Where Dreams Descend

Welcome to the Helios Academy: evolve or die It's the year 2050 and life is increasingly hard for 'non-citizens'. A slowly emerging young minority has been exposed as 'talents'; they harbour mutations that give them special gifts - super strength, regenerative powers, psychic gifts or the ability to sink through shadows and travel through time and space. As governments unite to form a global talent registry and powerful corporations step in to take control, a 'talent' can be a passport to citizenship and a better life, but there is a cost as Josie Ryder is about to discover. Orphaned at six, Josie Ryder has been raised by her uncle. Her talent is an unusual one: she is a threader, able to weave a combination of psychic talents around others to manipulate their powers. Working in her uncle's antique store and dreaming of a better life, Josie has done everything to keep a promise to her late father: stay off the global talent registry and keep her talents hidden. But as Josie tries to make ends meet with the occasional illegal act, she risks a third strike with local law enforcement and, desperate for a better life, Josie finally breaks her promise to her father's memory and sends an enquiry to the prestigious Helios Academy, a training facility in a distant country for talents. When the Helios

Academy respond by sending mysterious slider, Blake Galloway to extract Josie, then offer her a position at their select and highly competitive institution, things begin to get really interesting, and more than a little dangerous

The French and Indian War

Hate can start a war, but a shattered heart can fuel it for centuries. Everything Ada does is wrong. She's the daughter of a Duke but she isn't proper or formal. She prefers the company of her servants—particularly Christian, the boy she's loved since she was six years old, and his sister, Charity, Ada's very best friend in the entire world. Ada isn't just the daughter of a Duke. No, she's the daughter of one of the most powerful Edren sorcerers alive, and no matter how strong she is, it isn't strong enough. Ada will give up almost everything to earn her father's pride. Christian has loved Ada since the day his mother became her governess. But two societies are determined to keep them apart—the aristocracy who say a groom will never be good enough for a Duke's beautiful daughter, and the sorcerers who say a Carules and an Edren can never be together. Christian will do anything to make Ada his—even drive himself to madness. When Ada suspects her father of hurting Charity and Christian in his quest for knowledge, she is torn between loyalty to him, and a fierce determination to protect them. The division tears her soul and breaks her heart. The pieces of her broken heart will start a war that can only be stopped by the death of the most powerful warrior alive by the hand of the boy who loves her. ****Bonus Story –Feudlings in Peace****Join Ari, Shane, Ada, Christian and everyone they love as they chase their happily ever after.

We Own the Night

The second installment of a sexy, whirlwind romance about a modern-day heroine writing historical novels based on her romantic misadventures with the Bad Boy Billionaire. Being good hasn't exactly worked out well for Jane Sparks. Her ex-boyfriend dumped her for being too predictable, and her fake fiancé, Duke Austen, is counting on her good-girl image to repair his bad-boy reputation. But everything changes with the publication of the historical romance novel she wrote based on her fauxmance with the Bad Boy Billionaire. Suddenly she's notorious, scandalous, and causing lots of trouble. Duke Austen always admired Jane's poise and perfectly demure behavior ... qualities that seemed to have vanished once she helped him land a big investment deal. But now that his company is on the verge of a 20-billion-dollar IPO, the stakes have never been higher—and Jane has never been more shocking, provocative, or wickedly irresistible. She's not at all the woman he bargained for, yet she's the only one he wants. Duke is determined to woo his girl gone wild. She's determined to keep him guessing. But Jane is discovering that there's nothing so appealing as a billionaire who's mad, bad, and dangerously seductive ...

My name is Vinna, and my magic is an asshole. I mean, what else would you call it when it does whatever it wants, whenever it wants? Now I have Enoch and his coven looking at me like I'm the one, and a bunch of pissed off Chosen. I have no answers and no time to deal with this shit. Lachlan and Keegan managed to get themselves caught by Adriel, the big bad lamia who murders and hunts Sentinels. Time is running out, and if my Chosen and I can't get battle ready, then we're destined to become more names on the list of the missing. It's time to meet the lamia who's been coming for me my whole life. It's time to do what no one else has been able to do. It's time to cut the fucker's head off. Author's Note: This is the third book in The Lost Sentinel Series and ends with a cliffhanger. This book is a medium burn reverse harem story, intended for ages 18 years and older. This story contains strong language, sex, and violence.

