One of the twentieth century's great undisputed masterpieces, Malcolm Lowry's *Under the Volcano* includes an introduction by Michael Schmidt in Penguin Modern Classics. It is the fiesta 'Day of the Dead' in the small Mexican town of Quauhnahuac. In the shadow of the volcano, ragged children beg coins to buy skulls made of chocolate, ugly pariah dogs roam the streets and Geoffrey Firmin - ex-consul, ex-husband, an alcoholic and a ruined man - is living out the last day of his life. Drowning himself in mescal while his former wife and half-brother look on, powerless to help him, the consul has become an enduring tragic figure. As the day wears on, it becomes apparent that Geoffrey must die. It is his only escape from a world he cannot understand. His story, the image of one man's agonised journey towards Calvary, became a prophetic book for a whole generation. Malcolm Lowry (1909-1957) was born and died in England. Between school and studying English at St Catherine's College, Cambridge he spent five months at sea as a deckhand, an experience which gave him the material for his first novel, *Ultramarine* (1933). After marrying in Paris, he moved to New York where he completed *In Ballast to the White* (1936). *Under The Volcano* was begun in Hollywood, coloured by a short stay in the Mexico that it describes, and eventually finished in Dollarton, British Columbia. If you enjoyed *Under the Volcano*, you might like F. Scott Fitzgerald's *The Beautiful and the Damned*, also available in Penguin Classics. 'A Faustian masterpiece' Anthony Burgess

I experienced grief, not just in death, but in life. Insecurity, mistakes, fear, and rejection all added to the pain that I hid deep in my heart; a pain too embarrassing to share with anyone. I was heart-broken and didn't think that this old heart could ever be mended. But God. In one of the lowest seasons of my life, He gave me an indescribable grace to fight. We may never understand life, yet, that is when our trust in God should override all of our worldly questions. In my darkest hours, when

the tears flowed silently down my cheeks, God was with me. In this book, I share my heartrending journey from pain to purpose. It is my prayer that the words scribed on each page inspire you to keep pushing forward. Allow God to again fill the space in your heart that is empty and void. Be assured that the Lord can and will comfort you and know that even in death, Love Remains.

God of Tomorrow

Is God changeable? Does He have different gospels for different people? The story of redemption takes you behind the scenes in the struggle between God and Satan. It explains how the conflict began, what the issues are, and how the outcome is already assured. It traces the theme of God's relationship with man from the garden of Eden to the return of Christ and beyond.

The Unquenchable Worshipper issues a passionate call for a return to an unadulterated, first-love lifestyle of worship. In his first book release, respected worship leader and songwriter Matt Redman writes: "The revelation of God is the fuel for the fire of our worship. And there is always more fuel for the fire. When we open the eyes of our heart, God's revelation comes flying at us from so many different angles." Open the eyes of your heart and let the gut-level message of The Unquenchable Worshipper cause you, like martyred missionary Jim Elliot, to say, "Saturate me with the oil of Thy Spirit, that I may be aflame. Make me Thy fuel O flame of God." It's time to dive into the heart of worship—will you take the plunge?

The Will to Truth, which is to tempt us to many a hazardous enterprise, the famous Truthfulness of which all philosophers have hitherto spoken with respect, what questions has this Will to Truth not laid before us! What strange, perplexing, questionable questions! It is already a long story; yet it seems as if it were hardly commenced. Is it any wonder if we at last grow distrustful, lose patience, and turn impatiently away? That this Sphinx teaches us at last to ask questions ourselves? WHO is it really that puts questions to us here? WHAT really is this "Will to Truth" in us? In fact we made a long halt at the question as to the origin of this Will - until at last we came to an absolute standstill before a yet more fundamental question. We inquired about the VALUE of this Will. Granted that we want the truth: WHY NOT RATHER untruth? And uncertainty? Even ignorance? The problem of the value of truth presented itself before us - or was it we who presented ourselves before the problem? Which of us is the Oedipus here? Which the Sphinx? It would seem to be a rendezvous of questions and notes of interrogation. And could it be believed that

it at last seems to us as if the problem had never been propounded before, as if we were the first to discern it, get a sight of it, and RISK RAISING it? For there is risk in raising it, perhaps there is no greater risk.

