## Ralph Steadman

Paul Perry takes an unprecedented look at this man who is a horror to some and a hero to others, who regularly trashes the prime directives of reporting - accuracy and objectivity - but who produces some of the sharpest political analysis around.

## **Insane Clown President**

(Applause Books). Based on the novel by Hunter S. Thompson, this is the screenplay of the movie. Includes thoughts by both Tony Grisoni and Terry Gilliam. "Transferred to the screen by Gilliam with a fidelity to the author's imagery here it is in all its splendiferous funhouse terror; the closest sensory approximation of an acid trip ever achieved by a mainstream movie." The New York Times

## **Rolling Stone - talking books**

A wild ride to the dark side of Americana. Hunter S. Thompson's and Ralph Steadman's most eccentric book *The Curse of Lono* is to Hawaii what *Fear and Loathing* was to Las Vegas: the crazy tales of a journalist's "coverage" of a news event that ends up being a wild ride to the dark side of Americana. Originally published in 1983, *The Curse of Lono* features all of the zany, hallucinogenic wordplay and feral artwork for which the Hunter S. Thompson/Ralph Steadmanduo became known and loved. This curious book, considered an oddity among Hunter's oeuvre, was long out of print, prompting collectors to search high and low for an original copy. TASCHEN's signed, limited edition sold out before the book even hit the stores—this unlimited version, in a different, smaller format, makes *The Curse of Lono* accessible to everyone.

## **Autobiography of a Brown Buffalo**

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

An almost unnaturally poignant love story from the father of “Gonzo” journalism and Fear and Loathing in Las Vegas Hunter S. Thompson. What makes the romantic short story Screwjack so touching, for all its queerness, is the aching melancholy in its depiction of the modern man's burden: that “we are doomed. Mama has gone off to Real Estate School and after that maybe even to Law School. We will never see her again.” Hunter S. Thompson’s most searing and unnaturally poignant love story, Screwjack is simultaneously eerie and feverish, debauched and affecting. Never before—and perhaps never since—has modern man’s melancholia been so vividly revealed in one powerful story.

### **The Best of Rolling Stone**

Sports, politics, and sex collide in Hunter S. Thompson’s wildly popular ESPN.com columns. From the author of Fear and Loathing in Las Vegas and father of “Gonzo” journalism comes Hey Rube. Insightful, incendiary, outrageously brilliant, such was the man who galvanized American journalism with his radical ideas and gonzo tactics. For over half a century, Hunter S. Thompson devastated his readers with his acerbic wit and uncanny grasp of politics and history. His reign as “The Unabomber of contemporary letters” (Time) is more legendary than ever with Hey Rube. Fear, greed, and action abound in this hilarious, thought-provoking compilation as Thompson doles out searing indictments and uproarious rants while providing commentary on politics, sex, and sports—at times all in the same

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

column. With an enlightening foreword by ESPN executive editor John Walsh, critics' favorites, and never-before-published columns, *Hey Rube* follows Thompson through the beginning of the new century, revealing his queasiness over the 2000 election ("rigged and fixed from the start"); his take on professional sports (to improve Major League Baseball "eliminate the pitcher"); and his myriad controversial opinions and brutally honest observations on issues plaguing America—including the Bush administration and the inequities within the American judicial system. *Hey Rube* gives us a lasting look at the gonzo journalist in his most organic form—unbridled, astute, and irreverent.

### **Gonzo the Art**

The cartoonist's and illustrator's commentary accompanies selections from his thirty-year body of work

### **Hunter S. Thompson**

For more than 40 years, the radically subjective style of participatory journalism known as Gonzo has been inextricably associated with the American writer Hunter S. Thompson. Around the world, however, other journalists approach unconventional material in risky ways, placing themselves in the middle of off-beat stories, and relate those accounts in the supercharged rhetoric of Gonzo. In some cases, Thompson's influence is apparent, even explicit; in others, writers have crafted their journalistic

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

provocations independently, only later to have that work labelled "Gonzo." In either case, Gonzo journalism has clearly become an international phenomenon. In *Fear and Loathing Worldwide*, scholars from fourteen countries discuss writers from Europe, the Americas, Africa and Australia, whose work bears unmistakable traces of the mutant Gonzo gene. In each chapter, "Gonzo" emerges as a powerful but unstable signifier, read and practiced with different accents and emphases in the various national, cultural, political, and journalistic contexts in which it has erupted. Whether immersed in the Dutch crack scene, exploring the Polish version of Route 66, following the trail of the 2014 South African General Election, or committing unspeakable acts on the bus to Turku, the writers described in this volume are driven by the same fearless disdain for convention and profound commitment to rattling received opinion with which the "outlaw journalist" Thompson scorched his way into the American consciousness in the 1960s, '70s, and beyond.

