Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.

Consumer Reports

Consumers Index to Product Evaluations and Information Sources, 1994 Annual

Sound & Vision

A new consumer buying guide aids homeowners in difficult purchasing decisions, providing advice, descriptions, and ratings of more than eight hundred brand-name items, including kitchen appliances, tools, remodeling materials, and home electronics, accompanied by tips on how to get the best value for one's money. Original.

TCI

Geologists warned it was inevitable that an earthquake would collapse the Three Gorges Dam. When it finally did, a wall of water six hundred feet high rushed down the Yangtze River, destroying other dams as it went. Fifteen million Chinese died

in the worst natural disaster in human history. This is what people are told. It is a lie. Kimberly Trayne has no time for the past. She's a free woman now. There are family reunions to avoid, realm championships to win, and an AI-human hybrid in her life. Or not. It's complicated. What she needs most of all is a vacation. Kim's heard about those; they sound nice. When Mike mentions he has family--of a sort--in China, she even has a destination. What she doesn't know is that behind the Great Firewall of China there are secrets. Secrets about who lives there. Secrets about who dies. Secrets of power and control. Secrets people will kill to keep. Stuff happens, they say. Even after flying halfway around the world, it still keeps happening to her.

The EBay Price Guide

Down in Atlanta, tempers - and temperatures - are about to flare . . . As a mercenary who cleans up after magic gone wrong, Kate Daniels has seen her share of occupational hazards. Normally, waves of paranormal energy ebb and flow across Atlanta like a tide. But once every seven years, a flare comes, a time when magic runs rampant. Now Kate's going to have to deal with problems on a much bigger scale: a divine one. When Kate sets out to retrieve a set of stolen maps for the Pack, Atlanta's paramilitary clan of shapeshifters, she quickly realises much more is at stake. During a flare, gods and goddesses can manifest - and battle for power. The stolen maps are only the opening gambit in an epic tug-of-war between two gods hoping for rebirth. And if Kate can't stop the cataclysmic showdown, the city may not survive . . .

Asian Hotel & Catering Times

Taking the Enlightenment and the feminist tradition to which it gave rise as its historical and philosophical coordinates, *Feminism and the Politics of Travel After the Enlightenment* explores the coincidence of feminist vindications and travel in the late eighteenth and nineteenth centuries, the way travel's utopian dimension and feminism's utopian ideals have intermittently fed off each other in productive ways. Travel's gender politics is analyzed in the works of J.-J. Rousseau, Mary Wollstonecraft, Stéphanie-Félicité de Genlis, Germaine de Staël, Frances Burney, Flora Tristan, Suzanne Voilquin, Gustave Flaubert, George Sand, Robyn Davidson, and Sara Wheeler.

Notes

Pakistani Assistance For The Anti-Government Of India Activities Was Not Due To Only Its Revanchist Spirit Following Its Loss Of East Pakistan But For Keeping Its military Preoccupied With Internal Security Duties Thereby Trying To Neutralize The Superiority Of The Indian Armed Forces. Such A Policy Could Ultimately Weaken The Unity Of India Just As The Bleeding Of Soviet Troops In Afghanistan Contributed To The Break-Up Of Ussr. Terrorism Is An Absolute Evil And Has To Be Treated As Such.
