Broadcast Announcing Worktext
Meeting Your Half-Orange

The End of White Politics

The Broadcast Announcing Worktext provides you with the skills, techniques, and procedures necessary to enter this highly competitive field of broadcast performance. In addition to the principles of good performance, this book addresses the importance of audience and how to communicate effectively to various groups. Television and radio studio environments, announcer specializations and responsibilities, and developing a broadcast delivery style are just a few of the many topics covered. Factual information is presented in brief, easy-to-digest modules and is enhanced with self-study questions and projects. The self-study provides an immediate check on what you learn, and the projects allow for a practical hands-on application of key concepts in the material. The worktext format, with many real-life examples, combines both traditional teaching and practical experience. A companion CD illustrates techniques and concepts in each chapter with audio and visual examples. This third edition will give you knowledge of other non-traditional forms of announcing, such as online radio announcing, podcast announcing, and other forms of online announcing, such as online shows, clips, and news. * New coverage of internet radio announcing techniques and other forms of distribution gives the readers a broader view of broadcast outlets * Presented in brief, easy-to-digest modules with self-study questions and projects that encourage active participation * CD with samples of broadcast and radio performances for enhanced learning

Your Blue Flame

The march to the Trump presidency began in 1988, when Rush Limbaugh went national. Brian Rosenwald charts the transformation of AM radio entertainers into political kingmakers. By giving voice to the conservative base, they reshaped the Republican Party and fostered demand for a president who sounded as combative and hyperbolic as a talk show host.

The Hidden Brain

Dr. David Satcher is one of the most widely known and well-regarded physicians of our time. A former four-star admiral in the US Public Health Service Commissioned Corps, he served as the Assistant Secretary for Health, the Surgeon General of the United States, and the Director of the Centers for Disease Control and Prevention before founding the eponymous Satcher Health Leadership Institute at Morehouse College. At the core of his impact on public health, he is also a lifelong leader for civil rights and health equity. Born black and poor in the deep South, Dr. Satcher was a victim of an unjust health care system: he almost died of whooping cough at the age of two because Jim Crow laws meant that his black doctor could not admit him to a hospital. That experience was the first of many that shaped him as a leader and a healer deeply attuned to social inequity—someone who was determined to make a positive difference. In *My Quest for Health Equity*, Dr. Satcher takes an inspiring and instructive look inside his own fifty-year career to shed light on the challenge and burden of leadership. Explaining that he has thought of each leadership role—whether in academia, community, or government—as an opportunity to move the needle toward health equity, he shares the hard-won lessons he has learned over a lifetime in the medical field. Drawing on his early memories, medical school days, experience in the civil rights movement, and professional highs and lows, Dr. Satcher touches on a number of topics, including • the essential qualities of leadership • leading from science to policy to practice • the importance of clear communication and continual learning • the need for workplace discipline • confronting failure • specific health issues, including the obesity epidemic, reproductive health, and mental health stigma • team approaches to leadership • and much more In this book, readers will discover a template for using leadership roles of all types to eliminate health disparities. *My Quest for Health Equity* is a vital resource for current and rising leaders.

The Truth about Money

The author presents his provocative and controversial views on life, love, politics, celebrities, sexual obsessions, and other topics

Miss America

NEW YORK TIMES BESTSELLER Executive producer and host Mike Rowe presents a delightfully entertaining, seriously fascinating collection of his favorite episodes from America's #1 short-form podcast, *The Way I Heard It*, along with a host of personal memories, ruminations, and insights. It's a captivating must-read. *The Way I Heard It* presents thirty-five mysteries "for the curious mind with a short attention span." Every one is a trueish tale about someone you know, filled with facts that you don't. Movie stars, presidents, bloody do-gooders, and villains—they're all here, waiting to shake your hand, hoping you'll remember them. Delivered with Mike's signature blend of charm, wit, and ingenuity, their stories are part of a larger mosaic—a memoir full of surprising revelations, sharp observations, and intimate, behind-the-scenes moments drawn from Mike's own remarkable life and career.

