The Shareholder Value Myth

Packed with reader-friendly illustrations, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 12e uses a nontechnical presentation to help your students understand the dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. Students learn to effectively apply legal reasoning to cases and legal issues using the Issue, Rule, Application and Conclusion (IRAC) method. In addition to new Going Global features that highlight the international aspects of legal issues, the 12th Edition also includes more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Principles for Success

Explore the foundations of business law as well as the application of legal concepts to everyday life. LAW FOR BUSINESS AND PERSONAL USE, 19E, combines strong content and interactive technology with consistent, proven instruction to maintain student interest and support active learning. Coverage includes contracts, criminal law, environmental law, family law, and consumer protection. With more than 1,000 cases, LAW FOR BUSINESS AND PERSONAL USE, 19E, offers plenty of opportunities for case analysis and research. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The 48 Laws of Power

This cost-effective alternative to traditional Business Law texts offers in-depth coverage of all core topics (including contracts and sales) in a brief, paperback format. It's the first book of its kind to combine a less expensive, less detailed approach with excerpted (rather than summarized) cases to illustrate key points of law. This text is perfect for single-semester courses that focus primarily on contracts and sales.

The Unwritten Laws of Business

With an enduring grasp of human nature, Dale Carnegie's How to Win Friends and Influence People teaches his readers how to handle people without letting them feel manipulated, how to make people feel important without inspiring resentment, how win people over to your point of view without causing offence, and how to make a friend out of just about anyone. Published in 1937, Carnegie's How to Win Friends and Influence People, was originally written as a companion book to his lectures on how to be a good salesperson. However, what began as a basic sales primer, quickly exploded into an overnight success, eventually selling more than 15 million copies worldwide, and pioneering an entire genre of self-help and personal success books. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

The Compound Effect

Packed with current examples and engaging scenarios, BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 7E has earned the stamp of approval from trial and appellate judges, working attorneys, scholars, and teachers for its full breadth of business law coverage. Extremely reader-friendly, the text is known for its lively, conversational writing style that explains complex topics in easy-to-understand language as it illustrates how legal concepts apply to everyday business practice. The seventh edition includes a new emphasis on the digital landscape, expanded coverage of

international law, and new information on privacy issues. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Rule of Nobody: Saving America from Dead Laws and Broken Government

Study Guide for Fundamentals of Business Law Summarized Cases

Written for anyone who suffers from "time famine", this essential handbook provides simple, effective methods for successfully taking control of one's hours--and one's life. Smith shows how, by managing time better, anyone can lead a happier, more confident and fulfilled life.

Fundamentals of Business (black and White)

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

A Treatise on the Social Compact, Or, The Principles of Political Law

Focussing on money and banking, this text provides an integrated coverage of topics that are important to these fields in the 21st century.

Business Law Today - The Essentials

Titles in Barron’s Business Review series are widely used as classroom supplements to college textbooks and often serve as a main textbook in business brush-up programs. *Business Law* focuses on the importance of legal theory in the everyday

business world, explaining such subjects as tort responsibility, government regulations, contracts, environmental law, product liability, consumer protection, and international law, among many other topics. Also discussed in detail are the legal aspects of partnerships, franchises, and corporations, as well as special topics that include business crimes, property as a legal concept, intellectual property, and similar pertinent topics. A study aid labeled Key Terms appears at the beginning of each chapter, and You Should Remember summaries are strategically interspersed throughout the text.

Cengage Advantage Books: Fundamentals of Business Law Today: Summarized Cases

The #1 New York Times bestseller. Over 1 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Eichmann in Jerusalem

Packed with 2013 and 2014 cases, FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES, 10e covers core business law topics like contracts and sales in a concise paperback. Summarized cases integrated throughout the text illustrate key points of law without unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, the text condenses the latest legal topics--including cyberlaw, health-care, financial reform, and more--for quick comprehension. An entire chapter is devoted to Internet Law, Social Media, and Privacy. Current, abbreviated, and

affordable, FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES, 10e provides an easy-to-understand alternative to traditional Business Law texts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Laws of Human Nature

Brief and affordable, FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition focuses on the core business law topics students need to know, including contracts and sales, in an abbreviated, paperback book. The summarized cases integrated throughout the text illustrate key points of law without overwhelming students with unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition condenses the latest legal topics--the Sarbanes-Oxley Act, cyberlaw, health-care and financial reform, the housing crisis, and more--for quick comprehension. Learning tools like boxed features, highlighted terms, learning objectives and summaries, self-testing, and review questions make FUNDAMENTALS OF BUSINESS LAW: SUMMARIZED CASES, 9th Edition the easy-to-understand alternative to traditional Business Law texts. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Law

