John becomes the central character of the novel because, rejected both by the "savage" Indian culture and the "civilized" World State culture, he is the ultimate

outsider. As an outsider, John takes his values from a more than 900-year-old author, William Shakespeare. John's extensive knowledge of Shakespeare's works serves him in several important ways: it enables him to verbalize his own complex emotions and reactions, it provides him with a framework from which to criticize
