How To Win Friends and Influence People

Presents the classic play, first produced in 1947, about guilt, responsibility, and the relationship between fathers and sons in the aftermath of a World War II corruption case.

Character

A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, East of Eden has remained vitally present in American culture for over half a century.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details

exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

Lives of the Engineers George and Robert Stephenson

Self-help

"He is my destiny." There is a place that lies between heaven and Earth, it is called The Realm. Within this place, the Guards of Peace, known as Garda Siochana, learn to guide and protect the ones that live below until they are called home. Officer Corey Hamilton is dedicated to being the best that she can be, in uniform and out. Her loving nature, compassionate thoughts, and warrior strength make her the perfect candidate to join the Garda Siochana and spend her eternity protecting and guiding others. Just before Corey dies in a line-of-duty accident, she meets Officer Mitchell O'Reilly. Her feelings for him may change her destiny, but not for the better, as she falls in love with this married man. Brock, Corey's personal Garda, will bring her home to The Realm and attempt to train her for her future, even while she still fights for her past. Will Brock be able to direct Corey down the right path, or will she cross the line and fall from grace? Join Corey, Mitchell, and Brock for an emotional and heart-pounding adventure that is sure to make you wonder if angels are really guiding us in our everyday lives.

The Life of Thomas Telford, Civil Engineer

Character, etc

The classic work for those who want to improve their lives by improving themselves. Samuel Smiles discusses the underlying principles that can lead anyone to success, including work, courage, self-control, duty, and truthfulness--virtues that sound old-fashioned to many but are nevertheless the real keys to a happy life. Newly designed and typeset in a modern 6-by-9-inch format by Waking Lion Press.

James Brindley and the Early Engineers

Samuel Smiles is best known for his book *Self Help* (1859), which many have assumed to be an encouragement to social and financial success. However, Smiles actually argued against the single-minded pursuit of success, and in favour of the protean formation of character as the ultimate goal of life. First published in 1987, this book examines Samuel Smiles's ideals of work and self-help against the background of the Victorian work ethic. Drawing on 'sub-literature' such as pamphlets, periodicals, novels, works by Dissenting and Anglican ministers, popular 'success' and 'self-improvement' books, and general literature on the condition of the working classes, it presents a broad range of public opinion and attitudes towards work and in doing so, creates an essential framework and context for Smiles's popular books. This book will be of interest to those studying Victorian history and ideology.

Roll of Thunder, Hear My Cry

Roles. They define our rights, obligations, responsibilities, beliefs, and even who we are. How well do we each understand our respective roles? How do we teach our children about proper roles? How would the problems children and parents face change if they better understood roles? Aren't parents - whether aggressive, passive or assertive - always defining roles anyway? How do roles affect business relationships? Why do we see the roles in today's world wrapped around so much confusion and debate when it's impossible to escape roles? This book makes roles easier to understand, and it shows how to strengthen roles and empower ourselves and those we live and work with to reach our full potential.

The Spirit of Self-help

La jaquette indique : "This first biography of the Victorian writer who launched the self-help phenomenon is based on contemporary sources, many previously unexamined. Samuel Smiles's Self-help, first published in 1859, became an international best-seller, giving beleaguered individuals in an era of startling change a new perspective on their personal destiny - a message with sharp resonance in today's world. 'The mind that passively submits to the will of the others' he said, 'that has resigned its individuality, this is not an educated, but a trammelled and degraded mind.'"

SAMUEL SMILES Collection Vol. 1: Self Help, Character, Thrift

Persons of character are not only the conscience of society, but in every well-governed country they are its motive power. Developing this theme the author points out the main ingredients of a good character and illustrates the same with numerous examples from history, biographies and from his own personal experience.

The Human Machine

East of Eden

Thrift

This volume 1 of Samuel Smiles works collects his first three books, which inspired authors such as Orison Swett Marden, Wallace Wattles and several others of the New Thought Movement. His masterpiece, Self-Help (1859), included in this collection, promoted thrift and claimed that poverty was caused largely by irresponsible habits, while also attacking materialism and laissez-faire government. It has been called "the bible of mid-Victorian liberalism", and it raised Smiles to celebrity status almost overnight. The books are: Self-Help, 1859 Character, 1871 Thrift, 1875