With a voice of reason and grace, pastor Caleb Kaltenbach challenges the church to choose the path of hope in response to polarizing cultural issues that are straight from the front pages of today's newspapers. Divergent politics, immigration issues, bullying, re-defining family, racism, terrorism, new ways of categorizing people, and multiple other issues are negatively impacting our communities today. Some feel the country we live in now isn't the same one they lived in twenty years ago. Culture is consistently changing, and many Christians are nervous about what tomorrow will bring. However, we don't need to worry, because we serve the God of tomorrow. Culture will always change, but God never changes. God owns tomorrow. He has been in tomorrow, prepared tomorrow, and will walk with us into tomorrow. He will help us handle our ever-shifting culture as we journey forward. Every cultural issue we deal with today is something that Jesus dealt with in his day. The issues are the same, they just look different. Yet Jesus trusted the God of Tomorrow and knew that he was in complete control. Because of his trust in God, Jesus engaged culture in a very intentional way, and we can do likewise. God of Tomorrow includes discussion questions at the end of each chapter, providing a great platform for small groups to dialogue about these culturally-relevant topics.

"A needed corrective to self-indulgent Christianity." Philip Yancey "A stirring challenge." Lee Strobel "A strong antidote against a domesticated God." Matthew Lee Anderson When was the last time you were overawed by God's majesty? Have you ever stood in stunned silence at his holiness and power? In our shallow, self-centered age, things like truth and reverence might seem outdated, lost. Yet we're restless. And our failed attempts to ease our unrest point to an ancient ache for an experience of the holy. Drew Dyck makes a compelling case that what we seek awaits us in the untamed God of Scripture—a God who is dangerous yet accessible, mysterious yet powerfully present. He is a God who beckons us to see him with a fresh, unfiltered gaze. Yawning at Tigers takes us past domesticated Christianity, into the wilds where God's raw majesty, love, and power become more real and transformative than we could ever imagine.

Putting this powerful message into print for the first time, visionary pastor Louie Giglio and songwriter Matt Redman team up to write a heart-stirring book about the mysteries of God's creation. *Indescribable* takes readers on a journey through the vastness of outer space and into the depths of the soul. Modern science allows viewers to see farther into space than ever before, and every step draws them closer to the God who breathed each star into existence. Based on the largest near-death experience study in history, involving 3,000 people from diverse backgrounds and religious traditions, including nonbelievers, *God and the Afterlife* presents startling evidence that a Supreme Being exists—and there is amazing consistency about what he is like. In his bestselling book *Evidence of the Afterlife*, Dr. Jeffrey Long showed us that there is a strong scientific case for life after death. Now, he goes further, revealing evidence that God is real. At the Near Death Experience Research Foundation, Dr. Long studied the stories of thousands of people who have journeyed to the afterlife. Though there are a wide variety of differences in how people experience NDEs—some see a bright light, others go through a tunnel, still others experience a review of their life—he discovered that many of the accounts shared a remarkably similar description of God; a Supreme Being who radiated love and grace. Expanding on his analysis begun in *Evidence of the Afterlife*, *God and the Afterlife* is the first intensive exploration of the people who have reported going to the frontier of heaven, met God, and have returned to share their journey. Groundbreaking and profound, it provides new insight into the human experience and expands our notions of mortality, offering possibility, hope, and comfort.

So this is Heaven! These true stories are your unique, personal opportunities to enjoy a taste of Heaven from here on earth. *Heaven Is Beyond Your Wildest Expectations* shares the testimonies of ten ordinary people who have been to Heaven—having died and returned, or in a vision or dream. These real-life, modern-day stories inspire faith that, no matter what happens here on earth, all troubles are momentary, light afflictions compared to the glory that awaits you in Heaven. For momentary, light affliction is producing for us an eternal weight of glory far beyond all comparison (2 Corinthians 4:17). When you see God's love permeating all of Heaven and realize that He reaches down to you right where you are, your

heart will come to rest in Him—knowing He is watching over you and that His angels will minister to you in every moment of need. When you know that Heaven’s splendor and glory is your eternal destiny, you can endure whatever you must while patiently waiting for the day when you will enter Heaven and your eternal joy in the presence of the Lord.