Super Body, Super Brain

A legendary record producer and performer takes readers on an alphabetical journey of insights into the music of the Beatles and individual reminiscences of John, Paul, George, and Ringo. Peter Asher met the Beatles in the spring of 1963, the start of a lifelong association with the band and its members. He had a front-row seat as they elevated pop music into an art form, and he was present at the creation of some of the most iconic music of our times. Asher is also a talented musician in his own right, with a great ear for what was new and fresh. Once, when Paul McCartney wrote a song that John Lennon didn't think was right for the Beatles, Asher asked if he could record it. "A World Without Love" became a global No. 1 hit for his duo, Peter & Gordon. A few years later Asher was asked by Paul McCartney to help start Apple Records; the first artist Asher discovered and signed up was a young American singer-songwriter named James Taylor. Before long he would be not only managing and producing Taylor but also (having left Apple and moved to Los Angeles) working with Linda Ronstadt, Neil Diamond, Robin Williams, Joni Mitchell, and Cher, among others. The Beatles from A to Zed grows out of his popular radio program "From Me to You" on SiriusXM's The Beatles Channel, where he shares memories and insights about the Fab Four and their music. Here he weaves his reflections into a whimsical alphabetical journey that focuses not only on songs whose titles start with each letter, but also on recurrent themes in the Beatles' music, the instruments they played, the innovations they pioneered, the artists who influenced them, the key people in their lives, and the cultural events of the time. Few can match Peter Asher for his fresh and personal perspective on the Beatles. And no one is a more congenial and entertaining guide to their music.

The Ballad of Tommy LiPuma

How would you like to have a wonderfully well-suited, kind, adoring half-orange who feels like a teammate, a partner in crime, a true other half? "Half-Orange" refers to the Spanish term *mi media naranja*, which describes one's sweetheart, that perfect other half. What if you heard he or she would be coming along soon? Would you be relieved? Excited? Happy? Well those are the feelings that dating optimism can give you. Rather than admonishing readers to make themselves more available, or turn dating into a full-time job, Spencer's program of dating optimism is a fun, results-oriented way to find a healthy happy relationship, based on brain science and psychology that can help you become a more positive dater. She'll guide you through sowing the orange seed of your ideal relationship and growing it to "fruit-ion." In essence, by focusing positively about dating, you can actually change your brain, which changes everything from your body language to the way you perceive others and what you ultimately attract. Meeting Your Half-Orange is the pep talk that puts finding true love back into your own hands. It will guide you toward becoming so focused on the relationship you want and so happy in your own skin, the right person will be naturally drawn straight to you. You've never read a dating guide like this before. But best of all, it will be the last one you'll ever need.

The Drunk Diet

NOW A HIT TV SERIES Meet Dot in this debut picture book by CEO and founder of Zuckerberg Media, editor-in-chief of Dot Complicated, and former Marketing Director of Facebook, Randi Zuckerberg! Dot's a spunky little girl well versed in

electronic devices—she’s a technophile. She knows how to tap . . . to swipe . . . to share . . . and she pays little attention to anything else. Dot's tech-savvy expertise, mingled with her resourceful imagination, proves Dot knows lots and lots. But will she be able to unplug for one second to tap...swipe...and share with her real-life friends? Find out in this wonderful story about the day when Dot sets off on an interactive adventure with the world surrounding her.

The Big Miss

A step-by-step guide to every American’s most fundamental right and civic duty—just in time for the 2020 presidential election. Nothing is more important to the health of a democracy than the right to vote. Yet less than half of eligible voters routinely show up to the polls. Part of the problem is that the basics of the process we use to choose our elected leaders remain shrouded in mystery for many Americans. In *What You Need to Know About Voting—and Why*, law professor and constitutional scholar Kimberly Wehle unravels that mystery, offering practical, useful advice on the mechanics of voting and an enlightening survey of its history and future. What is a primary? How does the electoral college work? Who gets to cast a ballot and why? Wehle answers these questions and more in a clear, engaging, and conversational tone. From where and how to register in the various states to how to change your registration when you move, this indispensable book outlines the necessary steps to take to become an active participant in the electoral process. For new voters, would-be voters, young people looking ahead to the next election, and those seeking citizenship, *What You Need to Know About Voting—and Why* is a timely and informative guide, providing the background you need in order to make informed choices that will shape our shared destiny for decades to come.

The Way I Heard It

A definitive deep-dive into queer history and culture with hit reality show RuPaul's Drag Race as a touchstone, by the creators of the pop culture blog Tom and Lorenzo From the singular voices behind Tom and Lorenzo comes the ultimate guide to all-things RuPaul's Drag Race and its influence on modern LGBTQ culture. *Legendary Children* centers itself around the idea that not only is RuPaul's Drag Race the queerest show in the history of television, but that RuPaul and company devised a show that serves as an actual museum of queer cultural and social history, drawing on queer traditions and the work of legendary figures going back nearly a century. In doing so, Drag Race became not only a repository of queer history and culture, but also an examination and illustration of queer life in the modern age. It is a snapshot of how LGBTQ folks live, struggle, work, and reach out to one another--and how they always have--and every bit of it is tied directly to Drag Race. Each chapter is an examination of a specific aspect of the show--the Werk Room, the Library, the Pit Crew, the runway, the Untucked lounge, the Snatch Game--that ties to a specific aspect of queer cultural history and/or the work of certain legendary figures in queer cultural history.

