A kingdom woman gives the devil as much reason to fear as a kingdom man. She lives confidently in the knowledge that Christ died and rose for her so that she can experience the significance of the destiny to which she has been called. In *Kingdom Woman*, Tony Evans and his daughter, Chrystal Evans Hurst, remind women of their calling from God to be free, delivered, healed, and hopeful. The authors bring insight that encourages women to correct distorted perceptions and understand who they really are in Christ—never settling for less when connected with the One who gives them hope. All believers are covered by God's covenant with Abraham. Evans and Hurst want women to know these rights and confidently claim and live by them. Kingdom Agenda: Living Life God's Way - Member Book offers valuable biblical content for six group sessions and for personal study. The message of the Kingdom is sorely lacking today. This is not because people don't speak of the Kingdom but because far too much of their speech is in esoteric, theological code words that seem unrelated to the realities of life in the here and now. The Christian message, when communicated from a comprehensive Kingdom perspective, provides an agenda that can stand next to and above all other attempts to define the meaning of life, whether for the individual, the family, the church, or the nation. A Kingdom agenda based on God's Word -- rather than a secular agenda based on man's word -- is the best way to make all of life work as our Creator intended. This six-session Bible study can serve as a comprehensive blueprint for the Christian life and as an all-encompassing discipleship tool. Features: 6 group sessions 6 weeks of personal Bible study Benefits: Learn biblical characteristics of God's kingdom agenda, the visible demonstration of the comprehensive rule of God over every area of life Discover your identity, role, and responsibilities as a citizen of God's kingdom Acquire a God-focused perspective for you, your family, your church, and your nation Align your heart and your life with the priorities of God's kingdom agenda Author: Dr. Tony Evans is one of the country's most respected leaders in evangelical circles. As a pastor, teacher, author, and speaker, he serves the body of Christ through his unique ability to communicate complex theological truths through simple yet profound illustrations. Through his local church, Oak Cliff Bible Fellowship, and his national ministry, The Urban Alternative, Dr. Evans promotes a Kingdom-agenda philosophy that teaches God's comprehensive rule over every sphere of life as demonstrated through the individual, family, church, and society.

Heretics and Heroes

The Old Testament describes Deborah as a mighty combination of judge, intercessor, prophetess, mother of Israel, and military strategist. Deborah broke outside of her culture—not out of rebellion, but in obedience to God to set her people free. As in biblical times God is calling today's women to a purpose greater than themselves. The Deborah Anointing shows you that although you may have been trapped in tradition and locked into captivity by cultural and gender prejudices, God desires for you to break through these barriers. Now is the time to embrace the fullness of your purpose! Whatever your sphere of influence at work, at home, or at church—will you accept the challenge to be a modern-day Deborah, stand for God, and boldly lead others to Him?

Embracing Your Identity and Living Your Purpose

"For many people the word theology suggests seminary-educated scholars who sit in ivory towers, isolated from the real world, studying the Bible. Such study is often viewed as esoteric and unrelated to the world where men and women live, work, play, raise families, and struggle with the realities of day-to-day life. Nothing could be further from the truth." ---Tony Evans What we think about God, also known as theology, influences what we believe, do, and say. And what we think, whether true or false, makes a big difference in real life. Tony Evans wants you to know the

Kingdom Marriage

The purpose of writing this book is to share life and God from a wholly different perspective and do my part in the restoration of God's great kingdom. I will do this by sharing my life and it's unfolding to the present and where I see things going from here. I have had many vision and experiences since being a young child and lived as a monk for 19 years in my 20s and 30s. The journey continues but it is time for me to write it down and share the first four acts of my life as a prelude to the fifth. It is time for us to wake up as humanity, as God's children, to love one another, to lift each other up, to actualize our full potential and birth rights. We are in a time in history that has a lot of awakening happening around the world. As it does, so also the darkness is fighting for its life; and it plays dirty. Doing everything it can to insert seeds of darkness, doubt, fear, and the fostering self-centeredness into everything and everyone. For a long time the world has been descending into darkness, through a process of political corruption, greed, selfishness, the destruction of innocence, and spiritual corruption. The direct perception of God, the truth, divinity, and our amazing birthrights as children of the most high is possible for everyone while living. It is hidden beneath so much confusion and darkness manifesting in every area of our lives. That we have been losing our way more and more for a very long time. This is all part of God's plan. It is happening so

