edition incorporates all the changes made to the CAE examination (1999 and 2000), offering practice in the new exam formats. In addition to these changes, numerous revisions have been made to ensure that these tests accurately reflect the current exam. (The authors are closely involved with the CAE and as such have in-depth knowledge of all the papers. (Each of the texts in Papers 1 and 3 comes from a different source, giving students experience in dealing with a wide variety of reading material. (Photocopiable answer sheets enable students to practise transferring their answers from the test paper, reducing the risk of making mistakes under pressure in the actual exam. (Genuine examination conditions are simulated for Paper 4 Listening through the inclusion of instructions, pauses and repeats on the cassettes. (Full colour photographs and illustrations are included for Paper 5 Speaking. (All five tests have been piloted with groups of students preparing for the CAE. The With Answers edition contains information on marking and sample student answers to the Paper 2 Part 1 writing tasks, in addition to a full key and scripts of the recorded material.

Ready for CAE

The Cambridge CAE Course Self-Study Student's Book

This book offers a comprehensive overview of current, innovative approaches to assessing generic and domain-specific learning outcomes in higher education at both national and international levels. It discusses the most significant initiatives over the past decade to develop objective, valid, and reliable assessment tools and presents state-of-the-art procedures to adapt and validate them for use in other countries. The authors highlight key conceptual and methodological challenges connected with intra-national and cross-national assessment of learning outcomes in higher education; introduce novel approaches to improving assessment, evaluation, testing, and measurement practices; and offer exemplary implementation frameworks. Further, they examine the results of and lessons learned from various recent, world-renowned research programs and feasibility studies, and present results from their own studies to provide new insights into how to draw