How To Win Friends And Influence People

The New York Times and Wall Street Journal bestseller, based on the principle that little, everyday decisions will either take you to the life you desire or to disaster by default. No gimmicks. No Hyperbole. No Magic Bullet. The Compound Effect is a distillation of the fundamental principles that have guided the most phenomenal achievements in business, relationships, and beyond. This easy-to-use, step-by-step operating system allows you to multiply your success, chart your progress, and achieve any desire. If you're serious about living an extraordinary life, use the power of The Compound Effect to create the success you want. You will find strategies including: How to win--every time! The No. 1 strategy to achieve any goal and triumph over any competitor, even if they're smarter, more talented or more experienced. Eradicating your bad habits (some you might be unaware of!) that are derailing your progress. The real, lasting keys to motivation--how to get yourself to do things you don't feel like doing. Capturing the elusive, awesome force of momentum. Catch this, and you'll be unstoppable. The acceleration secrets of superachievers. Do they have an unfair advantage? Yes they do, and now you can too!

Managing Business Ethics

BUSINESS LAW: PRINCIPLES AND PRACTICES, 9E has been revised dramatically to enhance learning! The 9th edition offers a new learning system with clear learning objectives to guide students. The fresh two-color design engages students with its contemporary features: Ethics in a Business Setting, You React, and the Self-Check Quizzes. The case examples are presented in readable segments to be clear, current, and jargon-free. Co-authored by Arnold J. Goldman, a practicing attorney and William D. Sigismond, a veteran business law educator, this straightforward text shows students about the law using fascinating cases and ethical dilemmas. Hypothetical examples immediately follow discussion of concepts to further reinforce understanding. The new edition is updated throughout to reflect recent changes in the law, covering legal rights and responsibilities in both the public and private sectors. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Business Law: Text & Exercises

(Black & White version) Fundamentals of Business was created for Virginia Tech's MGT 1104 Foundations of Business through a collaboration between the Pamplin College of Business and Virginia Tech Libraries. This book is freely available at: <http://hdl.handle.net/10919/70961> It is licensed with a Creative Commons-NonCommercial ShareAlike 3.0 license.

It contains the key elements of the unconventional principles that helped Dalio become one of the world's most successful people—and that have now been read and shared by millions worldwide—including how to set goals, learn from mistakes, and collaborate with others to produce exceptional results. Whether you're already a fan of the ideas in Principles or are discovering them for the first time, this illustrated guide will help you achieve success in having the life that you want to have.

Restart

Business Law and the Legal Environment, Standard Edition

The secret to good government is a question no one in Washington is asking: “What’s the right thing to do?” What’s wrong in Washington is deeper than you think. Yes, there’s gridlock, polarization, and self-dealing. But hidden underneath is something bigger and more destructive. It’s a broken governing system. From that comes wasteful government, rising debt, failing schools, expensive health care, and economic hardship. Rules have replaced leadership in America. Bureaucracy, regulation, and outmoded law tie our hands and confine policy choices. Nobody asks, “What’s the right thing to do here?” Instead, they wonder, “What does the rule book say?” There’s a fatal flaw in America’s governing system—trying to decree correctness through rigid laws will never work. Public paralysis is the inevitable result of the steady accretion of detailed rules. America is now run by dead people—by political leaders from the past who enacted mandatory programs that churn ahead regardless of waste, irrelevance, or new priorities. America needs to radically simplify its operating system and give people—officials and citizens alike—the freedom to be practical. Rules can’t accomplish our goals. Only humans can get things done. In *The Rule of Nobody* Philip K. Howard argues for a return to the framers’ vision of public law—setting goals and boundaries, not dictating daily choices. This incendiary book explains how America went wrong and offers a guide for how to liberate human ingenuity to meet the challenges of this century.

