Damascus Countdown

Garrett is a human detective in the fantastical city of TunFaire. And now he's getting tangled up in the worst sort of laws In-laws. Garrett is set to stow his wandering heart with his fiancée, Strafa Algarda. But for Garrett, even true love comes with its share of headaches—namely, the Algarda family. Strafa's family needs Garrett's unique skills in the worst way. Rumors are spreading that someone is organizing a Tournament of Swords—a brutal contest that magically compels the children of sorcerers to battle until only one is left alive. The winner will absorb the power from those he has killed and thus become a demigod. Strafa and her family want to protect her daughter, Kevans, from being forced to take part in the lethal contestand they've asked Garrett to find out who is organizing the tournament and nip it in the bud. The only problem is that finding the culprit is most likely impossible. But the Algardas are used to getting what they want.

Inner Revolution

The author of the bestseller White Mischief tells the story of the beautiful Langhorne sisters, who lived at the Pinnacle of high and powerful society from the end of the Civil War through the Second World War. Making their way across two continents, they left in their wakes rich husbands, fame, adoration, and scandal. Lizzie, Irene, Nancy, Phyllis, and Nora were born in Virginia to a family impoverished by the Civil War. Their father remade his fortune by collaborating with the Yankees and building rail-roads; the sisters became southern belles and northern debutantes. James Fox draws on unpublished correspondence between the sisters and their husbands, lovers, children, and the powerful and glamorous of their day to construct a plural topography with the scope of a grand novel and the pace of a historical thriller. At its center is the most famous sister, Nancy, who married Waldorf Astor, one of the richest men in the world. Heroic, hilarious, magnetically

charming, and a bully, Lady Astor became Britain's first female MP, championing women's rights and the poor. The beautiful Irene married Charles Dana Gibson and was the model for the Gibson Girl. The author's grandmother, Phyllis, married a famous economist, one of the architects of modern Europe. Fox has written an absorbing and spirited, intimate and sweeping account of extraordinary women at the highest reaches of society, their adventures set against the background of a tumultuous century.

The End Of Alice

From the 2013 Orange Prize-winning author of *May We Be Forgiven*. Only a work of such searing, meticulously controlled brilliance could provoke such a wide range of visceral responses. Here is the incredible story of an imprisoned pedophile who is drawn into an erotically charged correspondence with a nineteen-year-old suburban coed. As the two reveal—and revel in—their obsessive desires, Homes creates in *The End of Alice* a novel that is part romance, part horror story, at once unnerving and seductive.

Unhallowed Ground

In 1799, at the end of George Washington's long life and illustrious career, the politician Henry Lee eulogized him as: "First in war, first in peace, and first in the hearts of his countrymen." Esteemed historian Richard Brookhiser now adds to this list, "First in leadership," examining the lessons to be learned from our first president, first commander-in-chief, and founding CEO. With wit and skill, Brookhiser expertly anatomizes true leadership with lessons from Washington's three spectacularly successful careers as an executive: general, president, and tycoon. In every area of endeavor, Washington maximized his strengths and overcame his flaws. Brookhiser shows how one man's struggles and successes two centuries ago can serve as a model—and an inspiration—for leaders today.

A Life of One's Own

It is the ancient days of the Persian Empire. Hadassah was content in her quiet life in the Jewish quarter of the city of Babylon with her uncle Mordecai, who had raised her from childhood. But she was old enough to be married, and yet her uncle hadn't arranged a marriage for her. Meanwhile in Shushan, King Ahasuerus' marriage to the vain and selfish Vashti has ended, and a new wife must be found. Why not bring to him the most beautiful women of the kingdom, and let him choose? And so the loveliest young women of the empire are selected in local contests, and Hadassah is among those chosen to go to Shushan to meet the King. But as a Jewess in a foreign land with powerful enemies to her faith, she must conceal her true identity and take the Babylonian name of Esther. Will she find love with a man she has never met? And can

she survive in a strict royal court controlled by the evil prime minister Haman, who wants to destroy her people?-Print ed.

