In the novels of R. K. Narayan (1906-2001), the forefather of modern Indian fiction, human-scale hopes and epiphanies express the promise of a nation as it awakens to its place in the world. In *The Financial Expert*, a man of many hopes but few resources spends his time under a banyan tree dispensing financial advice to those willing to pay for his knowledge. As charming as it is compassionate, this novel provides an indelible portrait of India in the twentieth century.

## Poems of Dedication

A Nobel Laureate offers a dazzling new book about his native country India is a country with many distinct traditions, widely divergent customs, vastly different convictions, and a veritable feast of viewpoints. In The Argumentative Indian, Amartya Sen draws on a lifetime study of his country's history and culture to suggest the ways we must understand India today in the light of its rich, long argumentative tradition. The millenia-old texts and interpretations of Hindu, Buddhist, Jain, Muslim, agnostic, and atheistic Indian thought demonstrate, Sen reminds us, ancient and

well-respected rules for conducting debates and disputations, and for appreciating not only the richness of India's diversity but its need for toleration. Though Westerners have often perceived India as a place of endless spirituality and unreasoning mysticism, he underlines its long tradition of skepticism and reasoning, not to mention its secular contributions to mathematics, astronomy, linguistics, medicine, and political economy. Sen discusses many aspects of India's rich intellectual and political heritage, including philosophies of governance from Kautilya's and Ashoka's in the fourth and third centuries BCE to Akbar's in the 1590s; the history and continuing relevance of India's relations with China more than a millennium ago; its old and well-organized calendars; the films of Satyajit Ray and the debates between Gandhi and the visionary poet Tagore about India's past, present, and future. The success of India's democracy and defense of its secular politics depend, Sen argues, on understanding and using this rich argumentative tradition. It is also essential to removing the inequalities (whether of caste, gender, class, or community) that mar Indian life, to stabilizing the now precarious conditions of a nuclear-armed subcontinent, and to correcting what Sen calls the politics of deprivation. His invaluable book concludes with his meditations on pluralism, on dialogue and dialectics in the pursuit of social justice, and on the nature of the Indian identity.

In 1992 when a Dalit woman left the convent and wrote her autobiography, the Tamil publishing industry found her language unacceptable. So Bama Faustina published her milestone work *Karukku* privately in 1992—a passionate and important mix of history, sociology, and the strength to remember. *Karukku* broke barriers of tradition in more ways than one. The first autobiography by a Dalit woman writer and a classic of subaltern writing, it is a bold and poignant tale of life outside mainstream Indian thought and function. Revolving around the main theme of caste oppression within the Catholic Church, it portrays the tension between the self and the community, and presents Bama's life as a process of self-reflection and recovery from social and institutional betrayal. The English translation, first published in 2000 and recognized as a new alphabet of experience, pushed Dalit writing into high relief. This second edition includes a Postscript in which Bama relives the dramatic movement of her leave-taking from her chosen vocation and a special note "Ten Years Later".

A stunning facsimile of the 1919 first edition of William Butler Yeats's *The Wild Swans at Coole*: an elegant volume showcasing these poems as they would have first been read and a complement to facsimile editions *The Winding Stair* and *The Tower*. Published in 1919 during W.B. Yeats's "middle stage" and composed of poems written during World War I, *The Wild Swans at Coole* is contemplative and elegiac. This collection captures Yeats at a time when he was looking back on his life, coming to terms with the realities of modern war, reflecting on lost love, and defining his place in the world as a poet. It features forty poems, among them "The Fisherman," "In Memory of Major Robert Gregory," "The Wild Swans at Coole," and "On Being Asked for a War Poem." This facsimile of the original 1919 edition presents the reader with the work in its original form, with handsome old fashioned type, how readers and Yeats himself would have seen it in the early twentieth century. A great gift book and collector's item, *The Wild Swans at Coole* also includes an Introduction and notes by esteemed Yeats scholar George Bornstein.

### **Silas Marner**

Knowing his father's profoundest wish, that his son should succeed him as Rector of Stillwater, Stephen Desmonde tried to be worthy. But the siren call of art was too overwhelming; he felt driven as though by demons to pursue his vision of the world's beauty. He must put on canvas the truth as he saw it, whatever the cost might be, whether it was the blank misunderstanding of his family or the ridicule of the public. Few artists could have survived the scandal and mockery he had to endure in the sensational trial that stirred all England. Indeed, Stephen Desmonde himself could not have survived without the tender and understanding love of the unforgettable Jenny Dill, the uneducated but strangely wise little Cockney girl whose devotion kept him going when all else failed. It was Jenny who restored his confidence in himself and his vision, and in her love he found the serenity and peace that marked his greatest creations. Crusader's Tomb, also published as A Thing of Beauty, is altogether a memorable novel, whose many characters and diverse moods are woven together with a skill and an appeal mastered by only the greatest storytellers of any age.
