The Space Between

New Adult Paranormal Romance ** Mature Content ** Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all along with the rest of Earth's souls.

Where Am I Now?

#1 NEW YORK TIMES BESTSELLER • From the National Book Award-winning author of Stamped from the Beginning comes a “groundbreaking” (Time) approach to understanding and uprooting racism and inequality in our society—and in ourselves. “The most courageous book to date on the problem of race in the Western mind.”—The New York Times NAMED ONE OF

THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • NPR • The Washington Post • Shelf Awareness • Library Journal • Publishers Weekly • Kirkus Reviews Antiracism is a transformative concept that reorients and reenergizes the conversation about racism—and, even more fundamentally, points us toward liberating new ways of thinking about ourselves and each other. At its core, racism is a powerful system that creates false hierarchies of human value; its warped logic extends beyond race, from the way we regard people of different ethnicities or skin colors to the way we treat people of different sexes, gender identities, and body types. Racism intersects with class and culture and geography and even changes the way we see and value ourselves. In *How to Be an Antiracist*, Kendi takes readers through a widening circle of antiracist ideas—from the most basic concepts to visionary possibilities—that will help readers see all forms of racism clearly, understand their poisonous consequences, and work to oppose them in our systems and in ourselves. Kendi weaves an electrifying combination of ethics, history, law, and science with his own personal story of awakening to antiracism. This is an essential work for anyone who wants to go beyond the awareness of racism to the next step: contributing to the formation of a just and equitable society. Praise for *How to Be an Antiracist* “Ibram X. Kendi’s new book, *How to Be an Antiracist*, couldn’t come at a better time. . . . Kendi has gifted us with a book that is not only an essential instruction manual but also a memoir of the author’s own path from anti-black racism to anti-white racism and, finally, to antiracism. . . . *How to Be an Antiracist* gives us a clear and compelling way to approach, as Kendi puts it in his introduction, ‘the basic struggle we’re all in, the struggle to be fully human and to see that others are fully human.’ ”—NPR “Kendi dissects why in a society where so few people consider themselves to be racist the divisions and inequalities of racism remain so prevalent. *How to Be an Antiracist* punctures the myths of a post-racial America, examining what racism really is—and what we should do about it.”—Time

The Inspiring Journey of a Hero

The baseball All-Star recounts his life and nineteen-year career in the sport and business of major league baseball, offering his candid, no-holds-barred reflections on such topics as racism in major leagues, steroids, the Yankees, the frustrations of dealing with baseball executives, and more. Reprint. 50,000 first printing.

The Invisible Orientation

Inside Power

Mara Wilson has always felt a little young and a little out of place. As the only child on a film set full of adults, she started out with accidental fame and journeyed to relative (but happy) obscurity, learning a lot about growing up along the way.

Her collection of essays illuminates a universal struggle: learning to accept yourself and figuring out where you belong. Exquisitely crafted, revelatory, and full of the crack comic timing that has made Wilson a sought-after storyteller and Twitter star, *Where Am I Now* introduces a witty, perceptive new voice.

Life and Fate

NOW A HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but electrifying—something life changing begins. A year later, they’re both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can’t. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

I Am, I Am, I Am

- Over 11 million copies sold - #1 New York Times Bestseller for 8 years running - Now celebrating its 25th anniversary
Simple ideas, lasting love
Falling in love is easy. Staying in love—that’s the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? In the #1 New York Times bestseller *The 5 Love Languages*, you’ll discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman’s proven approach to showing and receiving love will

help you experience deeper and richer levels of intimacy with your partner—starting today. The 5 Love Languages is as practical as it is insightful. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Couple's Personal Profile assessment so you can discover your love language and that of your loved one.

The Baby Sleep Coach Book

A book judged so dangerous in the Soviet Union that not only the manuscript but the ribbons on which it had been typed were confiscated by the state, *Life and Fate* is an epic tale of World War II and a profound reckoning with the dark forces that dominated the twentieth century. Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle-class family, the Shaposhnikovs, scattered by fortune from Germany to Siberia, Vasily Grossman fashions an immense, intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope. *Life and Fate* juxtaposes bedrooms and snipers' nests, scientific laboratories and the Gulag, taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves. This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature.

