we should read it, many of us have a hard time understanding the Bible. In this expanded edition of *Knowing Scripture*, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. The author says, "The theme of this book is not how to read the Bible but how to study the Bible." He presents in simple, basic terms a commonsense approach to studying Scripture and gives eleven practical guidelines for biblical interpretation and applying what we learn. With a minimum of technical jargon, Sproul tackles some of the knotty questions regarding differences of interpreting the Bible, including discovering the meanings of biblical words understanding Hebrew poetry, proverbs and parables approaching historical

and didactic passages being careful with predictive prophecy discerning how culture conditions the Bible choosing and using Bible translations, commentaries, Bible software and other helps Now with a new preface, Knowing Scripture is a basic book for both beginning Bible readers and experienced students of Scripture.

How to Study the Bible for Yourself

A Biblical Theology of the New Testament gives fresh insight and understanding to theological discipline. Scholars from Dallas Theological Seminary combine to create this important volume edited by Roy B. Zuck. Each contributor looks at divine revelation as it appears chronologically in the New Testament canon, allowing you to witness God's truth as it has unfolded through the decades.

Basic Bible Interpretation

Precious in His Sight

Why do even the sincerest students of God's Word sometimes find it dry or confusing? Too often, Robertson McQuilkin suggest, it's because they don't know how to read it. In his classic introduction to Bible study, McQuilkin shows everyday believers how to navigate the Bible's genres and plumb its thought structures with accuracy, experiencing afresh living encounters with the inspired Word. Newly revised and updated, Understanding and Applying the Bible also examines the most common errors in Bible reading. In the end, McQuilkin maintains Scripture can be understood by anyone, simply by following a set of straightforward and time-tested principles.

Spirit-Filled Teaching

This is a bible study designed to introduce God as a person. A study to help one understand God and have access to him.

Nelson's Old Testament Survey

A curriculum for Bible instruction for use in weekly church schools, daily classroom settings, or for home-schooling.

Twelve Dynamic Bible Study Methods

How to Read the Bible Like a Seminary Professor

How often have you encountered some bizarre doctrine only to be stunned to hear a Bible verse quoted to support it? With new religious cults springing up almost daily and old ones growing rapidly, this is more and more common. How are they seemingly able to twist Scripture to mean something orthodox Christians have never believed it to mean in two thousand years? James Sire, author of *The Universe Next Door* and *How to Read Slowly*, has isolated twenty separate kinds of reading errors which are characteristically made by cultists as they interpret the Bible. He covers the full range from simple misquotation to complex argumentation which links one slightly eccentric interpretation to another, mixes in a few orthodox readings and ends with a conclusion totally foreign to the biblical world view. Sire also handles twisted translation, overspecification, virtue by association, ignoring the context and other flawed interpretations. A book to help us all become better readers of the Scriptures.

Call It Courage

Infused with literary, political, art-critical, cinematic, liturgical and other interests, these essays display interpretive verve freed from the anxiety of disciplines — with

closely observed interpretive insights, critical engagement with biblical texts, and vivid inspiration from their cultural worlds.

Basic Bible Interpretation

A method of interpretation--a hermeneutic--is indispensable for understanding Scripture, constructing theology, and living the Christian life, but most contemporary hermeneutical systems fail to acknowledge the principles and practices of the biblical writers themselves. Christians today cannot employ a truly biblical view of the Bible unless they understand why the prophets and apostles interpreted Scripture the way they did. To this end, Abner Chou proposes a "hermeneutic of obedience," in which believers learn to interpret Scripture the way the biblical authors did--including understanding the New Testament's use of the Old Testament. Chou first unfolds the "prophetic hermeneutic" of the Old Testament authors, and demonstrates the continuity of this approach with the "apostolic hermeneutic" of the New Testament authors.

Biblical Interpretation

Everyone who studies and teaches the Bible has a responsibility to accurately interpret and communicate God's message. Understanding the principles of sound

interpretation, therefore, is of vital importance. Pastors, Bible teachers, and anyone who studies the Scriptures will appreciate the helpful guidance of this collection of scholarship.

Rightly Divided

Vital . . . pertaining to life; essential; of critical importance. Theological . . . pertaining to the study of God, of His nature and will. Issues . . . a point or matter, the decision of which is of special or public importance. A dictionary can define the terms, but the tough questions faced by pastors, teachers, missionaries, and Christian leaders are the real test of one's theological understanding. Vital Theological Issues: Examining Enduring Issues of Theology draws upon the insights and study of leading evangelical scholars and writers to address enduring theological questions. Included are articles by Lewis Sperry Chafer, J. Ronald Blue, John F. Walvoord, Charles C. Ryrie, and Roy B. Zuck. Some of the issues discussed in this volume include: If God is in control, why should I pray? What difference does it make that Jesus was sinless? Can a person be saved who has never heard of Jesus? Has Lordship salvation really been taught throughout Christian history? Christian readers, church leaders, and pastors alike will appreciate the practical insights and spiritual focus of Vital Theological Issues.