Dragons Are People, Too

A hand slowly reaches out a crack in the window to feel the light sprinkles of rain. The hand, cemented with dirt, sweat, and blood, trembles like a withered leaf clinging to a dead branch. Although filthy, the hand emits a history of grace and elegance long lost to the evils of torture and imprisonment . . . From what Willa recalls, seeing this pitiful hand, and, eventually, the person connected to it, was the catalyst to the discovery of her true self. Willa is a witch, and it turns out her boyfriend, Simon, is a witch, too. Soon after Willa first sees the reaching hand, Simon and her embark on a rescue mission, only to find themselves catapulted into the alluring, but dangerous world of witches and witchcraft. Answers to all of Willa and Simon's questions are now within reach, but they've also stepped into the middle of a deadly war where many will stop at nothing to control the magic of The Six Gifts. Willa and Simon must now learn to harness their powers to protect their lives and the lives of their newfound friends before the blood moon arrives, or all will be lost.

Chronicling the rise of the Keepers, this is the stunning prequel to Andrea Cremer's internationally bestselling Nightshade trilogy! Sixteen-year-old Ember Morrow is promised to a group called Conatus after one of their healers saves her mother's life. Once she arrives, Ember finds joy in wielding swords, learning magic, and fighting the encroaching darkness loose in the world. She also finds herself falling in love with her mentor, the dashing, brooding, and powerful Barrow Hess. When the knights realize Eira, one of their leaders, is dabbling in dark magic, Ember and Barrow must choose whether to follow Eira into the nether realm or to pledge their lives to destroying her and her kind. With action, adventure, magic, and tantalizing sensuality, this book is as fast-paced and breathtaking as the Nightshade novels. "A great new book that will leave you breathless." –Romantic Times From the Trade Paperback edition.

Princess of the Damned

When the Ephors decide they'd rather train her new boyfriend and oracle David than kill him, Harper learns she can only remain his Paladin if she passes an ancient trial that will either kill her or make her more powerful than ever.

The Night Itself

Ari thought being in love with her prophesied nemesis sucked. But being responsible for her best friend's kidnapping? It sucks worse. Ari and Shane thought they'd beaten Fate and ended the three-hundred year war plaguing their people. They thought love had won. But they were so, so wrong. Instead of graduating high school like the normals, they're in a battle to save Charity - Shane's cousin, Ari's best friend, and the seer who might hold the key to ending the war for good. To do that, they're forced to accept help from a boy they aren't even sure they can trust. He's powerful and knows spells even Ari's never heard of, but he's also secretive

and has a past he's determined to keep hidden . Add to that the fact that he has his sights set on Ari, and Shane would rather do without his help. Ari has bigger problems than mysterious boys and their strange powers. The powerful Edren Family is hunting her brother, and she can't very well save him or Charity while they're constantly being attacked by her own people. To stop the raids, she has to take the fight to them. But if she starts hunting the family that raised her, what kind of mon-ster will she be? Fate still waits for the death of one by the hand of the other.

The Bad Boy Billionaire's Wicked Arrangement

Kat Caruso wishes her brain had a return policy, or at least a complaint hotline. The defective organ is constantly distracted, terrible at statistics, and absolutely flooded with inappropriate thoughts about her boyfriend's gorgeous best friend, Alec . . . who just so happens to be her brand-new math tutor. Who knew nerds could be so hot? Kat usually goes through tutors like she does boyfriends—both always seem to bail when they realize how hopeless she is. It's safer for her heart to keep everyone at arm's length. But Alec is always stepping just a little too close. Alec Stone should not be fantasizing about Kat. She's adorable, unbelievably witty, and completely off-limits. He'd never stab his best friend in the back . . . But when secrets are revealed, the lines of loyalty are blurred. To make it count, Alec must learn that messy human emotions can't be solved like a trigonometry function. And Kat has to trust that he may be the first guy to want her for who she is, and not in spite of it.