2012

Taking its cue from Deleuze's definition of minor cinema as one which engages in a creative act of becoming, this collection explores the multifarious ways that music has been used in the cinemas of various countries in Australasia, Africa, Latin America and even in Europe that have hitherto received little attention. The authors consider such film music with a focus on the role it has played creating, problematizing, and sometimes contesting, the nation. *Film Music in 'Minor' National Cinemas* addresses the relationships between film music and the national cinemas beyond Hollywood and the European countries that comprise most of the literature in the field. Broad in scope, it includes chapters that analyze the contribution of specific composers and songwriters to their national cinemas, and the way music works in films dealing with national narratives or issues; the role of music in the shaping of national stars and specific use of genres; audience reception of films on national music traditions; and the use of music in emerging digital video industries.

Here I Am

Archaeologist Laura Shepherd goes on a quest to solve the mystery behind a crystal skull found in the hand of a dead colleague.

The Book of Mormon

J, who feels like a boy mistakenly born as a girl, runs away from his best friend who has rejected him and the parents he thinks do not understand him when he finally decides that it is time to be who he really is.

You Are a Badass®

American Dirt (Oprah's Book Club)

I'm OK--You're OK

The special anniversary edition of The Little Engine That Could(TM) contains the entire text and original artwork. A laminated jacket, gold-stamped cloth binding, and colored endpapers complete the deluxe package. Young readers, as well as parents and grandparents, will treasure the story of the blue locomotive who exemplifies the power of positive thinking.

The Little Engine That Could

A family tragedy takes Jael, her mother, and her stepfather to Raven Estates, a small town shut behind iron bars. The more Jael and her family learn about the tragedy, the more mysterious things seem. Jael hopes her new school will bring a reprieve from the grief at home, but she learns very quickly that this is no ordinary school, and her new friends are no ordinary students. Most surprising of all, Jael learns that she comes from a line of powerful beings. When disaster starts to move from Jael's house to several other families in Raven Estates, it is clear that something sinister is happening, and Jael and her friends may be the only ones who can stop it. In the same vein as the House of Night and the Beautiful Creatures series, this story will take you into the life of a sixteen-year-old girl who is learning that life is more magical than she could have ever imagined.

Alcoholics Anonymous

DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF AND AN UNFORGETTABLE AND SWEEPING FAMILY SAGA. From the author of the extraordinary #1 New York Times bestseller The Book Thief, I Am the Messenger is an acclaimed novel filled with laughter, fists, and love. A MICHAEL L. PRINTZ HONOR BOOK FIVE STARRED

REVIEWS Ed Kennedy is an underage cabdriver without much of a future. He's pathetic at playing cards, hopelessly in love with his best friend, Audrey, and utterly devoted to his coffee-drinking dog, the Doorman. His life is one of peaceful routine and incompetence until he inadvertently stops a bank robbery. That's when the first ace arrives in the mail. That's when Ed becomes the messenger. Chosen to care, he makes his way through town helping and hurting (when necessary) until only one question remains: Who's behind Ed's mission?

All That I Am

Awaken Your Soul ARE YOU A MONEY MAGNET? HOW DO YOU REACT TO ADVERSITIES? DO YOU FEEL SOME PEOPLE ARE LUCKIER THAN YOU? Some of us believe that our fates are written in our stars—predestined and unchangeable. But it is possible to take charge of our own lives. For years, experts have been talking about the power of the human mind—helping us realize the boundless energy that lies untapped, until we set it free. You only have to believe! This book will not have all the answers to your problems, nor is it a guide to lead you to some “promised land”. But it will awaken the unlimited power within you, a resource you can access anytime. With this power, you can shape your future. Within these pages you will learn to craft your own success story with the help of anecdotes from the author’s own life and those around her, and also to navigate difficult situations with ease. This is a book to remind you of something very important: The Magic in You! DEEPA RAJANI is a mother to two lovely daughters and an entrepreneur. A few roller-coaster life challenges compelled her to journey inwards, leading her to discover books, mentors and alternative healing. This journey also triggered her to pen her first book, The Magic in You.