The Prayer Bible

Dr. S. Franklin Logsdon, Bible teacher and evangelist, says of this book: "These principles of Bible study by Dr. J. Edwin Hartill have been tested and proved in his own personal teaching for many years. They are succinct, pointed, practical, original, understandable -- simple keys to unlock the storehouse of Scripture to things both old and new. This publication makes a distinct contribution to Bible lovers in their search for increased knowledge of divine truth. It is a privilege and an honor to commend it to God's people." Using a graphic combination of text, charts, and outlines, Dr. Hartill states, "I trust that as you study these principles, your understanding of the Word and your love for its truth may deepen, so that you may more ably pass it on to others."

The Prophecy Knowledge Handbook

"Vital . . . pertaining to life; essential; of critical importance. Biblical . . . in or according to the Bible. Issues . . . a point of matter, the decision of which is of special or public importance. A dictionary can define the terms, but deciding on the proper interpretation of tough biblical passages demands skillful study and mature reflection on the Scriptures. Vital Biblical Issues: Examining Problem Passages of the Bible draws upon the insights and study of numerous evangelical scholars and

writers to address difficult interpretive issues from both the Old and New Testaments. Included are articles by Merrill F. Unger, Gleason F. Archer Jr., Michael P. Green, and S. Lewis Johnson Jr. Some of the issues discussed in this volume include: "Did God curse one race of people?" "Did the Old Testament prophesy the Virgin Birth?" "What about the violence of the book of Psalms?" "Should Christian women cover their heads in worship?" "Christian readers, church leaders, and pastors alike will appreciate the insights and scholarship of Vital Biblical Issues."

Scripture Twisting

Acclaimed teacher Roy B. Zuck reveals how teachers can tap into the power of divine energy to fulfill their calling and use their gifts at a deeper level. By applying these timeless, spirit-focused principles, teachers will learn how to teach more effectively and inspire students spiritually.

Healthy Boundaries

Highly regarded Old Testament theologian John Goldingay is often asked about the interpretation of the Bible, about the way we are to understand the stories in the Bible, about the relationship between the Old Testament and the New, and so on.

In this volume he explores twenty-three questions related to biblical interpretation, articulating creative, provocative explanations for today's church. The book is divided into four parts: concerning Scripture as a whole; concerning narrative; concerning the Old Testament as a whole; and concerning the Torah, the Prophets, and the Writings. Students of the Old Testament, pastors, and laypeople will value this work.

Principles of Biblical Hermeneutics

Many people admire and even revere the Bible, but they simply do not understand what they read, much less how to study Scripture. Yet they wish they could. In this insightful and alternately amusing guide, Professor Mark Yarbrough shows how easy and gratifying it is to unlock the hidden truths of God's Word and to discover a world where reading the Bible doesn't just satisfy our curiosity, but changes our life. To do this, the reader will step into the seminary classroom and observe the practical principles-the tricks of the trade-for becoming a more effective student of the Bible. But Yarbrough has made sure that his writing style and general approach will be appealing to both academic students and those involved in lay-level Bible study. Real life is whacky and in-your-face. Studying Scripture should be too.

Amazing Grace

Bestselling author Tim LaHaye is a nationally recognized Bible teacher who wants each reader to know that the Bible was written for them—they need not rely on scholars and teachers to interpret it. In this 30th anniversary edition of his bestselling *How to Study the Bible for Yourself* (more than 850,000 copies sold) readers will discover how to— locate the Bible's major principles, promises, and commands understand key verses and themes achieve an enriching, lifelong habit of Bible study LaHaye's practical and inspiring method of study will open up the joy, wisdom, and excitement of the Bible to those who have been studying for years or anyone beginning to explore the wonders of God's Word.

Rightly Divided

Billy Pilgrim returns home from the Second World War only to be kidnapped by aliens from the planet Tralfamadore, who teach him that time is an eternal present

Understanding and Applying the Bible

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

The Speaker's Quote Book

Biblical Interpretation: A Roadmap is a guide to discovering and asking the key questions - about biblical texts, about readers of the Bible, and about the interaction of the two - that forms the basis of biblical interpretation today. These questions are organized around three fundamental assumptions that govern the authors' approach to reading the Bible: the biblical texts arise from particular historical, social, and cultural settings; the reader likewise reads from a specific setting; and neither the diversity of the texts nor the multitude of readers stands in isolation one from the other. Tiffany and Ringe here offer an approach to biblical interpretation that takes both the texts and the reading context seriously, guiding and encouraging readers to draw upon the expertise and authority of their own life experiences and contexts. They also recognize that wide-ranging experiences and contexts are necessarily involved in biblical interpretation, showing how critical engagement with those contexts, in all their historical, social, and cultural diversity, is itself an unavoidable and invaluable part of the interpretative process.

Models of Revelation

Bible teachers have an ideal model for evaluating their pedagogy: the Master Teacher Jesus Read through the Gospels, and you quickly reach the conclusion that

Jesus was a dynamic, remarkably effective teacher; never boring, always stimulating; never obtuse, always clear; never pompous or distant, always personal and lovingly concerned, Ó writes Roy Zuck Zuck explores Jesus' involvement of students in the learning process, his modeling of truth, his method of responding to questions, his use of rhetorical technique, visuals, and illustrations, and his attitude toward those who sat under his instruction. Zuck covers the Rabbi's overall style and its impact on disciples, the general public, and those who rejected him.