The Twelve Tribes of Hattie (Oprah's Book Club 2.0 Digital Edition)

A mentally ill woman is accused of killing her mother in this classic Mike Shayne novel from the legendary detective author. Mike Shayne has just poured himself a drink when Phyllis Brighton tries to throw herself out the window of his downtown apartment. Luckily, he blocks her just before she can launch herself over the sill. She tried to warn him she was crazy, but he didn't listen. Her doctor and her new stepfather, on the other hand, both believe Phyllis is suffering from a kind of Electra complex—a fixation with her mother that is so intense that Phyllis would rather kill her than share her with anyone else. Shayne agrees to do whatever he can to keep Phyllis from killing her mother, but that doesn't ensure that the woman will live. When Mrs. Brighton is found with a knife buried in her back, all signs point to the Phyllis's guilt. But this hard-boiled private investigator didn't stop someone from jumping out a window just to send her to the electric chair. And it doesn't take a degree in psychology to find a killer—it takes brains, eyes, and two strong fists. Mike Shayne is just the man for the job. *Dividend on Death* is the 1st book in the Mike Shayne Mysteries, but you may enjoy reading the series in any order.

My Home, My Money Pit

With his trademark Rock 'N Roll hair and snakeskin spandex pants, plus a hot rod and a Harley, Lüc Carl fit the part as a bar manager based in New York City's gritty Lower East Side. And life was good for this Omaha, Nebraska, transplant—a talented drummer who originally moved to the big city to pursue his Rock 'N Roll dreams—until, suddenly, it wasn't. Fast forward through seven years of working long hours, bingeing on late-night Chinese food, and drinking excessively; life had found Lüc forty pounds overweight and completely out of shape. But when he turned to the "experts" for advice—reading countless fitness and weight-loss books in the process—he discovered that they all made the same claim: "You can't drink alcohol if you want to lose weight." Lüc decided to take matters into his own hands to transform his body and his life his way—a sort of "f*ck you" to all those so-called experts. Full of charismatic wit and raucous stories about his life, *The Drunk Diet* will inspire and challenge you to become fitter, healthier, and happier. Lüc's fitness philosophy isn't about following a list of rigid rules or traditional "do this, not that" charts, but gaining a better understanding of how the body works and discovering what you're personally willing to change about your lifestyle in order to reach your goals. For him, that meant trading in the crap he was eating for unprocessed, natural foods and embracing a newfound love for exercise, but never sacrificing his social life (or his love for cold beer). This is the story of how one chain-smoking, cheeseburger-eating, hard-partying Rock 'N Roller—a self-proclaimed "out-of-shape, bloated asshole"—grew into an avid runner and cyclist and, ultimately, a happier version of himself. He will be the first to tell you: If he could do it, so can you.

Why Do Men Have Nipples?

X Games skateboarder, pro mixed martial arts fighter, and outspoken SiriusXM satellite radio host Jason Ellis shares his jaw-dropping and inspirational life story, from the depths of addiction to the glory of victory to the joys and ordeals of fatherhood. Fans of *The Jason Ellis Show* and the MMA-meets-music festival "Ellismania" know Ellis as a fearless daredevil—and as the new voice of action sports in America. Now, fans can learn how he got to be the man he is: the

struggles, the setbacks, and the fight he put up to make it through to something better. Fans of Griffin Forrest's Got Fight and Tony Hawk's Hawk won't want to miss this unbelievable tell-all from a larger-than-life icon, and a fighter through and through.

The Wizenard Series: Training Camp

In this REMIX of the 2011 Edition, New York Times Bestselling Author Dr. Lajoyce Brookshire presents a step-by-step full-body Detox in 7 easy steps with food and product suggestions. Dr. Brookshire defines a Detox as short-term intervention designed to eliminate toxins from the body to promote health by creating the perfect conditions within to support the body do its job. So if you constantly feel fatigued, experience frequent headaches, have lack of mental clarity, seasonal allergies, packing on excess pounds, and have sluggish eliminations then it is time to tune-up by initiating a Detox.