I Am Another You

Metahuman

Awards: I Am Another You is the winner of 6 International Awards. Synopsis: You start this journey with Priya, the author, many years ago, trying to escape from a world that did not feel right. You travel with her to the Netherlands, where she participates in some amazing processes with natives who help her realize that the place where wrong is “rightened” is within. There is nothing wrong with the outside world if we sort out the world inside. Each chapter opens to a new surprise, leading to a new realization about yourself. Every page is an honest narration of struggle, overcoming and victory. The experiences are followed up with learnings carefully extracted from real life, which can be applied - professionally and personally, to achieve a better life. A book of many lessons, many insights and many truths, it has the power to awaken you to your best self. This book will urge you to take that path you always was right never had the courage to follow. It will

guide you, humour you, inspire you, touch you and above all lead you to – your own breakthroughs. About the Author Priya Kumar is an Internationally Acclaimed Motivational Speaker and Bestselling Author of 12 Inspirational Books. In her 25 years journey with Motivational Speaking, she has worked with over 2000 Multi-National Corporates across 47 countries and has touched over 3 million people through her workshops and books, and is the only Woman Speaker in India to have done so. She is the only Indian Author who has won 37 International Awards for her books.

The Magic in You

Every heart has a season, a reason. Every heart sings it's song in its own way and I call mine Heart's Song. Heart's Song is about my life and loves and the many seasons and reasons behind every emotion. There is pain as much as celebration. There is rain and then there is the sun peeking out behind the clouds. I share my Heart's Song. Whispers of The Heart with you and hope it reminds you of the seasons of your heart.

How to Be an Antiracist

When I was 18 years old, I left Iran after graduating from high school to come to America to continue my education, with the hope that someday I might become a physician. I suffer from multiple disabilities. The most troubling issue revolves around polio. At the age of five, I contracted polio as a result of a bad dose of the vaccine I received. As an adult with a sever twisted body, I have been forced to walk with a cane and stand only four feet tall. Over the course of my life, I've had to deal with additional medical issues as a result of my initial infection. It would be easy for me to be bitter about my situation, but I have chosen a different path. I've written a short memoir which I have titled I Am Like You. My hope is that my book will both inspire and encourage others with disabilities to recognize that they need not be defined or limited by whatever physical limitations they may encounter in the world. Certainly, my life has been a challenge, but I've chosen to remain optimistic about the limitless possibilities available to anyone who isn't ready to throw in the towel. I've tried to tell my story with a mixture of humor and pathos. Additionally, I think there is a unique perspective to my story. Coming from a Third World country allows me to compare and contrast the differences between the treatment of the disabled in a country like America compared to how someone with my kinds of issues may be dealt with in Iran (or any Third World country for that matter).

I Am Like You!

On seventeen occasions, Maggie O'Farrell has stared death in the face—and lived to tell the tale. In this astonishing memoir, she shares the near-death experiences that have punctuated and defined her life: The childhood illness that left

her bedridden for a year, which she was not expected to survive. A teenage yearning to escape that nearly ended in disaster. An encounter with a disturbed man on a remote path. And, most terrifying of all, an ongoing, daily struggle to protect her daughter from a condition that leaves her unimaginably vulnerable to life's myriad dangers. Here, O'Farrell stitches together these discrete encounters to tell the story of her entire life. In taut prose that vibrates with electricity and restrained emotion, she captures the perils running just beneath the surface, and illuminates the preciousness, beauty, and mysteries of life itself.

The Space Beyond

Instant New York Times Bestseller A New York Times Notable Book of 2016 A Time Magazine Top 10 Novel of 2016 A Times Literary Supplement Best Book of 2016 "Dazzling . . . A profound novel about the claims of identity, history, family, and the burdens of a broken world." —Maureen Corrigan, NPR's "Fresh Air" In the book of Genesis, when God calls out, "Abraham!" before ordering him to sacrifice his son, Isaac, Abraham responds, "Here I am." Later, when Isaac calls out, "My father!" before asking him why there is no animal to slaughter, Abraham responds, "Here I am." How do we fulfill our conflicting duties as father, husband, and son; wife and mother; child and adult? Jew and American? How can we claim our own identities when our lives are linked so closely to others'? These are the questions at the heart of Jonathan Safran Foer's first novel in eleven years—a work of extraordinary scope and heartbreaking intimacy. Unfolding over four tumultuous weeks in present-day Washington, D.C., *Here I Am* is the story of a fracturing family in a moment of crisis. As Jacob and Julia Bloch and their three sons are forced to confront the distances between the lives they think they want and the lives they are living, a catastrophic earthquake sets in motion a quickly escalating conflict in the Middle East. At stake is the meaning of home—and the fundamental question of how much aliveness one can bear. Showcasing the same high-energy inventiveness, hilarious irreverence, and emotional urgency that readers loved in his earlier work, *Here I Am* is Foer's most searching, hard-hitting, and grandly entertaining novel yet. It not only confirms Foer's stature as a dazzling literary talent but reveals a novelist who has fully come into his own as one of our most important writers.

