Teach Your Children Tables

Provides differentiated instructional techniques, lesson examples, and assessment rubrics across core subject areas to nurture a love for learning in socially, culturally, and academically diverse learners.

Project Pre-Check Fastpath

Report and Proceedings of the Senate Committee Appointed to Investigate the Police Department of the City of New York

This game's going into overtime. Janna MacNeil is a publicist on a mission—to change the image of the bad boys of hockey: the Stanley Cup Champion New York Blades. Ty Gallagher is a captain on a mission—to get his team to win the Cup again...at any cost. His determination is legendary, as well as his unwillingness to toe the corporate line. When the persistent publicist and the stubborn captain butt heads, it's hard enough to crack the ice. But they may end up melting it instead...

Body Check

You've waited for this moment your entire life. Being able to come and go as you please, to eat what you want when you want, to listen to your music as loud as you'd like, and the option of going to Wal-Mart at 3am just because you can. Your

mind is filled with excitement, enthusiasm, and anticipation as you grow up and prepare to enter the real world of life. But then it hits you like a ton of bricks—A Reality Check. The days of choosing between white milk and chocolate milk are replaced by decisions on paying bills, making career decisions, attending college classes, and preparing your taxes. Recess and nap time are distant memories that have now been exchanged for frustrations with your boss, relationship challenges, and the need for health insurance. Pretty exciting, huh? In this humorous and relevant book, Reality Check, author Grant Baldwin helps you navigate both the challenges and opportunities of the real world in a practical and applicable manner. He addresses the real and honest questions that students are asking on issues such as creating a budget, applying for scholarships, dealing with relationships, and finding a career that you're passionate about. This is your guide to the Real World.

Madness on the Couch

Great math skills are a head start to lasting success Teach Your Children Tables is the ultimate guide to improving your child's mathematical abilities. Written by a renowned education expert, this book provides a proven approach to teaching that will help you enable your child to master multiplication tables in less than half an hour, and solve problems like 96×97 faster than they could tap it into a calculator! This updated third edition includes new chapters on factors and playing with square numbers, plus tips for learning tables up to fifteen and beyond. Children will learn that numbers can be fun while they improve their thinking skills, boost their confidence and self esteem, learn problem solving strategies, and set themselves up for lasting educational success. People who excel at maths are not necessarily more intelligent, they just use better strategies than the rest of us. This book gives you the perspective and the strategies you need to improve your child's understanding of maths, and introduce them to techniques that will have them performing like geniuses! Imagine helping your child: Perform lightning-quick calculations Discover easy methods of multiplication Learn the basic principles of mathematics Have fun playing with numbers Excellent maths skills present a serious advantage, throughout school and beyond. Children who are good at maths get better grades, higher test scores, and are accepted into better schools. Maths-minded adults are more in demand professionally, in fields that pay better and provide more room for upward mobility. If you could give your child this kind of gift, why wouldn't you? Now you can—Teach Your Children Tables shows you how, and makes it feel like fun.

rules published in the Federal Register by the executive departments and agencies of the Federal Government.

Letters from “Apartheid Street”

I am writing this book to awake the world. Don't trust anyone, and for the safety of your own life and family, please do a background check before you get to know any man or woman. I have lived a hard life, and through the grace of God, I was blessed to miss death so many times. I know it wasn't my time, and I believe it wasn't Takia's time either or Monica's, but with these crazy ass men out here carrying bad feelings for their mother and anyone else that hurt them. You can be that victim, ladies, so be careful of how you live your life with these men that we meet and not wondering where there from and who they were before they met you. Be careful, everyone. This is from the deepest of my heart. Be nosy and ask questions, even look them up doing an instant background check just for safety and security of your life and your family's life.

Reduced in price by \$9.99, and expanded in page count, this new, expanded edition, includes more than 15 detailed practice hands, with special emphasis on tournament play and the new tournament structures. It includes more than 25 new card illustrations. Clearly-written strategies and powerful advice show players the best starting hands, strategies for the flop, turn, and river, how to recognize dangerous draws, win at low-limit and high-stakes games, play against loose and tight opponents, and the differing strategies for rebuy and freeze-out tournaments. Players learn the best starting hands, when slowplaying a big hand is dangerous, what danglers are and why winners don't play them. Pot-limit Omaha is the only poker game where you sometimes fold the nuts on the flop and are correct in doing so—players will learn why! This new edition includes added strategies on how to capitalize on Omaha high-low in multi-game events, building on Cloutier's first-hand experience at the final table of the inaugural \$50,000 buy-in H.O.R.S.E. tournament at the World Series of Poker.

A boy. A battle. A turtle. A journey. The following journal is an inspirational true story which illustrates a mother's point of view, a personal perspective of what day to day life is like with a son battling cancer and find peace while living with it. On these pages it is the intent to hopefully enlighten you to a new start. A new beginning. Strength, courage, patience and perhaps insight are the sole reason for writing this journal. Cancer is a worldwide scare. Hopefully after reading this story, you may just find what we did. Faith. Hope. Dream. Belief. Joy. Peace.