Marvel Comics #1000

Ask The Good Doctor

The Big Miss is Hank Haney's candid and surprisingly insightful account of his tumultuous six-year journey with Tiger Woods, during which the supremely gifted golfer collected six major championships and rewrote golf history. Hank was one of the very few people allowed behind the curtain. He was with Tiger 110 days a year, spoke to him over 200 days a year, and stayed at his home up to 30 days a year, observing him in nearly every circumstance: at tournaments, on the practice range, over meals, with his wife, Elin, and relaxing with friends. The relationship between the two men began in March 2004 when Hank received a call from Tiger in which the golf champion asked him to be his coach. It was a call that would change both men's lives. Tiger—only 28 at the time—was by then already an icon, judged by the sporting press as not only one of the best golfers ever, but possibly the best athlete ever. Already he was among the world's highest paid celebrities. There was an air of mystery surrounding him, an aura of invincibility. Unique among athletes, Tiger seemed to be able to shrug off any level of pressure and find a way to win. But Tiger was always looking to improve, and he wanted Hank's help. What Hank soon came to appreciate was that Tiger was one of the most complicated individuals he'd ever met, let alone coached. Although Hank had worked with hundreds of elite golfers and was not easily impressed, there were days watching Tiger on the range when Hank couldn't believe what he was witnessing. On those days, it was impossible to imagine another human playing golf so perfectly. And yet Tiger is human—and Hank's expert eye was adept at spotting where Tiger's perfection ended and an opportunity for improvement existed. Always haunting Tiger was his fear of "the big miss"—the wildly inaccurate golf shot that can ruin an otherwise solid round—and it was because that type of blunder was sometimes part of Tiger's game that Hank carefully redesigned his swing mechanics. Hank's most formidable coaching challenge, though, would be solving the riddle of Tiger's personality. Wary of the emotional distractions that might diminish his game and put him further from his goals, Tiger had developed a

variety of tactics to keep people from getting too close, and not even Hank—or Tiger’s family and friends, for that matter—was spared “the treatment.” Toward the end of Tiger and Hank’s time together, the champion’s laser-like focus began to blur and he became less willing to put in punishing hours practicing—a disappointment to Hank, who saw in Tiger’s behavior signs that his pupil had developed a conflicted relationship with the game. Hints that Tiger hungered to reinvent himself were present in his bizarre infatuation with elite military training, and—in a development Hank didn’t see coming—in the scandal that would make headlines in late 2009. It all added up to a big miss that Hank, try as he might, couldn’t save Tiger from. There’s never been a book about Tiger Woods that is as intimate and revealing—or one so wise about what it takes to coach a superstar athlete.

Aesthetic Intelligence

As entertaining as it is educational, *Radio: The Book* is a must-have guide to success for anyone interested in a career in radio. Providing a wealth of information and relating his own personal experiences, veteran radio personality, Program Director and Programming Consultant Steve Warren shares trade secrets and industry know-how that would usually take years to accumulate through experience. An invaluable advantage over your competition, this "cheat-sheet" for the radio programmer includes practical advice regarding:

- Radio as a career--from tips on getting started to job negotiations
- Programming--talk radio and music, from format science to picking the hits
- Relationships with listeners--everything from staying in touch with your audience to public image
- Branding, marketing, and advertising the radio station
- Research--music tests, audience analysis, ratings, and more
- Practical information about management policies
- Radio realities--information on rules and regulations

This latest edition has been updated to include:

- Important updates on an ever-evolving field
- Essential forms for radio station functions--production orders, personnel files, absentee reports, PSA schedules, format clocks, remote schedule, and more.

to be accompanied by an on-line section of electronic forms for convenience

- Ideas for successfully programming in new radio formats like satellite, internet, and cable

In such a competitive industry where formal training can be hard to come by, *Radio: The Book, 4e*, is a short-cut to the fast track for current and future programmers and program directors. With an active radio broadcast career that is still exploring new ideas following more than forty years at some of America's most prestigious radio stations (including WNBC, WHN, WNEW, and CBS radio), Steve Warren is more than qualified to mentor readers. Steve has competed successfully in all music formats from Easy Listening to Country to Top 40 to Oldies, always putting the listener first and now, putting you first.