In Modern Paper Crafts, well-known origami guru Margaret Van Sicklen blows the dust off traditional origami and paper crafting, presenting more than 20 projects that rely on classic paper craft techniques, but are suited to 21st-century style and aesthetics. The suite of contemporary projects in Modern Paper Crafts ranges from gift wrap, holiday ornaments, and note cards to frames, boxes, bowls, silhouettes, wall art, mobiles, and even a folding screen. Projects are divided into five chapters: folding, cutting, scoring and sculpting, pleating, and recycling. Each chapter begins with an overview and step-by-step photo tutorials of basic techniques, and each project includes step-by-step instructions and illustrations. A variety of papers are used for the projects, from standard cardstock and scrapbooking paper to art papers and recycled corrugated cardboard. All of the projects are accessible to the novice paper crafter but will also appeal to the more advanced crafter.

The Whole Hog Cookbook

Genghis Khan is one of history's immortals, alive in memory as a scourge, hero, military genius and demi-god. To Muslims, Russians and westerners, he is a murderer of millions, a brutal oppressor. Yet in his homeland of Mongolia he is the revered father of the nation, and the Chinese honor him as the founder of a dynasty. In his so-called Mausoleum in Inner Mongolia, worshippers seek the blessing of his spirit. In a supreme paradox, the world's most ruthless conqueror has become a force for peace and reconciliation. As a teenager, Genghis was a fugitive, hiding from enemies on a remote mountainside. Yet he went on to found the world's greatest land empire and change the course of world history. Brilliant and original as well as

ruthless, he ruled an empire twice the size of Rome's until his death in 1227 placed all at risk. To secure his conquests and then extend them, his heirs kept his death a secret, and secrecy has surrounded him ever since. His undiscovered grave, with its imagined treasures, remains the subject of intrigue and speculation. This is more than just a gripping account of Genghis' rise and conquests. John Man uses first-hand experiences in China and Mongolia to reveal the khan's enduring influence. He has traveled the length of the empire. He spotlights the tension between Mongols and Chinese, who both claim Genghis' spirit. He is the first writer to explore the hidden valley where Genghis is believed to have died, and one of the few westerners to climb the mountain where he was likely buried. This stunning narrative paints a vivid picture of the man himself, the places where he lived and fought, and the passions that surround him still. For in legend, ritual and intense controversy, Genghis lives on.

Behold Your Queen!

Deep in the woods is a little wooden house, with nine neat windows and a red front door. When a little mouse decides it will make the perfect home, so do the other animals in the wood - including a great big bear! But will the bear be able to put everything right when their home comes tumbling down? Find out in this beautifully illustrated retelling of a classic Russian folk tale.

The First Americans

For the well-rounded Christian looking to improve their critical thinking skills, here is an accessible introduction to the study of logic (parts 1 & 2) as well as an in-depth treatment of the discipline (parts 3 & 4) from a professor with 6 academic degrees and over 30 years experience teaching. Questions for further reflection are included at the end of each chapter as

well as helpful diagrams and charts that are appropriate for use in high school, home school, college, and graduate-level classrooms. Overall, Vern Poythress has undertaken a radical recasting of the study of logic in this revolutionary work from a Christian worldview.

Stravaganza: City of Stars

From the author of the Agatha Raisin television series *DEATH OF YESTERDAY: A Hamish Macbeth Mystery* When a local woman tells Sergeant Hamish Macbeth that she doesn't remember what happened the previous evening, he doesn't begin to worry. She had been out drinking, after all, and he'd prefer not to be bothered with such an arrogant and annoying woman. But when her body is discovered, Hamish is forced to investigate a crime that the only known witness--now dead--had forgotten.