Alpha Goddess

Boys of war suck at romance. Charity Delyle has lived in the shadow of her Prodigy cousin and his powerful Guard since the day she was born. And she doesn't mind—really. Except that being in Hunter's shadow means that he can't see her. And she'd like that to change. Hunter has one purpose in life: Protect the Prodigy, or die trying. That means a social life, school, and even Charity come last until the war is over. For the most part, he's okay with that—he can lose everything if he has to...except his seer. Starting at a new school should be much safer than living in a war-ravaged Carules headquarters. But this new school is different than the others. Friendships are forged and destinies are questioned, and Hunter's decision could cost them all everything they've been hoping for.

Does This Insecurity Make Me Look Fat?

When Mio steals the family's katana - a priceless ancestral sword - from her parents' attic, she just wants to spice up a fancy-dress costume. But the katana is much more than some dusty antique and her actions unleash a terrible, ancient evil onto the streets of unsuspecting London. Soon Shinobu, a fearless warrior boy, appears to protect Mio - and threatens to steal her heart. With the gods and monsters of Japanese myth stalking her and her friends, Mio realizes that if she cannot keep the sword safe, and learn to control its legendary powers, she will lose not only her own life - but the love of a lifetime.

Writing a Wrong

Phoenix and Cole survived the end of the world. The alien invasion that took out most of the population and crippled any form of government-they'd fought that, and they'd survived. Or at least, they're trying to. They battle starvation, fear, exhaustion, and death every single day, and while the future doesn't look bright, at least they're fighting for it. Hope is hard to come by, but when they need it most, it does come-in the form of a different alien entirely-beautiful, with the wings of a fairy, the voice of a siren And the teeth of a vampire. Sometimes hope is most devastating of all. Never Trust Beautiful Things.

The Marked and the Broken

I always wished I had supernatural powers. Now I wish I didn't. Sadie's a dud, a failure-the only one in high school who doesn't have any kind of supernatural powers. Her psychic bff, Jo, knows something about Sadie's future, but just won't tell. And what the heck is going on when one of her teachers starts looking at her while he's going on about powerful lost keys, portals of madness, and destinies? Then it all starts. On her 18th birthday, Sadie starts to feel weird. And when werewolves, vampires, and demons all turn up to spoil her party, the weirdness really ramps up. Leaving her best friend, her family, and the only town she's ever known, Sadie must find safety. But while the king of the werewolves can offer her somewhere to hide while she's learning about her new powers, he can't stop his psycho witch fiancée from finding new ways to try and kill her. Of course, the murderous tendencies of this psycho witch only get worse when she realises the Werewolf King is, um attracted to Sadie. And all that's before Sadie sets off to try and find one of the lost keys. Before she visits hell. Before she picks up a pet ogre. And before she realizes just how powerful she can become. But if it really is her destiny to collect one of the lost keys, will she be able control her newfound power

and help save the world and all the people in it she loves? Or will she buckle under the pressure? She's about to find out. A mansion surrounded by demons and full of vampires and witches intent on her destruction awaits. Oh, and that psycho-witch fiancée of the Werewolf King. What could possibly go wrong?

A Book of Spirits and Thieves

"I've always been able to see the auras. But I knew you couldn't because you refuse to see the darkness in people and I didn't want you to ever change. So I didn't tell you." Fate thought the prophecy was over. She graduated high school, made big plans with her family and her boyfriend to travel the world, and got a full-ride scholarship for college in the fall. Despite blowing up the chemistry lab twice. But all that changes when the witches show up, because the war they thought they won is just beginning and without Fate and Destiny leading the way, it's a war they will all lose. Unfortunately, the coven wants them to lead separate teams. Like they somehow don't realize Fate works better with her sister by her side. Oh, and Damien. Damien isn't going to let the girl he loves face these odds alone. In fact, he'll risk everything, even her, to help win this battle and keep her alive. Damien makes an impossible choice, one that will change them all. Sometimes, love isn't the answer.