I Am the Messenger

YOU ARE A BADASS IS THE SELF-HELP BOOK FOR PEOPLE WHO DESPERATELY WANT TO IMPROVE THEIR LIVES BUT DON'T WANT TO GET BUSTED DOING IT. In this refreshingly entertaining how-to guide, bestselling author and world-traveling success coach, Jen Sincero, serves up 27 bitesized chapters full of hilariously inspiring stories, sage advice, easy exercises, and the occasional swear word, helping you to: Identify and change the self-sabotaging beliefs and behaviors that stop you from getting what you want, Create a life you totally love. And create it NOW, Make some damn money already. The kind you've never made before. By the end of *You Are a Badass*®, you'll understand why you are how you are, how to love what

you can't change, how to change what you don't love, and how to use The Force to kick some serious ass.

Raven Estates

Self Culture and perfection of character Seventh thousand

The ideal graduation gift for anyone about to enter the workforce, a witty, practical guide to 200 difficult professional conversations—featuring all-new advice from the creator of the popular website Ask a Manager and New York’s work-advice columnist. There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Advance praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Clear and concise in its advice and expansive in its scope, Ask a Manager is the book I wish I’d had in my desk drawer when I was starting out (or even, let’s be honest, fifteen years in).”—Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck

I Am Having So Much Fun Here Without You

Award-winning author Anna Funder delivers an affecting and beautifully evocative debut novel about a group of young German exiles who risk their lives to awaken the world to the terrifying threat of Hitler and Nazi Germany. Based on real-life events and people, All That I Am brings to light the heroic, tragic, and true story of a small group of left-wing German social activists who mounted a fierce and cunning resistance from their perilous London exile, in a novel that fans of Suite Francaise, The Piano Teacher, and Atonement will find irresistible and unforgettable. “An intimate exploration of human connection and our responsibility to one another.” —Colum McCann, author of Let the Great World Spin

Pensamiento Serpentino

The ultimate breakthrough for solving your baby/child's sleep issues. "The Baby Sleep Coach Book" is NOT another cookie cutter sleep plan that requires an endless amount of time and energy of a sleepless parent. Instead, this is the ONLY method available that is completely customizable to YOUR baby's unique personality and YOUR natural parenting style. The Baby Sleep Coach Book is a "first of its kind comprehensive system with a unique capability that makes it work like clockwork for ANY sleep problem. You will learn -- Why your child will not fall asleep on his own. -- How to know the best time to put your child to sleep. -- Why your child cries and how to avoid it. -- What sleep method is right for you and your child. -- Seven simple steps to a full night's rest. -- How to establish healthy sleep habits from the beginning. -- How to create a proper sleep environment that will actually induce sleep. -- Answers to many frequently asked questions about sleep and travel, holidays, developmental milestones, etc. -- How to have an overall happier, healthier more rested baby so that you are happier and more rested as well. Avoid sleep programs that leave you frazzled almost before you begin, and full of useless information that wastes your time and money. Let "The Baby Sleep Coach Book" introduce you to the NEW idea of sleep coaching. Do you sincerely want to see your baby sleeping peacefully through the night, EVERY night? In this book, I'm going to show you how starting tonight, you can be on your way to connecting with your baby in a way that is not hindered by feelings of hopelessness, despair, and guilt for not being a good parent! I'll show you how starting tonight, you can restore peace to your home and finally enjoy your little one the way you'd love to do just by "coaching" your baby to reliably fall asleep on their own and sleep through the night.

I'm Thinking of Ending Things

Is it possible to venture beyond daily living and experience heightened states of awareness? In his latest book, Deepak Chopra says that higher consciousness is available here and now. "Metahuman helps us harvest peak experiences so we can see our truth and mold the universe's chaos into a form that brings light to the world."—Dr. Mehmet Oz, Attending Physician, New York–Presbyterian, Columbia University New York Times bestselling author Deepak Chopra unlocks the secrets to moving beyond our present limitations to access a field of infinite possibilities. How does one do this? By becoming metahuman. To be metahuman, however, isn't science fiction and is certainly not about being a superhero. To be metahuman means to move past the limitation constructed by the mind and enter a new state of awareness where we have deliberate and concrete access to peak experiences that can transform people's lives from the inside out. Humans do this naturally—to a point. For centuries the great artists, scientists, writers, and many so-called ordinary people have gone beyond the everyday physical world. But if we could channel these often bewildering experiences, what would happen? Chopra argues we would wake up to experiences that would blow open your body, mind, and soul. Metahuman invites the reader to walk the path here and now. Waking up, we learn, isn't just about mindfulness or meditation. Waking up, to