The New York Times calls him "America's number one Buddhist." He is the co-founder of Tibet House New York, was the first American Tibetan Buddhist monk, and has shared a thirty-five-year friendship with the Dalai Lama. Now, Robert Thurman presents his first completely original book, an introduction to Buddhism and "an inspiring guide to incorporating Buddhist wisdom into daily life" (USA Today). Written with insight, enthusiasm, and impeccable scholarship, *Inner Revolution* is not only a national bestseller and practical primer on one of the world's most fascinating traditions, but it is also a wide-ranging look at the course of our civilization--and how we can alter it for the better. "Part spiritual memoir, part philosophical treatise and part religious history, Thurman's book is a passionate declaration of the possibilities of renewing the world" (Publishers Weekly, starred review).

The Small-Engine Handbook

Only four men survived the plane crash. The pilot. A politician. A cop and the criminal he was shackled to. On an icy night in October 1984, a commuter plane carrying nine passengers crashed in the remote wilderness of northern Alberta, killing six people. Four survived: the rookie pilot, a prominent politician, a cop, and the criminal he was escorting to face charges. Despite the poor weather, Erik Vogel, the 24-year-old pilot, was under intense pressure to fly. Larry Shaben, the author's father and Canada's first Muslim Cabinet Minister, was commuting home after a busy week at the Alberta Legislature. Constable Scott Deschamps was escorting Paul Archambault, a drifter wanted on an outstanding warrant. Against regulations, Archambault's handcuffs were removed—a decision that would profoundly impact the men's survival. As the men fight through the night to stay alive, the dividing lines of power, wealth, and status are erased, and each man is forced to confront the precious and limited nature of his existence.

J. M. Adovasio has spent the last thirty years at the center of one of our most fiery scientific debates: Who were the first humans in the Americas, and how and when did they get there? At its heart, *The First Americans* is the story of the revolution in thinking that Adovasio and his fellow archaeologists have brought about, and the firestorm it has ignited. As he writes, "The work of lifetimes has been put at risk, reputations have been damaged, an astounding amount of silliness and even profound stupidity has been taken as serious thought, and always lurking in the background of all the argumentation and gnashing of tenets has been the question of whether the field of archaeology can ever be pursued as a science."

The Dragons of Dorcastle

How often do we ask ourselves, 'What will make me happy? What do I really want from life?' In *A Life of One's Own* Marion Milner explores these questions and embarks on a seven year personal journey to discover what it is that makes her happy. On its first publication, W. H. Auden found the book 'as exciting as a detective story' and, as Milner searches out clues, the reader quickly becomes involved in the chase. Using her own personal diaries, kept over many years, she analyses moments of everyday life and discovers ways of being, of looking, of moving, that bring surprising joy - ways which can be embraced by anyone. With a new introduction by Rachel Bowlby this classic remains a great adventure in thinking and living and will be essential reading for all those interested in reflecting on the nature of their own happiness - whether readers from a literary, an artistic, a historical, an educational or a psychoanalytic/psychotherapeutic background.

Five Sisters

Kresley Cole returns with a breathtaking romantic saga of love, honor, and passion unbound -- as a man of duty faces his greatest trial, and a young castaway discovers her greatest desire. A man noted for his courage and integrity, Captain Grant Sutherland journeys to Oceania to find Victoria Dearbourne, an English girl lost at sea a decade before. He's given her ailing grandfather his word -- as a gentleman -- to find and protect her. But one look at a grown Victoria and Grant has never felt less like one. Tori relishes freedom, untamed passion, and spontaneity above stifling order. Even more so when a proud, cold British captain arrives to rescue her, though she has no wish to be. As Grant tries to convince her to leave her island home, she begins to see in him a man hungering for more. A man who once laughed. A man who desires her but won't take what she offers. Grant struggles to control his own savage passions -- and fails, Tori must decide what she wants more -- her unfettered independence or the only man who could tame her wild heart.

Prison Writings

Edited by Harvey Arden, with an Introduction by Chief Arvol Looking Horse, and a Preface by former Attorney General Ramsey Clark. In 1977, Leonard Peltier received a life sentence for the murder of two FBI agents. He has affirmed his innocence ever since--his case was made fully and famously in Peter Matthiessen's bestselling *In the Spirit of Crazy Horse*--and many remain convinced he was wrongly convicted. *Prison Writings* is a wise and unsettling book, both memoir and manifesto, chronicling his life in Leavenworth Prison in Kansas. Invoking the Sun Dance, in which pain leads one to a transcendent reality, Peltier explores his suffering and the insights it has borne him. He also locates his experience within the history of the American Indian peoples and their struggles to overcome the federal government's injustices.