Playing with Monsters

When the royal family is brutally murdered, Princess Kazia alone is left to rule the kingdom. But how can she rule when her home has burned to the ground and at any moment the assassin may return to finish the job? Under the protection of the Captain of the Royal Guard - her late brother's childhood best friend - the princess must flee to protect herself and what is left of the royal line until the assassin can be found and brought to justice. First to her uncle's estate and then to her betrothed's kingdom, but the assassin seems to be one step ahead of them all along the way. And then there is the captain. With every mile they travel together, Princess Kazia must fight the feelings for him that she thought she had left behind long ago. Surviving until her coronation seems like an impossible task. But survive she must. With both her life and her heart at stake, the weak and seemingly helpless Princess Kazia still bears a secret. One that can either save her and her kingdom or take everything she has left.

City Hunter

Nothing makes a new school suck worse than discovering the guy you're in love with is your prophesied nemesis. Ari is the most powerful flame-throwing sorceress ever, and her people's last hope in an ancient war. But she's also a seventeen-year-old girl, and in her free, not-hunting-nemesis times, she jumps from school to school, trying to figure out regular people her own age and pretending she'll get the chance to graduate. Shane lives a double life. He goes to school and masters the art of popularity, hiding the fact that he has a fate with a slim chance of his survival. He's destined to end a 300 year-old war by killing or being killed. He knows he's hunted by a powerful enemy who's not afraid to die. Only problem? He has no idea who that enemy is. When Ari shows up at Shane's school, angry and sullen and determined to keep him at arm's reach, neither of them realize they are supposed to be killing each other, not falling in love. Until Ari does realize it, and she almost dies - by Shane's hand.

A Cajun Dream

Thirteen-year-old half-breed banshee, Seven, likes her life. She leads souls safely to Death and she has the planet's most awesome dad and little brother. But a cryptic message from Atlantis asking for her help changes all that. And then there's Death, who has decided it's time to take her brother's soul. Now she's racing across the world, trying to stay one step ahead of Death. Unfortunately, getting to Atlantis from Ireland isn't easy, and there are evil minions determined to keep her away every time she turns around. But fighting for their lives teaches Seven one very important lesson—she isn't human, and she isn't a banshee. She has to be both if she wants to save her brother and make it back home alive.

Hothouse Flower

Leonardo Cantrell is a painfully shy sixteen-year-old who cannot look people in the eye. One night while he's volunteering at a homeless shelter, an old man forces eye contact and gives Leo the power to see Death. His best, and only, friend—J.C. Rivera—thinks this new power is cool until Leo accidentally looks into J.C.'s eyes and "sees" his murder, a murder that will occur in less than two weeks. Stunned

and shaken, the two boys sift through clues in Leo's "vision" in a desperate effort to find the killer and stop him before he can strike. Aided by feisty new-girl-at-school, Laura, the boys uncover evidence suggesting the identity of the murderer. However, their plan to trap the would-be killer goes horribly awry and reveals a truth that could kill them all.

Feudlings in Flames

History is dramatic—and the renowned, award-winning authors Christopher Collier and James Lincoln Collier demonstrate this in a compelling series aimed at young readers. Covering American history from the founding of Jamestown through present day, these volumes explore far beyond the dates and events of a historical chronicle to present a moving illumination of the ideas, opinions, attitudes and tribulations that led to the birth of this great nation. *The French and Indian War: 1660-1763* covers much more than the few years during which the English and French fought over the division of the North American continent in one of the most neglected periods of American history. In this volume in *The Drama of American History* series, authors Christopher Collier and James Lincoln Collier trace how England's other rivals for control of America were eliminated over this period until the only source of conflict left would be between the British and their own colonists. This series offers a fairly unique approach to American history by focusing on core content rather than a blizzard of names and dates, giving listeners a good sense of not only what happened, but why, as England eliminated its competition.