Goliath Must Fall

Art Does art leave you cold? And is that what it's supposed to do? Or is a painting meant to move you to tears? Hemingway was reduced to tears in the midst of a drinking bout when a painting by James Thurber caught his eye. And what's bad about that? In *Pictures and Tears*, art historian James Elkins tells the story of paintings that have made people cry. Drawing upon anecdotes related to individual works of art, he provides a chronicle of how people have shown emotion before works of art in the past, and a meditation on the curious tearlessness with which most people approach art in the present. Deeply personal, *Pictures and Tears* is a history of emotion and vulnerability, and an inquiry into the nature of art. This book is a rare and invaluable treasure for people who love art. Also includes an 8-page color insert.

The Air I Breathe

The Bible tells us again and again that we are children of God, but for many, the idea of "God the Father" is confusing at best and painful at worst. Not Forsaken introduces readers to a God who desperately wants to know them and be the healing, steadfast presence in their life they may be missing. What makes us feel forsaken by God? Is it because we feel broken and unworthy of God's love? Maybe we've suffered deep wounds from those who were supposed to love us unconditionally. Bestselling author and pastor Louie Giglio shines a light on how flawed relationships of our past can ultimately affect how we see God - and ourselves. What do you think of when you think about God? What do you think God thinks about you? The answers to these questions inform everything about who you are and who you are becoming. It is vital we understand this; because if we have a flawed view of God, we'll have a flawed view of our own life story. To live fully and embrace all that God has for us, we must understand who He is, free from the baggage we have accumulated over a lifetime of broken relationships with broken people. You are what God says you are. Beautiful. Valuable. Whole. Order Not Forsaken right now, and begin your journey toward understanding what it means to find your identity in Christ and a relationship with a Father in heaven who loves you. Learn the Single Most Powerful, Enlightened, Correct Method of Thinking: Your brain is a far, far more powerful computer than any that's ever been built. And your conscious mental processes—the methods by which you think, acquire, and organize your knowledge—are that computer's software. Your mind comes with default software—your instinctual method of thinking—which fails, however, to unlock even a tenth of your full intelligence. If you're like most people, your software has never been upgraded—and you've ended up feeling unhappy, ineffective, and full of uncertainty, because your method of thinking falls short on the tasks needed for living, working, and analyzing the world. You have the ability to upgrade your software, by consciously learning a new and enlightened method of thinking that unlocks your mind's fullest potential. This method is called free-thinking; as opposed to the rigid, categorical thinking that is your default software. This same method has been discovered, independently, by some of the world's greatest minds—by leading lights as diverse as Albert Einstein, Abraham Maslow, and Bruce Lee. This book will teach you what that method is, and how you can acquire it—and how the author himself came to discover it through pursuing mastery in the discipline of poker. As an added bonus, it also reveals how the legendary martial artist, Bruce Lee, came to discover it by the same path. By the end of this book, you'll have learned one of the greatest secrets to human happiness, productivity, and self-actualization: the correct method of using your mind.

Under the Volcano

For almost three thousand years, people have prayed and sung the Psalms. Like those who have gone before us, when we are filled with joy, we will discover fuel in these ancient songs for even higher praises. And when we are going through the valley of deepest darkness, we will find in the Psalms light shining upon us, driving the shadows of doubt away. Prayers on Fire includes 365 prayers inspired by the book of Psalms from the heart-felt Passion Translation. Each day contains an excerpt from the Psalms and then a prayer from the heart, providing an expression of faith and worship for sincere worshipers. Open your heart as you open the pages of this book. Here you will find God as your shelter of strength. "As I'm hidden within your greatness, I discover your eternal purposes. In love and humility I bow before you, my awe-inspiring God. The way you watch over me, infuses me with confidence and courage. You are my source; I draw life from the waters of your love. Walking step by step with you brings me joy unlike I've ever known. Your Word illuminates my path, and wherever I go, I flourish. No matter the season, I'm blessed—established firmly in you." (Inspired by Psalm 1:2)

Truth is God

Waiting Here for You

Can we know anything about God apart from the Bible? Many Protestant Christians are suspicious of natural theology, which claims that we can learn about God through revelation outside the Bible. How can we know anything about God apart from Scripture? In Nature's Case for God, distinguished theologian John Frame argues that Christians are not forbidden from seeking to learn about God from his creation. In fact, the Bible itself shows this to be possible. In nine short and lucid chapters that include questions for discussion, Frame shows us what we can learn about God and how we relate to him from the world outside the Bible. If the heavens really do declare the glory of God, as the psalmist claims, it makes a huge difference for how we understand God and how we introduce him to those who don't yet know Christ.