The Code of Federal Regulations of the United States of America

Project Pre-Check FastPath - The Project Managers Guide to Stakeholder Management The original Project Pre-Check was published in 2007 as a planning, governance and project assessment practice for project stakeholders. It provides

the structure, roadmaps and resources to leverage proven best practices and ensure project success for all stakeholders. Since that time, project managers have asked for a version of Project Pre-Check that addresses their specific needs. They recognized that stakeholder management is an often overlooked yet critical part of the project managers tool kit. They were looking for examples of other projects and circumstances and tips and techniques to help them shape their stakeholder groups into effective guiding coalitions. This book, Project Pre-Check FastPath, is our response to that need.

A vacation rental includes a portal to a secret realm in this “intergenerational . . . intergalactic charmer” from the New York Times–bestselling author (Publishers Weekly). Penn and Chandelle, an older couple, rent a house in the city at a bargain price and discover that its back door opens onto an endless forest. Now they know why others were scared off. That’s only the beginning of the oddities about this particular piece of realty. They decide to call in experts: their grandchildren, Lloyd and Lynn, who pitch in with a will, to try to discover what and why. But it may be more of a challenge than they can handle.

Marriage Is Good, But Get a Background Check

In 1984, Ron Sider challenged that until Christians are ready to risk everything in pursuit of peace, “we dare never whisper another word about pacifism . . . Unless we are ready to die developing new nonviolent attempts to reduce conflict, we should confess that we never really meant that the cross was an alternative to the sword.” From this challenge, Christian Peacemaker Teams was born. Nearly thirty years later, Michael McRay too explored Sider's challenge, interning with CPT in the West Bank city of Hebron. Alongside local and international peacemakers, McRay learned how to resist the violence of occupation, sharing in the stories of a suffering people as he struggled to embody the peaceable spirit of the rabbi from Nazareth. This book tells those stories. Drawing on his personal experience with the land and its history, McRay's raw letters home tackle critical issues relevant to peacemakers everywhere: What is really happening in Palestine that mainstream media fails to report? How are Palestinians' lives being affected? How can one be peaceable amidst such violence and oppression? How should Christian discipleship influence one's pursuits of peacemaking and reconciliation? McRay's letters illustrate both the challenge and promise of the cross in today's world.

Abcs That Make Cents

Sixteen-year-olds Charlie, Keiran, Brooke, and Hallie have just been signed up for their own reality television show. They can't even believe it. "You'll be The Hills meets The Secret Life of the American Teenager," the Armani-suited executive tells them, "and the hottest thing on our network." How could they say no? But soon enough, cameras following them everywhere and interfering producers surreptitiously scripting their lives start to affect the four best friends' relationship. Brooke seems to want all the screen time. Keiran is abruptly written out of the show—and consequently the group's friendship—when she doesn't rate well. As soon as Charlie realizes what's going on, she figures out the perfect way to give the studio and her home audience a much-needed reality check. Because friends don't let friends do reality shows.

Background Check

In the near future, humanity has used technology to unravel almost all of life's mysteries. The only boundary we have left is the that of death. When Anne Westfeld is shot in the streets of New Chicago, her loved ones experience that boundary of death first hand. Then something strange happens. Six months later, Anne returns from the grave. She walks right back into her life, just like she was before. Now Anne's closest friends must work together to figure out exactly how she came back, and if she's really the same person they lost. The reality of the situation is deeper than they know, and will take all of them to their physical and emotional limits.

The Forgotten Pieces

House Documents

IS IT ME OR IS IT THEM? Maintaining control in today's hectic workplace is a challenge -- everything is lean, competitive, and uncertain. What does it take to survive? *Making Work Work* is Julie Morgenstern's most important book yet. Through the mastery of brand-new strategies, Morgenstern shows you how small changes in your thinking and behavior will help you achieve the seemingly impossible -- boost your value, increase your job security, and afford you the time to still have a life. Morgenstern has helped clients of all levels take control of their work lives in every industry: from corporations and nonprofits to government agencies and small businesses; from executives and assistants to educators and salespeople. She's learned that no matter who you are, happiness at work involves feeling appreciated, in control, successful, and in balance. And achieving that is possible. People rarely look at their jobs from a psychological and practical perspective at the same time, but Julie Morgenstern does. This book mirrors the individual consulting services she provides by showing you how to start with yourself and then tackle the more complex external issues of working relationships and the job. For every obstacle you encounter along the way, Morgenstern diagnoses the source of the problem (is it you or them?), and with insight and warmth, she provides simple grab-and-go strategies. These are small changes anyone can make to improve performance and efficiency at work. At its core, *Making Work Work* is about your relationship to your job. With the reliable, methodical process taught in this book, you will:

- feel less trapped and more in charge
- be able to make a bad situation better
- search for a job that's a better fit for who you are.

This is a provocative and life-changing book that will help you boost your clarity, confidence, and performance in any economic climate. With Morgenstern's guidance you can find a way to make work work.