The Phantom Herd

Peter Hunn. It's common for homeowners to have 2- or 4-cycle small engines in their lawn and garden equipment, utility vehicles, recreational vehicles, generators and other machines. With this easy-to-follow, richly illustrated handbook, homeowners will be able to understanding small engines, troubleshooting them and working on them. The book has a brief history of significant and popular small engines and a guide to setting up a home workshop in which to work on them. It also includes case studies on the disassembly, maintenance, repair and/or rebuilding of: a 2-stroke lawnmower engine, a

4-stroke utility motor, a 2-stroke chainsaw engine, and a curbside junker. The writing is lively and entertaining and the color photos clearly show how to work on these useful engines.

Bound by Light

Georgia is an ordinary girl, living in London with her mother, stepfather, and bully of a stepbrother, and coping with the difficulties of growing up. But her life takes a sudden change when she buys a tiny figurine of a winged horse, and suddenly finds herself swept up into the world of the Stravagante. The tiny horse becomes her magical time-travel talisman and transports her to Remora, the Talian parallel to the city of Siena, Italy. There she meets Lucien, the Stravagante we first met in City of Masks, and many other fascinating people who are in the midst of preparing for the Stellata, the annual horse race run each year in the city. Intrigue, romance, and the rare appearance of a true winged horse ensure an exciting adventure to rival the first in this captivating series.

Dematr is a world ruled by the diametrically opposed Mage and Mechanic Guilds. For centuries, the two Great Guilds have been bitter rivals. But now a Storm approaches, one that could sweep away everything that humans have built. Only one person has any chance of uniting enough of the world behind to stop the Storm. Mari is a brilliant young Mechanic, just out of the Guild Halls, where she has spent most of her life learning how to run the steam locomotives and other devices of her Guild. Alain is the youngest Mage ever to learn how to change the world he sees with the power of his mind. Each has been taught that the works of the other's Guild are frauds. But when their caravan is destroyed, they must join forces. Their union could save the world from the approaching Storm, but it could also upend the Great Guilds who will stop at nothing to preserve their power. Mari and Alain will have to choose between protecting their lives and their Guilds, or risking everything to protect Dematr from the coming Storm.

Sophie's Heart

Many of B. M. Bower's Western novels were adapted for the silver screen, an experience she puts to hilarious use in the entertaining novel *The Phantom Herd*. In it, Bower skewers the filmmaking process, depicting a bumbling crew of Hollywood moneygrubbers who come to the Wild West to shoot a movie, only to find that the truly untamed nature of the region is virtually impossible to capture on film.

Death of Yesterday

Before the *Krewe of Hunters*, there was *Harrison Investigations*. Be thrilled by this classic paranormal romantic suspense by the queen of the genre, New York Times bestselling author Heather Graham. When Sarah McKinley is finally able to buy and restore the historic Florida mansion that she has always loved, she dismisses the horror stories of past residents vanishing and a long-dead housekeeper who practiced black magic. Then, in the midst of renovations, she makes a grim discovery.

Hidden within the walls of Sarah's dream house are the remains of dozens of bodies—some dating back over a century. The door to the past is blown wide open when Caleb Anderson, a private investigator, shows up at the mansion. He believes several current missing-persons cases are linked to the house and its dark past. Working together to find the connection and stop a contemporary killer, Sarah and Caleb are compelled to research the history of the haunted house, growing closer to each other even as the solution to the murders eludes them. But there is one who knows the truth...a spirit who follows every move they make. Soon Caleb begins to fear that if he can't stay a step ahead, he could lose Sarah to a killer with an ability to transcend time in a quest for blood and sacrifice. Originally published in 2009
