### **Warriors: Hollyleaf's Story**

Warrior. Samurai. Legend. "A readable, compassionate account of an extraordinary life." —The Washington Post The remarkable life of history's first foreign-born samurai, and his astonishing journey from Northeast Africa to the heights of Japanese society. When Yasuke arrived in Japan in the late 1500s, he had already traveled much of the known world. Kidnapped as a child, he had ended up a servant and bodyguard to the head of the Jesuits in Asia, with whom he traversed India and China learning multiple languages as he went. His arrival in Kyoto, however, literally caused a riot. Most Japanese people had never seen an African man before, and many of them saw him as the embodiment of the black-skinned (in local tradition) Buddha. Among those who were drawn to his presence was Lord Nobunaga, head of the most powerful clan in Japan, who made Yasuke a samurai in his court. Soon, he was learning the traditions of Japan's martial arts and ascending the upper echelons of Japanese society. In the four hundred years since, Yasuke has been known in Japan largely as a legendary, perhaps mythical figure. Now African Samurai presents the never-before-told biography of this unique figure of the sixteenth century, one whose travels between countries, cultures and classes offers a new perspective on race in world history and a vivid portrait of life in medieval Japan.

## Warriors Field Guide

Discover the origins of the warrior Clans in this thrilling prequel to Erin Hunter's #1 nationally bestselling Warriors series. The sixth book in the Dawn of the Clans series takes readers back to the earliest days of the Clans, when the cats first settled in the forest and began to forge the warrior code. After moons of strife, the forest cats have settled into five camps. But now the dangerous rogue Slash has kidnapped Clear Sky's mate, Star Flower, and made demands for prey that the cats cannot afford to meet. Desperate to save Star Flower, Clear Sky must convince the other groups—led by Tall Shadow, Wind Runner, Thunder, and River Ripple—to join forces, or their new way of life may not survive. Also includes a sneak peek at the next Warriors series, A Vision of Shadows!

Excerpt: Warriors is a novel series written by Erin Hunter, who is really 4 people: Victoria Holmes, Cherith Baldry, Kate Cary, and Tui Sutherland. The following is a list of cats in "ThunderClan," shown in the allegiances section (character list) of the books. ThunderClan is the "main Clan" of the Warriors series, as all four series' protagonists are ThunderClan cats. During the original series, ThunderClan resides in the forest, sandwiched between RiverClan and ShadowClan on each side. They share very little territory borders with WindClan, and as such, most of the trouble ThunderClan is forced to deal with originates either from RiverClan or ShadowClan. ThunderClan cats are accustomed to stalking through the thick underbrush of the forest, and are the sole users of the "hunter's crouch," a stalking technique used to hunt most forest-born prey. Their main diet includes mice,