become metahuman, is to expand our consciousness in all that we think, say, and do. By going beyond, we liberate ourselves from old conditioning and all the mental constructs that underlie anxiety, tension, and ego-driven demands. Waking up allows life to make sense as never before. To make this as practical as possible, Chopra ends the book with a 31-day guide to becoming metahuman. Once you wake up, he writes, life becomes transformed, because pure consciousness—which is the field of all possibilities—dawns in your life. Only then does your infinite potential become your personal reality. Advance praise for Metahuman “Our world is preoccupied with material progress, yet too often we overlook the miracle of our very existence. In this remarkable book, Deepak Chopra reminds us not to be distracted by the idols of our age but to marvel at the deep truths of being. Metahuman is a handbook to becoming fully alive.”—Arthur C. Brooks, PhD, Professor, Harvard Kennedy School; author of Love Your Enemies

Normal People

A romance in reverse is set in Paris and London and follows an artist's attempts to fall back in love with his wife after the end of his affair, an effort that is challenged by the sale of a personal painting and his wife's discovery of his infidelity. A first novel.

Ask a Manager

Transactional Analysis delineates three observable ego-states (Parent, Adult, and Child) as the basis for the content and quality of interpersonal communication. "Happy childhood" notwithstanding, says Harris, most of us are living out the Not ok feelings of a defenseless child, dependent on ok others (parents) for stroking and caring. At some stage early in our lives we adopt a "position" about ourselves and others that determines how we feel about everything we do. And for a huge portion of the population, that position is "I'm Not OK -- You're OK." This negative "life position," shared by successful and unsuccessful people alike, contaminates our rational Adult capabilities, leaving us vulnerable to inappropriate emotional reactions of our Child and uncritically learned behavior programmed into our Parent. By exploring the structure of our personalities and understanding old decisions, Harris believes we can find the freedom to change our lives.

Film Music in 'Minor' National Cinemas

Come along on a magnificent journey to True Self discovery. "The Space Between" is a true story of transformation, inspiration and hope - an odyssey that is certain to touch your heart and heal your soul. Faced with difficult challenges, Patricia Reed tells the story of her own adventures as her intuition began flowering, soon after divine visitors came in the night to speak with her. Join her along her spiritual journey through the metaphysical, where what was once black and white

transmutes to infinite shades of gray, and meet some extraordinary characters along the way! If you've ever wondered how to be happy, if unconditional love, true joy, and the Peace of God have ever eluded you, if you've felt as if your soul is passing through the dark shadow of night, or if you've felt like you're playing your own version of hunger games in life, "The Space Between" is the book that will show you the way to your Heart, healing the mind at the foundational level. If you've read and enjoyed the works of Eckhart Tolle, John Harricharan, Wayne Dyer, A Course in Miracles, and other similar books, "The Space Between" is a definite MUST-READ that was written just for you. In "The Space Between," you will discover why you think, feel, speak, and behave in the ways you do. You'll find out about what the ego-mind believes - both individually and collectively - as well as how to let go of all those egoic beliefs that energetically block your way to your heart's truest desires. You'll learn how to step into your own true power, developing and increasing your inherent gift of intuition, so as to be true to yourself no matter how difficult your life circumstances may appear to be. You'll find out how you can reprogram your subconscious mind and make the conscious choice to see yourself and the entire universe around you in a whole new way - the way of Spirit's Truth. Connect with your very soul and discover the ease and joy in experiencing synchronicity after synchronicity, magic, and miracles as your new outer reality by projecting your Inner Truth, which is found only in The Space Between. Review: "Have you ever felt different? Have you ever felt uncomfortable about your boredom with small talk? Have you ever sat in church feeling almost guilty about thinking, 'This just isn't resonating anymore; what's wrong with me?' When one awakens from sleep and stretches, sometimes, if he or she has been lying in an awkward position, the stretching hurts a little. Maybe that is what is happening to you now. Maybe you, as millions of others, are awakening. As you stretch, there may be some discomfort, and as you know, further stretching will relieve same. "In 'The Space Between,' Patricia Reed offers, as others have and do, spiritual knowledge: glimpses of Truth, if you like. What makes Patricia's work unique is that by describing her own story of awakening she dispels the anxiety of feeling change, of losing the old grips and handles as you begin to find the more real ones. "I have been a student of such subjects for more than forty years in this lifetime and, of the books I have read this year, if I could only choose one, it would be 'The Space Between.' Relax your emotions, open your heart and enjoy this exhilarating ride." -- Walter 'Bud' Hammann, Author and Motivational Speaker

