From the New York Times bestselling author of On Dublin Street and Down London Road comes a new novella about finding love in familiar places... Ellie has been in

love with Adam Sutherland for as long as she can remember. What started as a childhood crush on her older brother's best friend soon bloomed into full-blown infatuation. Unfortunately, it also meant full-blown heartache, as Adam refused to fall for Braden's little sister. But it took a crisis to make Adam realize he's wasted too much time denying his feelings for her. Unwilling to waste a second more, he decided to make Ellie his, no matter the consequences. Now happily settled with the woman he's pined after for years, he's about to find out what their ten year courtship was like for her, through the journals she kept during their ups and many downs. And though Adam may have Ellie now, he has no idea how close he came to losing her... Includes a preview of Down London Road!
