Gable Powers had loved keeping me off-balance from the moment we met—dirty words whispered in my ear that made me tremble, a spectacular tattooed body that had my own craving his, a secret revealed that had only made me love him more. Even his proposal had taken me by surprise when he got down on one knee in the shower. But now it was my turn to shock him at midnight on New Year's Eve in Vegas, and it was going to be awesome!

With due attention to historical and literary issues, the authors explore the theological contributions of two books unique among the Old Testament canon.

Offering fresh perspectives for the book's message and setting, Knight depicts the Song of Songs as a book about God and his plan of redemption for the world -- a revelation of the love of God. Golka presents the Book of Jonah as a masterpiece of Hebrew narrative art, a multidimensional account which through skillful use of irony and satire demonstrates the divine privilege of mercy for all living beings.

Mondays (The Wait, Book 2)

They wanted forever but sometimes forever's not that easy. Ellen has loved Jagger since she was five and he was seven when they kissed through the chain link fence at school. She's had their wedding planned since she was twelve and is ready for a happily ever after with him, but life just isn't that neat and tidy. Although they lost contact over the years, which broke her heart, during Jag's senior year in high school, sophomore Ellen catches his eye once again and their friendship is back on. When things between them gradually develop into something more, Ellen wants to give herself completely to Jag, but he's not so sure he wants to risk their relationship in taking things to the next level. When Jag is drafted to the Dodgers as the hot, new pitcher of the team, Ellen decides to go with him, transferring colleges and leaving her friends and family behind. But things get more and more complicated when busy schedules, a

slimy agent and a supermodel disrupt their lives, which makes Ellen question whether they'll ever get their perfect forever. This is the first book of the True Love Trilogy. Due to language and sexual content, this book is not recommended for readers under age 17

Weddings are often the happiest day of a couple's life. At least for the bride it is. It's all about her. The bride has the chance to get all dolled up, be waited on hand and foot, then walk down the aisle looking like the beautiful princess that her daddy always told her she was. Now the bride being the main focus of attention is no problem to me at all. It's when we leave the wedding and go into marriage still thinking "It's still all about me." In wedding vows we promise to stay together "Til death do us part" but as for a relationship with God, until death, we are apart. Sin separates us from God. I've finally learned that to live in Christ we must die to ourselves. In marriage, we must die to many of our own desires and live for our spouses. When we live for God, He will show us how to live for our spouses. When we live selfishly we will always be craving for more but when we live selflessly, God will see to it that our needs are always supplied and our desires are satisfied. God will always see to it that you reap what you sow. In sharing some

of my own experiences and what I've learned, I pray that I can sow seeds of hope into the lives of others. This book is to show my journey towards building a relationship with God. As you will see, I too have lived in sin. We were all born into sin. Fortunately, God gives us free will to choose to continue living in sin or die to sin and receive new life in Him.

Insights on James, 1 & 2 Peter

Growing up in an idealistic home, Sparrow Fisher is sheltered and innocent. When she meets Ian Sterling, a musician who is rising in popularity, she instantly falls for his charm. They run into each other over the next few months and eventually begin an unconventional relationship. At different places in their lives, Sparrow is off to college in New York, and Ian is traveling the country with the band. When they see each other, all seems wonderful and lighthearted, but when they're apart, Sparrow is left to wonder if Ian really cares about her the way he says he does, or if she's just another pretty face to him. Once their relationship steadies, they're both happier than they've ever been, and it's hard to not get caught up in the magic they have together. Until something so devastating comes to light that threatens to shatter everything they've built with each other. True Love Story is a story about the real highs and lows that come with a relationship-happiness, pain, angst, and finding out if love really is enough.

A Powers Play (The Powers That Be, Book 1.5)

One objective of this book is to set forth an interest in the Book of Ephesians and the Book of Philippians. Ten studies are developed from Ephesians in order to explain predestination, election, and the richness of God's grace. Chapters 11 and 12 advance God's salvation with an emphasis in Chapter 11 concerning the role of women in sharing the message of redemption. Chapter 13 examines one's life before rebirth and life after rebirth. Chapter 14 looks carefully at arguments adopted to condemn instrumental music in the Christian assembly. The next seven chapters (15-21) investigate several statements from the Book of Philippians with accent upon God working in us to accomplish His outreach to the lost. Three chapters (22-24) look at the purpose of the church, church and ministry, and the identification of the church. Chapter 25 sets forth the biblical date for the Exodus as well as biblical chronology versus liberal chronology. The next chapter (26) looks at the prophetic ministry. Chapters 27 and 28 review the prophet Jonah with an emphasis upon his psychological setback in his first refusal to carry out God's command to go to Nineveh. Chapter 29 discusses God's admonition to Joshua. Chapters 30-32 scrutinize 1 Timothy 2:11-15, which in-depth study is an overview of the Pastoral Epistles. This study seeks an answer to Paul's negative declaration about the participation of women in the church at Ephesus. These particular women were involved in the telling of stories about their gods and goddesses as well as the

practice of magic. They did not understand the true nature of Jesus. The next three chapters (33-35) analyze the identity of Jesus. And, finally, Chapter 36 is written from an apologetic viewpoint, which reading concentrates upon the "cell" to demonstrate that there is an Intelligent Designer.