### **Hunter S. Thompson**

From the king of "Gonzo" journalism and bestselling author who brought you *Fear and Loathing in Las Vegas* comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson's private correspondence is the highly anticipated follow-up to *The Proud Highway*. When that first book of letters appeared in 1997, *Time* pronounced it "deliriously entertaining"; *Rolling Stone* called it "brilliant beyond

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating the seminal road book *Fear and Loathing in Las Vegas*; twisting political reporting to new heights for *Rolling Stone*; and making sense of it all in the landmark *Fear and Loathing on the Campaign Trail '72*. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

### **The Rum Diary**

Before his mysterious disappearance and probable death in 1971, Oscar Zeta Acosta was famous as a Robin Hood Chicano lawyer and notorious as the real-life model for Hunter S. Thompson's "Dr. Gonzo," a fat, pugnacious attorney with a gargantuan appetite for food, drugs, and life on the edge. Written with uninhibited candor and manic energy, this book is Acosta's own account of coming of age as a Chicano in the psychedelic sixties, of taking on impossible cases while breaking all the rules of courtroom conduct, and of scrambling headlong in search of a personal and cultural identity. It is a landmark of contemporary Hispanic-American literature, at once ribald, surreal, and unmistakably authentic.

## **Hell's Angels: A Strange and Terrible Saga**

Ralph Steadman: A Life in Ink is the definitive career retrospective of this revered and provocative UK artist. Renowned for his collaborations with iconic American writer Hunter S. Thompson, he formed an unlikely duo that created "Gonzo" journalism. This lifelong collaboration included the now-legendary Fear and Loathing in Las Vegas, originally published in Rolling Stone magazine, which has since become a cult classic. \* Explores Steadman's signature ink-splattered style \* Features a diverse body of work that includes satirical political illustrations \* Includes art from award-winning children's books such as Alice in Wonderland Ralph Steadman: A Life in Ink is a must-have celebration of the artist's important and influential career. This comprehensive monograph on the life and work of Ralph Steadman collects work from his dozens of books from his 50-plus year career. \* Satirist, artist, cartoonist, illustrator, writer--Steadman's prolific and influential career continues to resonate and inspire. \* His work is synonymous with the counterculture of the 1970s. \* The ultimate gift and coffee table book for fans of Gonzo journalism, Hunter S. Thompson, and political satire \* Add it to the shelf with books like Ralph Steadman: Proud Too Be Weirrd by Ralph Steadman, The Curse of Lono by Hunter S. Thompson, and Gonzo: The Art by Ralph Steadman.

## **Outlaw Journalist**

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

First published in 1990, *Songs of the Doomed* is back in print -- by popular demand! In this third and most extraordinary volume of the *Gonzo Papers*, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the *Passing Lane* -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, *Songs of the Doomed* charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." *Songs of the Doomed* is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

### **Absolutely American**

Discusses the life and career of Hunter S. Thompson, focusing on his popular style of journalism and his eccentric personal life.

### **Screwjack**

More than a decade after his death, Hunter S.

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

Thompson is as popular - and as relevant - as ever. Vigorously political, he both anticipated the situation in Washington now and here, in a collection that ranges from an early conversation with Studs Terkel, to a decade-long exchange with editor David Streitfeld, to his last public interview (no longer available online), his prescience is both exhilarating and profound.

### **Not the Screenplay to Fear & Loathing in Las Vegas**

Features whimsical depictions of dogs in various themed settings, including "Saloon Bar Dog," "Buddhist Dogs Searching for Happiness," and "Dog Baby Substitute."

