of the cruise industry" rates more than 256 major and minor ships cruising the world's oceans and waterways. Dramatically new and improved, the 2006 edition boasts exciting new features: compelling full-photography, colorful maps depicting principal cruise destinations, feature articles on new trends in the industry, and a comprehensive assessment of the Queen Mary 2. First-time cruise-goers, experienced passengers, and travel professionals alike will all find this an invaluable guide. Author Douglas Ward is considered one of the world's foremost authorities on cruising and has logged nearly 5,000 days at sea in his 38 years of experience.

Shayla, Jason, Sophia, Taylor, Ed and Jarvis: six vibrant, hard-working, diverse and loyal colleagues, along with Devlin, the boss straight from great-leader heaven, they have bonded over nearly a decade into 'family'. Using their collective intelligence and wit, they have worked heart and soul to build Pure Waters, Inc. (PWI) from an afterthought into America's premiere water/waste water treatment company. As

fate would have it, “no good deed goes unpunished”. Without their knowledge and certainly without their consent, their profitable, warm-spirited company is sold to a foreign corporation. The new, multi-billion dollar owners are known worldwide for their vicious, ruthless leadership. They ignore policies, procedures, political correctness, any form of decency and federal laws as they trample on the hearts and spirits of these newly conquered employees. Soon, without warning or apology, the escalating, intolerable mistreatment will be stopped, forever, by one of them, in a carefully executed act deemed “terroristic”. Embittered Marcus Mason, the government agent assigned to uncover the doer, tears into their backgrounds, revealing shocking hurts and acts none of them knew about each other, including assault, arson, rape and death. He leaves the six corporate PWI executives further in shards. A blazing, searing love affair, hidden for as long as company policy could be endured is tested to the limit as the explosive investigation concludes. Join these battered but determined American employees, as collective breaths are held, to see if they and their company will ever recover from the assault and battery they valiantly revolt against.

Stereo Review

A mirthful and merciless skewering of the Trump administration from the senior statesman of political cartooning, Garry Trudeau. From the Pulitzer Prize-winning cartoonist whose acclaimed *Yuge!: 30 Years of Doonesbury on Trump* blew up the bestseller list, G.B. Trudeau's third (and final?) collection of Doonesbury Trump cartoons takes readers through the dark heart of Trump's presidency and into 2020 election mania. Including two years' worth of original Doonesbury Sundays, full-color spreads, and 18 previously unpublished strips, the completion of Trudeau's Trump trilogy arrives just as the 2020 election is in full swing.
