The Concepts and Skills program is committed to meeting the needs of all learning levels by providing an accessible approach that helps prepare students for success in algebra and geometry. Build a Solid Foundation in the Fundamentals. Built-in learning support helps students master concepts one at a time. The texts include visual learning strategies, easy-to-follow examples, and help notes for homework, vocabulary, and problem solving. Count on Flexibility and Manageable Pacing. A variety of teaching tools and the focused presentation of the material aid you in the development of active learners. Practice problems gradually increase in difficulty, and Geometry presents a paced approach to proofs. Prepare Students with Abundant Practice. Numerous exercises reinforce concepts and ensure that your students are ready for assessment success. Guided practice targets specific skills. - Publisher.