### **Fear and Loathing**

'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, "I feel a bit lightheaded; maybe you should drive "'

### **Kingdom of Fear**

The life and career of the "Gonzo journalist" is revealed through the words of more than one hundred friends, family members, colleagues, and celebrities, with reflections by Ed Bradley, Sonny Barger, Jimmy Buffett, Johnny Depp, Angelica Huston, Sean Penn, Jack Nicholson, and many others. 100,000 first printing.

## **The Curse of Lono**

The first volume in Hunter S. Thompson's bestselling Gonzo Papers offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling "Gonzo Papers" is now back in print. The Great Shark Hunt is Dr. Hunter S. Thompson's largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the National Observer days to the era of Rolling Stone, The Great Shark Hunt offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed "gonzo"—"The Kentucky Derby Is Decadent and Depraved," which appeared in Scanlan's Monthly in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful '60s and '70s.

## **Fear and Loathing in America**

Cheap booze. Flying fleshpots. Lack of sleep. Endless spin. Lying pols. Just a few of the snares lying in wait for the reporters who covered the 1972 presidential election. Traveling with the press pack from the June primaries to the big night in November, Rolling Stone reporter Timothy Crouse hopscotched the country

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

with both the Nixon and McGovern campaigns and witnessed the birth of modern campaign journalism. *The Boys on the Bus* is the raucous story of how American news got to be what it is today. With its verve, wit, and psychological acumen, it is a classic of American reporting. NOTE: This edition does not include photographs.

### **The Boys on the Bus**

One of the most gifted and entertaining journalists writing today, Matt Labash can extract comic humanity from even the most wary politicians, con artists, and rogues—while shedding wisdom about the rich corners of our American experience. *Fly Fishing with Darth Vader* pulls together the best of Labash's feature writing and includes his masterful profiles of the outrageous characters who populate America's periphery, his loving and lacerating portraits of New Orleans and Detroit, and his hilarious tirades on the health hazards of Facebook and the virtues of dodgeball. Among other must-read essays, Labash chronicles Al Sharpton's eating habits, fishes the Snake River with Dick Cheney, and investigates the "great white waste of time" that is our neighbor to the north. Labash was born with a natural appreciation for the American scoundrel and a sense that life is one big chance for laughter. For those reasons, *Fly Fishing with Darth Vader* will be cherished and talked about for years.

### **Shadow Box**

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

The "gonzo" political journalist presents his frankly subjective observations on the personalities and political machinations of the 1972 presidential campaign, in a new edition of the classic account of the dark side of American politics. Reprint.

### **Fear and Loathing Worldwide**

"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what Forrest Gump is to idiot savants." --The Philadelphia Inquirer Since his 1972 trailblazing opus, *Fear and Loathing on the Campaign Trail*, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In *Better than Sex*, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast. "[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable." --Los Angeles Daily News "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to ([He] is a master at the unlikely but invariably telling line that sums up a political

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

figure (.In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --Richmond Times-Dispatch "While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (.He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --Tulsa World "This is a very, very funny book. ### **Gonzo**

This chronicle of daily life at the US Military Academy is "a fascinating, funny and tremendously well written account of life on the Long Gray Line" (Time). In 1998, West Point made an unprecedented offer to Rolling Stone writer David Lipsky: Stay at the Academy as long as you like, go wherever you wish, talk to whomever you want, to discover why some of America's most promising young people sacrifice so much to become cadets. Lipsky followed one cadet class into mess halls, barracks, classrooms, bars, and training exercises, from arrival through graduation. By telling their stories, he also examines the Academy as a reflection of our society: Are its principles of equality, patriotism, and honor quaint anachronisms or is it still, as Theodore Roosevelt called it, the most

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

“absolutely American” institution? During an eventful four years in West Point’s history, Lipsky witnesses the arrival of TVs and phones in dorm rooms, the end of hazing, and innumerable other shifts in policy and practice. He uncovers previously unreported scandals and poignantly evokes the aftermath of September 11, when cadets must prepare to become officers in wartime. Lipsky also meets some extraordinary people: a former Eagle Scout who struggles with every facet of the program, from classwork to marching; a foul-mouthed party animal who hates the military and came to West Point to play football; a farm-raised kid who seems to be the perfect soldier, despite his affection for the early work of Georgia O’Keeffe; and an exquisitely turned-out female cadet who aspires to “a career in hair and nails” after the Army. The result is, in the words of David Brooks in the New York Times Book Review, “a superb description of modern military culture, and one of the most gripping accounts of university life I have read. . . . How teenagers get turned into leaders is not a simple story, but it is wonderfully told in this book.”