The Bad Boy Billionaire's Girl Gone Wild

The New York Times and USA TODAY bestselling author of the explosively sexy *Inside Out* and the *Secret Life of Amy Bensen* series will seduce you with this sultry tale of possession and ecstasy, wild fantasies and dangerous secrets—first in the racy and suspenseful *Careless Whispers* series. Ella awakes alone in Italy, no longer sure of who she is. One thing is certain: a gorgeous man has claimed her as his own. He's tall, dark, and sexy, the kind of rich, powerful man who makes a girl long to be possessed. And possess her he does, whispering wicked promises in her ear, indulging her deepest desires, stealing her trust—and her cautious heart. Soon, though, she discovers that nothing is as it seems. The truth will shatter her world, but it will also set her free...if it doesn't destroy her first. New York Times and USA TODAY bestselling author Lisa Renee Jones, whose searing novels generate “enough heat to start a fire” (RT Book Reviews), dares you to fall in love with her irresistibly surprising and scandalously erotic new series.

Spark of a Feudling

Never judge a dragon by her human cover Sixteen-year-old Kitty Lung has everyone convinced she's a normal teen—not a secret government operative, not the one charged with protecting the president's son, and certainly not a were-dragon. The only one she trusts with the truth is her best friend—and secret crush—the über-hot Bulisani Mathe. Then a junior operative breaks Rule Number One by changing into his dragon form in public—on Kitty's watch—and suddenly, the world knows. About dragons. About the Draconic Intelligence Command (DIC) Kitty works for. About Kitty herself. Now the government is hunting down and incarcerating dragons to stop a public panic, and a new shape-shifting enemy has kidnapped the president's son. Kitty and Bulisani are the last free dragons, wanted by both their allies and their enemies. If they can't rescue the president's son and liberate their fellow dragons before getting caught themselves, dragons might never live free again.

Grim Lovelies

Rumors. Magic. Secrets. Attraction. While 17 year old Alexis Maher never thought she would live an ordinary life, she wasn't sure she would survive the kind of excitement she had now. After breaking up with her boyfriend of nearly a year he proceeds to spread rumors about her, making her one of the most hated juniors of Crescent Point High. If that wasn't enough, her grandmother dropped a bombshell. Alexis is about to come into her Druid powers, and it isn't going to be a pleasant process either. While most teens would welcome becoming psychic and telekinetic, Alexis isn't one of them. Just when her life is falling apart she meets Christian Marino, a gorgeous, mysterious senior whom she falls for faster than she would have ever thought possible. But her ex-boyfriend turned stalker takes exception to their rapidly developing relationship, and he's becoming increasingly dangerous. Then it becomes apparent that Christian has secrets of his own. Somehow she has to safely transition into her powers, uncover Christian's secret and save them both from Nicolas's vengeance.

What comes next, once your happily ever after has been written? Real life. Nicole and Alec are doing their best to live the HEA she's been dreaming for and writing about in her books. The problem is she's been coping with her newly achieved success as an author and the responsibilities that are transitioning her away from the introverted life she prefers. He's neck deep in medical school and stuck at work almost every waking hour. Something's got to give. Sometimes, what looks like happily ever after from the start can become something entirely different on the other side. Finding time together can be a challenge, but Nicole and Alec seem to have things figured out. That is, until Nicole's publisher sends her on an extended book tour for her upcoming release, putting an unexpected strain on their relationship. When Alec begins hanging out with his ex, who also happens to be the mother of his little girl, Nicole can't help feeling that maybe her ever after is about to turn into a never mind. Things turn from bad to worse when Nicole is faced with what she perceives as betrayal, leaving the door open to Greg, her new public relations rep who is more than willing to offer up a shoulder to dump her woes on. Betrayal can be a two-way street and Nicole must now decide which way the story goes from here. Writing a happily ever after was so much easier than actually living one