I Am Another You

O.P. Munjal started Hero Cycles in 1956, fuelled by meagre resources and an insatiable ambition. His vision was to create an inexpensive and effective mode of transportation for a post-Independence nation on the move. The rest, as they say, is history: Hero Cycles went on to become the world's largest bicycle manufacturer. This book chronicles the life of O.P. Munjal through anecdotes from his professional and personal life. He proved that a people-focused management style could be superior to the process-driven systems of the West. The book is a result of extensive conversations with O.P. Munjal, Hero employees, dealers, and family members. Join bestselling author Priya Kumar as she takes you on a roller-coaster ride seen through the lens of a visionary with the soul of a poet.

Heart's Song

The 5 Love Languages

I AM ANOTHER YOU is a story of breakthroughs. Powerful, Life changing breakthroughs !! You start this journey with the author, years ago, trying to escape from a world that did not feel right. You travel with her in this magical journey to the Netherlands where she learns the greatest lessons of her life by taking part in some amazing processes in the tradition of the ancient spiritual masters and healers who help her realize that the only place where wrong is 'rightened' is within. There is nothing wrong with the world outside if we sort out the world inside. There are some stories that everyone relates to, because they involve you through thoughts and feelings that are universal. This is such a story. A life purpose for example, is something each of us is looking for. A desire to achieve more from life and live at a higher self, is something everyone wants. A spiritual inclination to seek deeper, beyond material fulfillment, each of us pursues sooner or later. There are numerous places in the book where you find yourself stopping, drawing parallels to your own life and finding answers.

I Am Another You - A Journey To Powerful Breakthroughs

Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (*Entertainment Weekly*) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.

I am another Yourself

I AM ANOTHER YOU is a story of breakthroughs. Powerful, Life changing breakthroughs !! You start this journey with the author, years ago, trying to escape from a world that did not feel right. You travel with her in this magical journey to the Netherlands where she learns the greatest lessons of her life by taking part in some amazing processes in the tradition of the

ancient spiritual masters and healers who help her realize that the only place where wrong is 'rightened' is within. There is nothing wrong with the world outside if we sort out the world inside. There are some stories that everyone relates to, because they involve you through thoughts and feelings that are universal. This is such a story. A life purpose for example, is something each of us is looking for. A desire to achieve more from life and live at a higher self, is something everyone wants. A spiritual inclination to seek deeper, beyond material fulfillment, each of us pursues sooner or later. There are numerous places in the book where you find yourself stopping, drawing parallels to your own life and finding answers.

I AM PENNED DOWN

#1 New York Times Bestseller OPRAH'S BOOK CLUB PICK "Extraordinary." —Stephen King "This book is not simply the great American novel; it's the great novel of the Americas. It's the great world novel! This is the international story of our times. Masterful." —Sandra Cisneros También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Pérez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with a few books he would like to buy—two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia—trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? American Dirt will leave readers utterly changed. It is a literary achievement filled with poignancy, drama, and humanity on every page. It is one of the most important books for our times. Already being hailed as "a Grapes of Wrath for our times" and "a new American classic," Jeanine Cummins's American Dirt is a rare exploration into the inner hearts of people willing to sacrifice everything for a glimmer of hope.

The Puritan

Selected poems written from my soul, in which I am far too picky to allow the human eye to skim through.

I Am J

Lambda Literary Award 2014 Finalist in LGBT Nonfiction Foreword Reviews' INDIEFAB Book of the Year Award 2014 Finalist in Family & Relationships Independent Publisher Book Awards 2015 (IPPY) Silver Medal in Sexuality/Relationships Next Generation Indie Book Awards 2015 Winner in LGBT -- What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that's where asexual people are left out—they don't find other people sexually attractive, and if and when they say so, they are very rarely treated as though that's okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people's experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.