The Beatles from A to Zed

"It's not surprising that sooner or later I'd dive down the proverbial rabbit hole into the world of vintage bass guitars."—Geddy Lee From Rush frontman Geddy Lee's personal collection of vintage electric bass guitars, dating from the 1950s to the 1980s, comes the definitive volume on the subject. Geddy's love of the bass has been nurtured over a lifetime spent in the limelight as one of the world's premier rock bassists. For the past seven years, he's dedicated himself to studying the history of the instrument that's been so essential to his career, collecting hundreds of basses from around the globe. Written with arts journalist Daniel Richler, gorgeously photographed in breathtaking detail by Richard Sibbald, and with insight from Geddy's trusted bass tech and curator, John "Skully" McIntosh, Geddy Lee's Big Beautiful Book of Bass profiles over 250 classic basses from Geddy's extensive collection. Representing every tone in the bass palette, every nuance of the rock and roll genre as well as blues, jazz, pop, and country, this one-of-a-kind collection features so-called "beauty queens"—pristine instruments never lifted from their cases—as well as "road warriors"—well-worn, sweat-soaked basses that proudly show their age and use. Complete with personal commentary from Geddy that showcases his knowledge both as a musician and an aficionado, this luxuriously produced volume is a revelatory look at the heavy hitters in the world of bass—Fender, Gibson/Epiphone, Rickenbacker, Höfner, Ampeg—and lesser known but influential global luthiers such as Antonio Wandr Pioli, Dan Armstrong, and Tony Zemaitis. The book also features interviews with John Paul Jones (Led Zeppelin); Adam Clayton (U2); Robert Trujillo (Metallica); Jeff Tweedy (Wilco); Bill Wyman (The Rolling Stones); Les Claypool (Primus); Bob Daisley (Rainbow); Fender expert and owner of the legendary Gibson Explorer, Bass Ken Collins; veteran guitar tech for The Who, Alan Rogan; plus comments from many other great players across three decades of rock and roll. Written in Geddy's singular voice, this book reveals the stories, songs, and history behind the instruments of his inimitable collection. Complete with an index and a graphically designed timeline of the history of the bass, as well as an up-close look at Geddy's basses on Rush's final R40 Tour, his stage and recording gear from 1968 to 2017, and forewords by author and respected vintage expert, Terry Foster, and Rush band member, Alex Lifeson, Geddy Lee's Big Beautiful Book of Bass is the ultimate compendium for the consummate collector, musician, Rush fan, and anyone who loves the bass guitar.

Bevelations

#1 New York Times Bestseller From the mind of basketball legend and Academy Award-winning storyteller Kobe Bryant comes this radically original portrait of five young basketball players, one enlightening coach, and the awesome transformative power of the game. Filled with insights about the mental stamina and emotional clarity that peak performance requires, this is an indispensable story for young athletes, coaches, educators, and anyone interested in the

astounding potential of team sports to unlock individual growth. **THE GAME WILL NEVER BE THE SAME** Magic doesn't seem possible for the West Bottom Badgers. They're the lowest-ranked basketball team in their league, and they live in the poorest neighborhood in Dren. Nobody expects them to succeed at anything. Plus, every kid on the team has secret struggles of his own. When a new coach named Professor Wizenard arrives on the first day of training camp, the Badgers can't explain the magical-seeming things they see and hear. Every player experiences unique and strange visions—visions that challenge everything they thought they knew about basketball, and about their lives and their secrets off the court. To survive the increasingly intense ordeals of training, the Badgers will need to take unimaginable risks, learn to trust their teammates, and confront the darkness within themselves.

Written in My Soul

With her trademark humour, Fran tells of her indefatigable search for answers and the cancer diagnosis that she ultimately beat. But not before a goldmine of humorous insights were revealed to her about what really matters most in life.

Talk Radio's America

Longtime leader in the luxury goods sector and former Chairman of LVMH Moët Hennessy Louis Vuitton North America reinvents the art and science of brand-building under the rubric of Aesthetic Intelligence. In a world in which people have cheap and easy access to most goods and services, yet crave richer and more meaningful experiences, aesthetics has become a key differentiator for most companies and a critical factor of their success and even their survival. In this groundbreaking book, Pauline Brown, a former leader of the world's top luxury goods company and a pioneer in identifying the role of aesthetics in business, shows executives, entrepreneurs, and other professionals how to harness the power of the senses to create products, services, and experiences that stand out, resonate with their customers, and create long-term value for their businesses. The power is rooted in Aesthetic Intelligence—or “the other AI,” as Brown refers to it. Aesthetic Intelligence can be learned. Indeed, people are born with far more capacity than they use, but even those that are naturally gifted must continue to refine their skills, lest their aesthetic advantage atrophy. Through a combination of storytelling and practical advice, the author shows how aesthetic intelligence creates business value and how executives, entrepreneurs and others can boost their own AI and successfully apply it to business. Brown offers research, strategies and practical exercises focused on four essential AI skills. Aesthetic Intelligence provides a crucial roadmap to help business leaders build their businesses in their own authentic and distinctive way. Aesthetic Intelligence is about creating delight, lifting the human spirit, and rousing the imagination through sensorial experiences.