Cengage Advantage Books: Fundamentals of Business Law: Summarized Cases

Business Law Today, Standard: Text & Summarized Cases

BUSINESS LAW TODAY: COMPREHENSIVE immerses students in the excitement of cutting-edge business law with a wide selection of intriguing new cases and thorough coverage of the latest developments in the field. The Ninth Edition of this successful textbook makes the study of business law appealing and relevant for today’s students without sacrificing the legal credibility and comprehensive coverage that have made the text a trusted favorite among instructors. Each chapter’s visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems and how landmark cases, statutes, and other laws are having a significant impact on the way businesses operate both within the United States and across the globe. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Law for Business and Personal Use

Describes a method of negotiation that isolates problems, focuses on interests, creates new options, and uses objective criteria to help two parties reach an agreement

Getting to Yes

The controversial journalistic analysis of the mentality that fostered the Holocaust, from the author of *The Origins of Totalitarianism* Sparking a flurry of heated debate, Hannah Arendt's authoritative and stunning report on the trial of German Nazi leader Adolf Eichmann first appeared as a series of articles in *The New Yorker* in 1963. This revised edition includes material that came to light after the trial, as well as Arendt's postscript directly addressing the controversy that arose over her account. A major journalistic triumph by an intellectual of singular influence, *Eichmann in Jerusalem* is as shocking as it is informative—an unflinching look at one of the most unsettling (and unsettled) issues of the twentieth century.

Fundamentals of Business Law Today + Mindtap Business Law, 2-term Access

Prepared by Roger LeRoy Miller, Institute for University Studies, Arlington, Texas, and William Eric Hollowell, Member of U.S. Supreme Court Bar, Minnesota State Bar, and Florida State Bar. Includes chapter objectives, key points covered in the text, chapter introduction, chapter outline, true-false questions, fill-in questions, multiple-choice questions, short essay problems, issue spotters, and answers to all but the essay questions. The answers to the essay questions are in the Instructor's Manual.

Principles of Economics

Business Law Today: Comprehensive: Text and Cases

#1 New York Times bestselling author Gordon Korman's tale of a boy who doesn't know who he is anymore . . . literally.

Atomic Habits

Every once in awhile, there is a book with a message so timeless, so universal, that it transcends generations. *The Unwritten Laws of Business* is such a book. Originally published over 60 years ago as *The Unwritten Laws of Engineering*, it has sold over 100,000 copies, despite the fact that it has never been available before to general readers. Fully revised for business readers today, here are but a few of the gems you'll find in this little-known business classic: If you take care of your present job well, the future will take care of itself. The individual who says nothing is usually credited with having nothing to say. Whenever you are performing someone else's function, you are probably neglecting your own. Martyrdom

only rarely makes heroes, and in the business world, such heroes and martyrs often find themselves unemployed.

Fundamentals of Business Law

This cost-effective alternative to traditional Business Law texts offers in-depth coverage of all core topics (including contracts and sales) in a brief, paperback format. It's the first book of its kind to combine a less expensive, less detailed approach with excerpted (rather than summarized) cases to illustrate key points of law. This text is perfect for single-semester courses that focus primarily on contracts and sales. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Money, Banking, and Financial Markets

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. Business Law I Essentials is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. Business Law I Essentials may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

10 Natural Laws of Successful Time and Life Management

Focus on the basics of business law principles with BUSINESS LAW: TEXT AND EXERCISES, 9E. Written in user-friendly language, each chapter concentrates on one important topic, allowing readers to easily explore specific points of law and concepts. The authors have taken special care to provide straightforward descriptions, everyday examples, and varied exercises to help readers apply what they are reading and learning to real-life situations. Developed to provide a business law overview, this edition's short, concise chapters are punctuated with illustrative and timely features, including Highlighting the Point and real case summaries. Each chapter's learning tools clarify contemporary legal principles in a practical presentation that ensures readers gain a solid understanding of business law. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Fundamentals of Business Law Today + Mindtap Business Law, 1-term Access

This text blends traditional introductory physics topics with an emphasis on human applications and an expanded coverage of modern physics topics, such as the existence of atoms and the conversion of mass into energy. Topical coverage is combined with the author's lively, conversational writing style, innovative features, the direct and clear manner of presentation, and the emphasis on problem solving and practical applications.

Business Law I Essentials

Cengage Advantage Books: Fundamentals of Business Law: Summarized Cases

Executives, investors, and the business press routinely chant the mantra that corporations are required to “maximize shareholder value.” In this pathbreaking book, renowned corporate expert Lynn Stout debunks the myth that corporate law mandates shareholder primacy. Stout shows how shareholder value thinking endangers not only investors but the rest of us as well, leading managers to focus myopically on short-term earnings; discouraging investment and innovation; harming employees, customers, and communities; and causing companies to indulge in reckless, sociopathic, and irresponsible behaviors. And she looks at new models of corporate purpose that better serve the needs of investors, corporations, and society.
