Florida Virtual School Answers Anatomy

And Physiology

You can learn about all of this and more in Anatomy and Physiology at FLVS! This challenging (but fun) science course is like an owner's manual for your body. Students not only learn about the body's muscles, organs, bones, and blood vessels, but also how these parts work together. Our A&P course includes several hands-on activities, including interactive elements, labs, and even a virtual surgery.

FLVS Anatomy and Physiology Course Tour | The Virtual Voice

How are Calculus, Physics and/or Anatomy and Physiology on Florida Virtual School? I am thinking of taking one or all of these classes online (at different times) and I just want to know the level of difficulty for each or any of them.