The Ultimate Fly-Fishing Guide to the Smoky Mountains

This book narrates Natwar Gandhi's journey from a primitive Indian town to Mumbai and then, through hard work, determination and good luck, to New York. "Still the Promised Land" provides an uplifting message for present-day America,

where immigrants are often reviled and immigration is viewed as bad for the country.

Elbow Grease: Fast Friends

Setting the record straight on folk remedies, traditional cures, and medical myths, an entertaining but informative medical reference furnishes informative answers to such questions as Do microwaves cause cancer?, Is sperm nutritious?, Is it bad to crack your knuckles?, and more. Original. 35,000 first printing.

Punk Rock Blitzkrieg

Explaining difficult concepts in plain English with a breezy style, this third edition has new material covering new tax laws, retirement savings strategies, a chapter on identity theft, and question-and-answer sidebars.

Legendary Children

“Like the A-10 aircraft she flew in combat, retired colonel and fighter pilot Martha McSally is a gritty individual who loves our Air Force and personified its core values of excellence, integrity, and service before self, while standing up to make it a better institution for everyone who serves. How to be resolute, do the right thing, persevere, find gratitude, and learn compassion are just some of the lessons in her inspirational life story.” —Ron FOGLEMAN, General (ret.), U.S. Air Force; former Air Force Chief of Staff Combining the soulful honesty of *Make Your Bed* with the inspiring power of *You Are a Badass*, America’s first female combat jet pilot and Arizona Senator Martha McSally shows you how to clear the runway of your life: embrace fear, transform doubt, succeed when you are expected to fail, and soar to great heights in this motivational life guide. Martha McSally is an extraordinary achiever whose inner strength and personal principles have helped her overcome adversity throughout her life. Initially rejected from Air Force flight school because she was too short, she refused to give up, becoming the first female fighter pilot to fly in combat and the first to command a combat fighter squadron in United States history. During her twenty-six-year military career, she fought to free American servicewomen stationed in the Middle East from restrictions requiring them to don full-body, black abayas and ride in the backs of cars – and won. McSally has continued to serve America, first in the House of Representatives, and now as a U.S. Senator from Arizona. McSally is also a survivor. She shares how her experiences propelled her to become a fighter for justice in and out of the cockpit. In this powerful, uplifting book, McSally reflects on her successes and failures, shares key principles that have guided her, and reveals invaluable lessons to break barriers, thrive through darkness, and make someone proud in your life. “Courage isn’t magic or genetics. It is a choice. By choosing to do things afraid, you discover your own power to overcome.” Filled with fresh stories and insights, *Dare to Fly* will help each of us find the courage inside to break our barriers, endure turbulence, and keep flying high.

What You Need to Know About Voting--and Why

The hidden brain is the voice in our ear when we make the most important decisions in our lives—but we're never aware of it. The hidden brain decides whom we fall in love with and whom we hate. It tells us to vote for the white candidate and convict the dark-skinned defendant, to hire the thin woman but pay her less than the man doing the same job. It can direct us to safety when disaster strikes and move us to extraordinary acts of altruism. But it can also be manipulated to turn an ordinary person into a suicide terrorist or a group of bystanders into a mob. In a series of compulsively readable narratives, Shankar Vedantam journeys through the latest discoveries in neuroscience, psychology, and behavioral science to uncover the darkest corner of our minds and its decisive impact on the choices we make as individuals and as a society. Filled with fascinating characters, dramatic storytelling, and cutting-edge science, this is an engrossing exploration of the secrets our brains keep from us—and how they are revealed.

Still the Promised Land

Tommy LiPuma was one of America's most influential record producers, whose work with icons like Miles Davis, Barbra Streisand, and Willie Nelson has sold 75 million records, with five trips up the Grammy red carpet. It's a real-life Horatio Alger adventure, with bootleggers, gangsters, artists, and hipsters. [38 photos, discography, and index]

Momstrology

THE MONEY PIT®, hosted by Tom Kraeutler and Leslie Segrete, is a syndicated home improvement call-in radio program that airs every weekend all over North America on more than 200 stations, as well as on XM Satellite Radio. Tom and Leslie give homeowners like you real information on how to get things done the right way by alerting you to what you need to know before you start a project. Room by room, Tom and Leslie share their extensive experience in home improvement, decorating, and remodeling in kitchens, bathrooms, bedrooms, family spaces, basements, and laundry rooms. They tell you secrets about lowering your energy bills. They've got great ideas about curb appeal and making exterior maintenance easier. And they give the best counsel anywhere on home safety and security, insurance, and preparing your home for sale. Before you start your next project, get advice from Tom and Leslie.