Living By the Book

Here's a one-source reference book that covers all prophecies in the Bible. Everything from Genesis to Revelation, whether fulfilled or not-yet-fulfilled, each prophecy is discussed carefully, along with its various interpretations.

Looking Through a Glass Bible

This and the many other quotes, stories, anecdotes, and illustrations in The Speaker's Quote Book will not only help the pastor prepare a better sermon, and the speaker deliver a better speech, they will add a memorable flair to any message. This newly revised and expanded collection of both contemporary and classic material puts a wealth of illustrations at your fingertips. Everyone who

speaks or preaches needs a ready supply of thought-provoking examples and resources. The Speaker's Quote Book provides the attention-getting stories and the punchy quotations that add depth to any sermon or presentation.

Methodical Bible Study

This study focuses on the creation of intentional boundaries to help First Place members and individuals leap the hurdles of temptation and avoid compromising their commitments to weight loss. (Practical Life)

The Hermeneutics of the Biblical Writers

Are you ready to experience God's best? In *How to Reach Your Full Potential for God*, best-selling author, teacher, and pastor Dr. Charles F. Stanley lays out seven essentials to an abundant life—the life of purpose that God planned specifically for you. "You are not here by accident. You are here to accomplish a job that God assigned to you from eternity past." If you settle for less than God's best in your life, the world will lose your contribution, and you will miss the exhilaration of reaching your full potential. "It is an awesome, eye-opening, and inspiring thing to catch a glimpse of how God is working in your life—weaving together who He made you to be with those things He has prepared you to do and experience." Chapter

by chapter, Dr. Stanley makes the biblical path to fulfilling your God-given potential clear, practical, and inspiring. Follow it to experience the joy, peace, and love that your heavenly Father has waiting for you. Read these pages, embrace these principles, and enjoy every moment of life at its best.

The Exchange

Everyone who studies and teaches the Bible has a responsibility to accurately interpret and communicate God's message. Understanding the principles of sound interpretation, therefore, is of vital importance. Pastors, Bible teachers, and anyone who studies the Scriptures will appreciate the helpful guidance of this collection of scholarship.

7 Steps to Bible Skills

Teaching as Paul Taught

Unfathomable loss. Unmerited suffering. Why is this happening to me? For centuries people have tried to understand the reasons for suffering and grief. When we cannot connect our woes to wrongs we have done, we conclude that our

suffering is undeserved and unfair. Like Job, we struggle to understand our pain. The universality of suffering makes the book of Job appealing, but the treatment of that theme often makes the book difficult to comprehend. Nonetheless, this section of Scripture offers powerful lessons for your life. Dr. Roy Zuck directs his commentary toward the layman. His clear, organized insights can reveal important truths for the struggling Christian. The uncomplicated, outlined content is suitable for both individual and group study. You can learn from Job's suffering--as well as from your own.

Knowing Scripture

Though numerous volumes have been written on human observations about children, very few volumes present God's perspective on them as recorded in the Bible. *Precious in His Sight* fills the gap admirably. Not only is this volume unique, it is also comprehensive. The author covers all of the children in the Bible, intensively studying the biblical text as well as incorporating insights from the best historical works on childhood and child-rearing in ancient times. The author's sensitivity to the cultural and sociological factors impinging on families in biblical times is everywhere apparent. In order to appreciate what the book of Proverbs says about children, for example, one must understand how children were treated and viewed in other cultures during Old Testament times. Everything the Bible says about children applies to contemporary childhood, according to the author. He finds

biblical examples and abundant implications for children's physical, emotional, social, and spiritual development. The principles that can be garnered from this incisive work will help educators and parents in the teaching and training of children today.

How to Reach Your Full Potential for God

Though books on Paul's life and writing abound, very few works have examined the apostle's teaching techniques. In this companion to 'Teaching as Jesus Taught,' Roy Zuck probes Paul's pedagogy to discover principles for effective teaching today. According to Zuck, the apostle Paul stands as a master teacher. "Analyzing and following Paul's educational goals and strategies," Zuck writes, "can help us become better teachers of God's Word. Examining his pedagogy can acquaint us with a number of important principles and procedures in teaching." 'Teaching as Paul Taught' explores the many New Testament references to Paul's teaching as well as the historical and cultural context in which the apostle taught. Zuck carefully organizes this extensive material around fifteen key questions regarding the teaching ministry of Paul. Over twenty tables and questions for reflection at the end of each chapter aid readers in following Paul's example. The result is a comprehensive and practical handbook for everyone involved in a teaching ministry.

Teaching As Jesus Taught

A hermeneutics book for the common person. Readers will appreciate the scholarly, yet readable style of Roy Zuck, former Professor of Bible Exposition at Dallas Theological Seminary.

Selections from the Book of Psalms
