The Wind in the Willows

Since the moment we first entered Downton Abbey in 1912, we have been swept away by Julian Fellowes' evocative world of romance, intrigue, drama and tradition. Now, in 1925, as Downton Abbey prepares to close its doors for the final time, Jessica Fellowes leads us through the house and estate, reliving the iconic moments of the wonderfully aristocratic Crawley family and their servants as they navigate the emerging modern age. Travelling from Great Hall to servants' hall, bedroom to boot room, we glimpse as we go Matthew and Isobel Crawley arriving for the first time, the death of Kemal Pamuk, Cora's tragic miscarriage, Edith's affair with Michael Gregson, Mary's new haircut, Thomas and O'Brien's scheming, Anna and Bates's troubles with the law, and Carson's marriage to Mrs Hughes. Alongside this will be in-depth interviews with the cast who have worked on the show for six years and know it so well. Packed full of stunning location shots and stills from all six series of the show including exclusive behind-the-scenes photography, this celebratory book is the ultimate gift for Downton Abbey fans the world over.

Downton Abbey

From the winner of the Nobel Prize in Literature, here is the universally acclaimed novel—winner of the Booker Prize and the basis for an award-winning film. This is Kazuo Ishiguro's profoundly compelling portrait of Stevens, the perfect butler, and of his fading, insular world in post-World War II England. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much graver doubts about the nature of his own life.

It's 1924 and there have been many changes at Downton Abbey since the family and their servants first welcomed us there twelve years ago. A generation of men has been tragically lost at the front; children are once again breathing new life into the great house; a chauffeur now sits at the Grantham dinner table; and skirt hems continue to rise. Still, in the midst of all this upheaval, many things at Downton remain largely unchanged. Nanny still holds sway in the nursery, and there are still summer fetes to be organized, menus to be planned, and farms to be run. This gorgeous book explores the seasonal events and celebrations of the great estate—including house parties, debutantes, the London Season, yearly trips to Scotland, the sporting season, and, of course, the cherished rituals of Christmas. Jessica Fellowes and the creative team behind Downton Abbey invite us to peer through the prism of the house as we learn more about the lives of our favorite characters, the actors who play them, and those who bring this exquisite world to real life. *A Year in the Life of Downton Abbey* is packed full of exclusive new photographs, with a delicious array of traditional British recipes adapted for modern kitchens: kedgeree, orange marmalade, asparagus tarts, cream of watercress soup, Irish stew, lemon barley water, meringues with red berries, parmesan straws, Christmas pudding with brandy butter and more. From the moment when the servants light the fires against the chill of January, through the last family game of charades and the servants' Christmas ball, this magnificent book invites us to take part in twelve months in the life of Downton Abbey.

The Official Downton Abbey Cocktail Book

From the creator of the Emmy Award-winning Downton Abbey "Damian Baxter was a friend of mine at Cambridge. We met around the time when I was doing the Season at the end of the Sixties. I introduced him to some of the girls. They took him up, and we ran about together in London for a while." Nearly forty years later, the narrator hates Damian Baxter and would gladly forget their disastrous last encounter. But if it is pleasant to hear from an old friend, it is more interesting to hear from an old enemy, and so he accepts an invitation from the rich and dying Damian, who begs him to track down the past girlfriend whose anonymous letter

claimed he had fathered a child during that ruinous debutante season. The search takes the narrator back to the extraordinary world of swinging London, where aristocratic parents schemed to find suitable matches for their daughters while someone was putting hash in the brownies at a ball at Madame Tussaud's. It was a time when everything seemed to be changing—and it was, but not always quite as expected. *Past Imperfect* is Julian Fellowes at his best—a novel of secrets, status, and a world in upheaval.

Downton Abbey

The Great War has ended, but *Downton Abbey* is far from peaceful "Americans can't get enough of 'Downton Abbey,'" said *The Boston Globe*. As Season 3 of the award-winning TV series opens, it is 1920 and *Downton Abbey* is waking up to a world changed forever by World War I. New characters arrive and new intrigues thrive as the old social order is challenged by new expectations. In this new era, different family members abound (including Cora's American mother, played by Shirley MacLaine) and changed dynamics need to be resolved: Which branch of the family tree will Lord Grantham's first grandchild belong to? What will become of the servants, both old and new? *The Chronicles of Downton Abbey*, carefully pieced together at the heart and hearth of the ancestral home of the Crawleys, takes us deeper into the story of every important member of the *Downton* estate. This lavish, entirely new book from Jessica Fellowes focuses on each character individually, examining their motivations, their actions, and the inspirations behind them. An evocative combination of story, history, and behind-the-scenes drama, it will bring fans even closer to the secret, beating heart of the house.