Cancer Schmancer

Break out of that rut and fall in love with your life again by joining stand-up comic, SiriusXM host, and mom of six Jennifer Fulwiler in finding your blue flame. Every one of us has a blue flame--a special skill, a personal passion, a gift or talent. But when caught up in life's busyness, it's too easy to make a habit of suppressing our most joyful contributions to the world. As Jennifer learned, the secret to a life you love isn't necessarily jumping the track, quitting your job, or hustling to make your dream your full-time reality. Rather, it's about doing more of what makes you come alive in your actual life. Your Blue Flame is your upbeat playbook to rekindling your energy, sparking those meaningful "first loves" back to life again, and discovering the unique way each one of us can make the world a better, brighter place. With Jennifer's wit and straight-forward, practical insights, this helpful guide will show you: How to channel your blue flame's contagious energy Why your blue flame is both personally fulfilling and a sacred duty to others Tips and tricks to boldly make time for your passions How to rethink dreaming big for your actual life No matter where you are in life, you'll be inspired with stories of others who found their flames, like the couple who packed up their three kids and moved to a farm, the woman who discovered a passion for letter-writing at age ninety-five, and of course Jennifer's own story of self-producing her own stand-up comedy tour after being turned down by the entertainment industry establishment. It's been said that the glory of God is the soul fully alive. It's time to start chasing our spark, and Your Blue Flame will show you how.

Geddy Lee's Big Beautiful Book of Bass

"The first book to chronicle a unique subterranean culture in Los Angeles: the gate-crashers who routinely infiltrate Tinseltown's celebrity party circuit"--

My Quest for Health Equity

The "entertaining and enlightening" (Stephen King) final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted "Marky Ramone" by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his "blitzkrieg" style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction) endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric

ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee's, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film *Rock 'N' Roll High School* to "I Wanna Be Sedated" to Marky's own struggles, *Punk Rock Blitzkrieg* is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

Boston Blackie

There's a new truck on the block in John Cena's third picture book in the #1 New York Times bestselling *Elbow Grease* series, featuring the truck who never gives up! *Elbow Grease* and his monster truck brothers are hardly prepared when they meet Chopper, a speedy, purple monster motorcycle. Chopper wants to be friends with the brothers, who are more than impressed with her epic skills! But when the trucks start to get jealous of her talents, they must learn to overcome their frustrations and welcome a new friend into the group--especially when it's up to them to work together to save the day! *Elbow Grease* and gang are back in another rip-roaring adventure, in John Cena's third installment in the series!

Radio: The Book

The newest Oprah's Book Club 2.0 selection: this special eBook edition of *The Twelve Tribes of Hattie* by Ayana Mathis features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. The arrival of a major new voice in contemporary fiction. A debut of extraordinary distinction: Ayana Mathis tells the story of the children of the Great Migration through the trials of one unforgettable family. In 1923, fifteen-year-old Hattie Shepherd flees Georgia and settles in Philadelphia, hoping for a chance at a better life. Instead, she marries a man who will bring her nothing but disappointment and watches helplessly as her firstborn twins succumb to an illness a few pennies could have prevented. Hattie gives birth to nine more children whom she raises with grit and mettle and not an ounce of the tenderness they crave. She vows to prepare them for the calamitous difficulty they are sure to face in their later lives, to meet a world that will not love them, a world that will not be kind. Captured here in twelve luminous narrative threads, their lives tell the story of a mother's monumental courage and the journey of a nation. Beautiful and devastating, Ayana Mathis's *The Twelve Tribes of Hattie* is wondrous from first to last—glorious, harrowing, unexpectedly uplifting, and blazing with life. An emotionally transfixing page-turner, a searing portrait of striving in the face of insurmountable adversity, an indelible encounter with the resilience of the human spirit and the driving force of the American dream.