### **Fear and Loathing in Las Vegas (Harper Perennial Modern Classics)**

#### **Proud Highway**

Hunter S. Thompson came home from the 1968 Democratic Convention in Chicago disgusted yet motivated by what he’d seen: protests violently suppressed, riots, corrupt politicians and abusive

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

cops. Back in Aspen, he found more of the same. The local police and sheriff's departments were targeting hippies, charging them with absurd crimes, harassing them on the streets and trying to push them out of town. He knew something had to be done and he realized it had to be done by people like himself. The hippies, intellectuals, and freaks had remained silent long enough. The time had come to organize and seize political power. Freak Power tells the story of Hunter's plan to become Sheriff, take control of Aspen and transform it from a conservative mining town into a mecca for artists, rebels and activists. Through original print material from the campaign, photographs and political art, Freak Power chronicles a little known period in Hunter S. Thompson's life, a period when he wrote prolifically about politics, the environment, drugs and American values. As the conservatives and freaks battled it out, the campaign became fraught with violence, accusations and moments of absurdity that bordered on fiction. As weird a tale as Thompson ever wrote, his own forays into politics may have been his wittiest and most thought-provoking escapade of all.

### **Songs of the Doomed**

An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson's early career and the magazine's fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the Bush-versus-Kerry presidential rivalry. By the best-selling author of *The Rum Diary*. 100,000 first

printing.

## **Fear and Loathing**

The Gonzo memoir from one of the most influential voices in American literature, *Kingdom of Fear* traces the course of Hunter S. Thompson's life as a rebel—from a smart-mouthed Kentucky kid flaunting all authority to a convention-defying journalist who came to personify a wild fusion of fact, fiction, and mind-altering substances. Brilliant, provocative, outrageous, and brazen, Hunter S. Thompson's infamous rule breaking—in his journalism, in his life, and under the law—changed the shape of American letters, and the face of American icons. Call it the evolution of an outlaw. Here are the formative experiences that comprise Thompson's legendary trajectory alongside the weird and the ugly. Whether detailing his exploits as a foreign correspondent in Rio, his job as night manager of the notorious O'Farrell Theatre in San Francisco, his epic run for sheriff of Aspen on the Freak Power ticket, or the sensational legal maneuvering that led to his full acquittal in the famous 99 Days trial, Thompson is at the peak of his narrative powers in *Kingdom of Fear*. And this boisterous, blistering ride illuminates as never before the professional and ideological risk taking of a literary genius and transgressive icon.

## **Hey Rube**

Presents a collection of writings from the author's column "Hey Rube" on ESPN.com, covering such

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

topics as retaliation for September 11th, his suggestions for "fixing" baseball, and other thoughts on politics, sports, and gossip.

### **Rolling Stone - talking books**

NEW YORK TIMES BESTSELLER • Dispatches from the 2016 election that provide an eerily prescient take on our democracy's uncertain future, by the country's most perceptive and fearless political journalist. In twenty-five pieces from Rolling Stone—plus two original essays—Matt Taibbi tells the story of Western civilization's very own train wreck, from its tragicomic beginnings to its apocalyptic conclusion. Years before the clown car of candidates was fully loaded, Taibbi grasped the essential themes of the story: the power of spectacle over substance, or even truth; the absence of a shared reality; the nihilistic rebellion of the white working class; the death of the political establishment; and the emergence of a new, explicit form of white nationalism that would destroy what was left of the Kingian dream of a successful pluralistic society. Taibbi captures, with dead-on, real-time analysis, the failures of the right and the left, from the thwarted Bernie Sanders insurgency to the flawed and aimless Hillary Clinton campaign; the rise of the "dangerously bright" alt-right with its wall-loving identity politics and its rapturous view of the "Racial Holy War" to come; and the giant fail of a flailing, reactive political media that fed a ravenous news cycle not with reporting on political ideology, but with undigested propaganda served straight from the campaign bubble. At the center of it all stands