Motography

My first impression of the title *Kenosis of God* was that this was going to be an academic book replete with boring, complex and difficult exegetical and theological arguments. On the contrary, I found out after reading that it was very engaging, exciting and very refreshing book on Christian Theology. The major strengths of this book are [that it is] (1) thoroughly biblical, (2) historically and theologically consistent with evangelically Christianity, (3) philosophically logical and coherent, and above all (4) relevant to the Christian life. I enthusiastically commend this book not only to Bible students and academic theologians but to Christians who desire not only to know the truth of Christian Theology but its implications on the Christian life. Professor Samuel Waje Kunhiyop, PhD, Head of Postgraduate School, South African Theological Seminary

The book argues that the kenosis of Jesus is not an isolated act in the history of incarnation but is embedded in the very nature of his divinity. The entire Trinity operates in kenosis, a deliberate choice to self-limitation in order to relate with one another and with the powerless. The book shows that each person of the Trinity, Father, Son and the Holy Spirit, participates and works in a kenotic way in their relation to the humanity. The creator who accepts to give dominion to the people He created, Jesus who limits himself by becoming a human being and the Spirit who dwells in and works through the Church accepting the risk of being grieved by the human fallen nature. The Poems of John Donne: Volume One

Could there be anything more exciting and blessed assurance in our life than knowing that the creator of the universe loves us? That is what this book "God's love in 3-dimensions" is about, God's love for us, and His designed purpose for our lives; Reflecting back over more than forty years of service in the Body of Christ; I have found the most important things to be taught and expressed, to bring love and unity, and success to the life of the Church, and to our personal lives are, "God's love for us," "Our love for God," and "Our love for one another." For the success and the life of the Church, and for our personal lives, God's love must prevail. "God's Love in 3-dimensions" reiterates the plea of the writings of our Lord's Apostles, and the prayer of our Lord, for love and unity. The apostles of our Lord pleaded for us throughout the scriptures to have love and unity through the Spirit of God's love. Jesus our Lord prayed for God's unity and love for His followers; "that all of

them may be one, Father, just as you are in Me and I am in You.” “I have made You known to them, and will continue to make You known in order that the love You have for Me may be in them and that I Myself may be in them.”(John 17:21&26). What great accomplishments and success await us when we walk in unity with our Lord and Heavenly Father. The greatness of God’s love, joy and peace fills our hearts, souls and minds, providing divine direction and assurance as we walk in our Lord’s Spirit of love. And what great accomplishments have been made by the body of Christ when our Lord’s love and unity prevail among His body members, when working together in the directives and spirit of their Lord. What creates and produces unity with the Heavenly Father, within us, and within the body of Christ? God’s love! What motivated God’s plan of salvation for mankind? God’s love! What power innovated and sustained our Lord, and Savior, in carrying out God’s plan of salvation? God’s love! What would be the greatest and most significant news a person could receive? God loves you! What is the greatest and most significant news one could ever share with another? God loves you! What brings unity and peace within our individual selves, and the Lord’s Church? The knowledge, the receiving, and the expression of God’s love! This book is written through the spiritual desire to glorify and praise the Triune God Head, for their love.

Bayside Heat (Bayside Summers #3) Love in Bloom Contemporary Romance

Although the two great commandments to love God and to love our neighbors as ourselves are central to Christianity, few theologians or spiritual writers have undertaken an extensive account of the meaning and forms of these loves. Most accounts, in fact, make love of God and love of self either impossible or immoral. Integrating these two commandments, Edward Vacek, SJ, develops an original account of love as the theological foundation for Christian ethics. Vacek criticizes common understandings of agape, eros, and philia, examining the arguments of Aquinas, Nygren, Outka, Rahner, Scheler, and other theologians and philosophers. He defines love as an emotional, affirmative participation in the beloved's real and ideal goodness, and he extends this definition to the love between God and self. Vacek proposes that the heart of Christian moral life is loving cooperation with God in a mutually perfecting friendship.

Right Attitudes for Right Living

One objective of this book is to set forth the heart of God's Gospel. This volume is composed of a compilation of sermons and in-depth studies designed to strengthen and encourage Christians in their daily walk with God and with one another. Since the Cross of Christ is pivotal to a proper understanding of Christianity, numerous chapters in this book explore the "ins" and "outs" of the importance of the Cross in the lives of God's people. Not only does this book focus upon the scheme of God's redemption and evangelism as a part of every believer's ministry, it also calls attention to Christian apologetics, that is, a defense of Christianity. Three chapters are devoted to

this kind of study: (1) Christianity versus Skepticism, (2) Credibility and Candor of the New Testament Writers, and (3) Paul's Conversion: Apologetic for Christianity. Also, this book allocates three chapters to the subject of baptism and its meaning to God's children. And, finally, four chapters are dedicated to a detailed study of worship within the Christian community. Dallas Burdette has been a serious student, teacher and preacher of the Bible for fifty-eight years, supporting himself for many years as an agent for AFLAC. He has written numerous articles for religious journals, as well as many essays and sermons which are available on his website (www.freedominchrist.net). He has developed a keen interest in promoting unity among God's people through a more accurate reading of the Word. He has degrees from Amridge University (formerly Southern Christian University) where he also was Director of Extended Learning for five years. He holds the Doctor of Ministry degree (1999) from Erskine Theological Seminary.