I'm Awesome

The *Ultimate Fly-Fishing Guide to the Smoky Mountains* does more than any other book in print to bring success to a fishing trip. This newly updated landmark volume is an essential guide for anyone planning to fish the rivers, streams, and

lakes in the Smokies these fisheries are some of the greatest in the nation. For successful fly-fishing, this guide is as important as the right tackle. The first half of this guide offers advice and history. The second half examines each of the 13 watersheds found within the park. Don Kirk and Greg Ward provide information about trail access, fishing pressure and quality, species, fly hatch information, and campsite availability.

Uninvited

Sharpen your mind and get in shape at the same time, with an innovative new workout stimulating multiple areas of the brain as it strengthens and tones the entire body. Acclaimed sports trainer Michael Gonzalez-Wallace (O magazine's "go-to guy" for anything about the body) shows readers a daily ten-minute workout that optimizes muscle power while boosting brain activity—training the brain by training the body.

Dare to Fly

In the entire history of the United States of America, we've never elected a woman as our president. And we've only had one president who was not a white man. After working on two presidential campaigns (for Barack Obama and Hillary Clinton), MSNBC political analyst and SiriusXM host Zerlina Maxwell gained first-hand knowledge of everything liberals have been doing right over the past few elections-and everything they are still doing wrong. Ultimately, these errors worked in President Donald Trump's favor in 2016; he effectively ran a campaign on white identity politics, successfully tapping into white male angst and resistance. In 2020, after the Democratic Party's most historically diverse pool of presidential candidates finally dwindled down to Joe Biden, once again an older white man, Maxwell has posed the ultimate question: what now, liberals? Fueled by Maxwell's trademark wit and candor, *The End of White Politics* dismantles the past and present problems of the Left, challenging everyone from scrappy, young "Bernie Bros" to seasoned power players in the "Billionaire Boys' Club." No topic is taboo; whether tackling the white privilege that enabled Mayor Pete Buttigieg's presidential run, the controversial #HashtagActivism of the Millennial generation, the massive individual donations that sway politicians toward maintaining the status quo of income inequality, or the lingering racism that debilitated some Democratic presidential contenders and cut their promising campaigns short, Maxwell pulls no punches in her fierce critique. However, underlying all of these individual issues, Maxwell argues that it's the "liberal-minded" party's struggle to engage women and communities of color-and its preoccupation with catering to the white, male working class-that threatens to be its most lethal shortfall. The times-and the demographics-are changing, and in order for progressive politics to prevail, we must acknowledge our shortcomings, take ownership of our flaws, and do everything in our power to level the playing field for all Americans. *The End of White Politics* shows exactly how and why progressives can lean into identity politics, empowering marginalized groups, and uniting under a common vision that will benefit us all.

Broadcast Announcing Worktext

Kids DO come with an instruction manual—their astrological chart. Momstrology is the complete guide to understanding how both you and your little one are guided by the stars, and how your charts play a factor in how you relate to each other. Identical twin sisters Ophira and Tali Edut, professional astrologers known as the Astrotwins, offer a modern look at astrology and parenting, and combine the two into a guide to understanding yourself, your parenting strengths and weaknesses, your little one's personality, and how you and your child can best relate to each other. Thoughtful, informative and fun, Momstrology covers every possible mom/child sign combination, and includes valuable information for dads and caregivers too.

Meeting Your Half-Orange

From Andy Cohen Books comes Bevy Smith's inspirational memoir—an irreverent tale of how she tore her life down and started all over. Not your typical candidate for a midlife crisis, Bevy Smith had what seemed like a fantastic life and career. As a fashion and beauty editor at Vibe, and then Rolling Stone, she traveled to Paris six times a year for fashion shows and was seen at every hot spot. She was a shopaholic with discounts at every store and a mighty roster of lovers. So it came as quite a shock to her when one day, after a Mercedes had dropped her off at her luxury Milan hotel, Bevy collapsed on the Frette sheets of her king-sized bed and sobbed. After that, she resigned from Rolling Stone and set out on her own path, one that she carved from a tremendous amount of self-reflection and, ultimately, clarity. Going from a \$350K annual salary to about \$35K would have most running back to corporate America, but not Bevy. With renewed self-confidence and acceptance, she embraced this season as one of the most creative times of her life. In her signature lively and infectious voice, Bevy provides her story as an example of how we too can manifest our biggest dreams. From reclaiming her bold childhood nature and realizing she'd become a Googleable star to envisioning where she's headed next (Malibu Bevy, with natural hair, a huge charitable organization, and a midcentury house overlooking the Pacific Ocean), Bevy shows how each of us can live our best lives with honesty and joy in *Bevelations*.