The Werewolf Queen

This romance from the author of Geekerella and Heart of Iron follows Iggy, whose late night radio show was supposed to be a secret . . . but it might lead her to so much more. "Welcome to midnight, my fellow Niteowls" No one would ever suspect that responsible, ugly-sweater-wearing Ingrid North is the incognito radio deejay known only as Niteowl. Finally a high school grad, she can't wait to get out of her tiny hometown of Steadfast, Nebraska (population three hundred and forty-seven) to chase her dreams. Thankfully, her three best friends--Billie, LD, and Micah (who she is definitely, absolutely, not in love with)--are more concerned with spending one last epic summer together than finding out where Ingrid slinks off to every weekend. But for that one glorious hour every Saturday night, Iggy shucks her own skin to become Niteowl--an infamous and daring deejay with the answers to everyone's love life but her own. There is one caller in particular-Dark and Brooding--whose raspy laugh and snarky humor is just sexy enough to take her mind off the fact that Micah is rapidly falling for a Mean-Girls-worthy nightmare. But when Ingrid lands an interview in New York City for the internship of a lifetime, her secret life begins to unravel. It's her chance to follow her heart, but she'll have to leave everything behind--her ailing grandmother, her friends, her radio show . . . and a chance at her very own happy ending. Torn between her dreams and her home, Iggy begins to realize that to get what she wants, she has to give up the things that mean the most to her. But letting go could lead to a summer of sunflowers, rockstars, and the show of a lifetime. And Iggy might just find that her real life begins when Niteowl goes off the air.

Banshee at the Gate

In Seraphine Caelum's world, gods exist. So do goddesses. Sera knows this

because she is one of them. A secret long concealed by her parents, Sera is Lakshmi reborn, the human avatar of an immortal Indian goddess rumored to control all the planes of existence—Illysia (the Light Realm), Earth (the Mortal Realm), and Xibalba (the Dark Realm). Marked by the sigils of both heaven and hell, Sera's avatar is meant to bring balance to the mortal world, but all she creates is chaos. A chaos that Azrael, the Asura Lord of Death, hopes to use to unleash hell on earth. Torn between reconciling her past and present, Sera must figure out how to stop Azrael before the Mortal Realm is destroyed. But trust doesn't come easy in a world fissured by lies and betrayal. Her best friend Kyle is hiding his own dark secrets, and her mysterious new neighbor, Devendra, seems to know a lot more than he's telling. Struggling between her opposing halves and her attraction to the boys tied to each of them, Sera must become the goddess she was meant to be, or risk failing, which means sacrificing the world she was born to protect. Retellings of classic fairy tales and Greek myths are becoming staples in the YA and adult fiction genres, and now Amalie Howard, author of the popular *Bloodspell*, brings the myth of Rama and Sita's love story to an exciting new level. Howard's stunningly fresh voice and imaginative characters promise to make *Alpha Goddess* an exciting addition to the young adult fiction world. Aimed at readers ages 13 to 17, both girls and boys will relate to Sera's and Kyle's realistic teen persona and dilemmas while learning more about a famous Hindu myth. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Tempt Me Eternally

The first installment of a sexy series about a modern-day heroine writing historical novels based on her romantic misadventures with the Bad Boy Billionaire. Jane Sparks has accidentally announced her engagement on Facebook—to the infamous Bad Boy Billionaire, Duke Austen. As soon as it's discovered that Jane and Duke barely know each other (one hot kiss at a party does not a relationship make), she'll be completely humiliated. And then Duke does something Jane never expected: He plays along with her charade. With his hard-partying playboy reputation jeopardizing a 150-million-dollar investment deal, Duke realizes an engagement with the sexy but oh-so-proper librarian could be just the thing to repair his reputation. This good girl tempts him to be very wicked ... but only with her. It's unprecedented. Inconceivable. Totally alluring. As the unlikely match of librarian and tech entrepreneur set out to convince the world—and the internet—that their love is real, something unexpected happens: They start falling for each other. But Jane is secretly writing a historical romance novel that could expose their carefully constructed romance ... unless two perfect strangers are content to be perfectly scandalous together.