Gosford Park

A sparkling romantic comedy that vividly evokes the lost glamour of aristocratic life in England between the wars. Polly Hampton has long been groomed for the perfect marriage by her mother, the fearsome and ambitious Lady Montdore. But Polly, with her stunning good looks and impeccable connections, is bored by the monotony of her glittering debut season in London. Having just come from India, where her father served as Viceroy, she claims to have hoped that society in a colder climate would be less obsessed with love affairs. The apparently aloof and indifferent Polly has a long-held secret, however, one that leads to the shattering of her mother's dreams and her own disinheritance. When an elderly duke begins pursuing the disgraced Polly and a callow potential heir curries favor with her parents, nothing goes as expected, but in the end all find happiness in their own unconventional ways. Featuring an introduction by Flora Fraser.

"Come war and peace *Downton* still stands and the Crawleys are still in it." *Downton Abbey* is loved the world over for its fabulous costumes, beautiful scenery, wonderful characters and intricate plot lines, but what keeps millions of us coming back time after time is the stellar quality of the writing. With each stroke of his pen Julian Fellowes seems to gift us with a cuttingly dry quip from the Dowager Countess, a perfectly timed word of wisdom from Mrs Patmore or a touchingly

nostalgic pronouncement from Carson. Here in *The Wit and Wisdom of Downton Abbey*, Jessica Fellowes has gathered together her favorite quotes from the complete *Downton Abbey* oeuvre to take each of us back to the most memorable moments from the show and ensure we are armed with the very best ripostes should we ever need to chastise an impertinent lady's maid.

While We Were Watching Downton Abbey

Downton Abbey is an affectionate, unauthorized, book-length parody of the British TV drama, "Downton Abbey," written by the author of the million-selling Barry Trotter series.

Downton Abbey: Series 1 Scripts (Official)

Timed to coincide with the much anticipated Downton Abbey movie, this enticing collection of cocktails celebrates the characters, customs, and drinking way of life at Downton Abbey. Cocktails were introduced in the drawing rooms of Downton Abbey in the 1920s, when US prohibition inspired the insurgence and popularity of American-style bars and bartenders in Britain. This well-curated selection of recipes is organized by the rooms in the Abbey in which the drinks were served and spans everyday sips to party drinks plus hangover helpers and more. In addition to classic concoctions like a Mint Julep, Prince of Wales Punch, and Ginger Beer, this collection features character-specific variations such as Downton Heir, Turkish Attaché, The Valet, and The Chauffeur. The recipes reflect drinks concocted and served upstairs and down, as well as libations from village fairs, cocktail parties, and restaurant menus typical of the time. Features 40+ color photographs, including drink images photographed on the set of Downton Abbey.

Downton Abbey

A parody of the worldwide television phenomenon Downton Abbey, with cats. Downton Tabby is about England's oldest and finest family of cats in people clothes. With beautiful (and scandalous) photographs and art, it tells the story of their lives and loves—and their maids and butlers and cooks' lives and loves—from the sinking of the Titanic to the Jazz Age. Tolstoy's adage about each family being unhappy in their own way? What makes the Grimalkins different is they're cats. Posh, spoiled, stuck-up-but-charming, English cats. Okay, it's not just about cats and class warfare. It's also a parody of Downton Abbey, the phenomenally popular TV show where everyone's always getting dressed. Or they're already dressed, and they're getting more dressed. While it makes affectionate fun of Downton Abbey, it makes a broader humorous point: We treat our cats like high society. Their servants are us. If you live with a cat, the butler, maid, and cook is you. It's our cats' world. We just lint-roll it. So it's for fans of the show, and people who put up with fans of the show, and also for people who've ever caught themselves getting emotionally involved in their cat's social life, and whether or not some cold cuts would cheer her up. Why is this a book about Edwardian manor life, acted out by cats? The real question is why aren't there more?