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

Donald J. Trump, leading a historic revolt against his own party, “bloviating and farting his way” through the campaign, “saying outrageous things, acting like Hitler one minute and Andrew Dice Clay the next.” For Taibbi, the stunning rise of Trump marks the apotheosis of the new postfactual movement. Taibbi frames the reporting with original essays that explore the seismic shift in how we perceive our national institutions, the democratic process, and the future of the country. *Insane Clown President* is not just a postmortem on the collapse and failure of American democracy. It offers the riveting, surreal, unique, and essential experience of seeing the future in hindsight. “Scathing . . . What keeps the pages turning in this so freshly familiar story line is the vivid observation and original turns of phrase.”—San Francisco Chronicle

### **Fear and Loathing at Rolling Stone**

From the bestselling author of *Fear and Loathing in Las Vegas*, the legendary Hunter S. Thompson’s second volume of the “Gonzo Papers” is back. *Generation of Swine* collects hundreds of columns from the infamous journalist’s 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP’s obsession with drugs and drug abuse; while at the

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, *Generation of Swine* is vintage Thompson—eerily prescient, incisive, and enduring.

### **Better Than Sex**

### **Freak Power**

George Plimpton makes his riskiest foray into participatory journalism -- stepping into the ring against a champion boxer -- in *Shadow Box*, repackaged and including never-before-seen content from the Plimpton archives. Stepping into the ring against light-heavyweight champion Archie Moore, George Plimpton pauses to wonder what ever induced him to become a participatory journalist. Bloodied but unbowed, he holds his own in the bout -- and lives to tell, in this timeless book on boxing and its devotees, among them Ali, Joe Frazier, Ernest Hemingway, and Norman Mailer. *Shadow Box* is one of Plimpton's most engaging studies of professional sport, told through the eyes of an inquisitive and astute amateur. From the gym, the locker room, ringside, and even in the harsh glare of the ring itself, Plimpton documents what it is like to be a boxer, an artist of mayhem.

### **The Ralph Steadman Book of Dogs**

A decade after Hunter S. Thompson's death, his

## Download File PDF Fear And Loathing At Rolling Stone The Essential Hunter S Thompson

books—including *Hell's Angels*, *The Curse of Lono*, *The Great Shark Hunt*, and *Rum Diary*—continue to sell thousands of copies each year, and previously unpublished manuscripts of his still surface for publication. While Thompson never claimed to be a great writer, he did invent a new literary style—"gonzo"—that has been widely influential on both literature and journalism. Though Thompson and his work engendered a significant—even rabid—following, relatively little analysis has been published about his writing. In *Hunter S. Thompson: Fear, Loathing, and the Birth of Gonzo*, Kevin T. McEneaney examines the intellectual background of this American original, providing biographical details and placing Thompson within a larger social and historical context. A significant portion of this book is devoted to the creation, reception, and legacy of his most important works, particularly *Fear and Loathing in Las Vegas*. In addition to discussing influences on Thompson's work—including Homer, Nietzsche, Spengler, Melville, Twain, Hemingway, Fitzgerald, Kerouac, and others—as well as the writers Thompson influenced, McEneaney also explains the literary origins of gonzo. With new biographical information about Thompson and an examination of his writing techniques, this book provides readers with a better understanding of the journalist and novelist. A look beyond the larger-than-life public persona, *Hunter S. Thompson: Fear, Loathing, and the Birth of Gonzo* will be of great interest to fans of Thompson's work as well as to those wanting to know more about gonzo journalism and literature.

## **The Great Shark Hunt**

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell’s Angels, that is—in this short work of nonfiction. “California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again.” Thus begins Hunter S. Thompson’s vivid account of his experiences with California’s most notorious motorcycle gang, the Hell’s Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.” As illuminating now as when originally published in 1967, *Hell’s Angels* is a gripping portrait, and the best account we have of the truth behind an American legend. From the Hardcover edition.