each person can decide for themselves who they are going to be or to make it more personal who are you choosing to be. But the time for the turning is almost here. So in this book I will share some quite amazing things that will hopefully open your eyes to a world that is filled with God's love, grace, mystery, and purpose. And re-invigorate a new love, trust, and wonderment in God, God's creation, and his great plan of which we are all a part. God's light and Grace is infinitely more powerful than the darkness. So if God is in your heart by inviting him in as often as you remember, and you love him and his kingdom with every fiber of your being, then you have nothing to fear. No matter how things may appear in any moment, never lose your faith. Stay focused on God's love, you are under his protection. We are all together. God is with us, here and now. Heaven is literally all around us at all times, just outside of our perception. Who Are You Choosing To Be

For Married Women Only

What's a woman to do if her life is not taking shape the way that she thought that it would? What happens when she looks at herself in the mirror, lingering just a little longer than usual and realizes that she no longer recognizes the person staring back at her? What does she do when she sees that, somehow, her life has drifted away from all her original hopes, dreams, or plans? Speaker, blogger and writer Chrystal Evans Hurst wrote this book because she was that woman. One day she realized that she had somehow wandered away from the life that she had purposed to live a long time ago. Chrystal since discovered that this moment of awareness happens to lots of women at different seasons of their lives. Poor decisions, a lack of intentionality or planning, or a long-term denial of deep hopes and dreams can leave a woman, old or young, reeling from the realization that she is lost, disappointed, or simply numb. And she just needs encouragement. This woman simply needs someone to hold her hand, to cheer her on, and to believe with her that she is capable of still being the person she intended to be or discovering the girl she never knew was there in the first place. Chrystal uses her poignant story of an early and unexpected pregnancy, as well as other raw and vulnerable moments in her life, to let readers know she understands what it's like to try and find your way after some missteps or decisions you didn't plan on. In *She's Still There* Chrystal emphasizes the importance of the personal process and the beauty of that path as it is shared authentically from one girlfriend to another. It's a book of "me toos", reminders of the hoped for, and challenges for the path ahead - to find direction, purpose, and true satisfaction.

Sometimes hard circumstances in life make it difficult for us to be all that God wants us to be. But Tony Evans urges men to stop looking at these things as excuses and instead see them as challenges and opportunities for success. Looking at men of God throughout the Bible such as Moses, Joseph, and David, Evans challenges men to put down our excuses, stop compromising, and fight to be men of commitment and character. Despite setbacks, failures, and pressures, we can still find purpose, meaning, and direction in life and be the men God calls us to be.

Embracing Purpose is a Bible study and small group process designed to satisfy a God-given longing that most people experience at some point in their lives: we want to make a difference. We want to give our lives away to something beyond ourselves. But we don't know how. The Embracing Purpose package, which includes a workbook, a 10-message DVD series and Leader's Guide, offers everything a church needs to equip women to find, love and live their God-given purpose (and everything an individual needs to discover her purpose). Participants who complete the course will come away with answers to two key questions -Who am I? and What am I to do with the time, talents and treasures God has given me? They will have discovered and labeled their unique design from God, written a purpose statement and developed a purpose plan for walking out their purpose. Embracing Purpose self-discovery workbook has four components--a narrative of the author's own journey toward purpose, a Bible study to explore the biblical foundation for pursuing a life of purpose, self-discovery exercises and stories of women who are living out their God-given purpose. The video messages do not repeat the content found in the workbook but supplement it with additional concepts, primarily focusing on barriers or roadblocks that are common to women.

Evans equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. He then provides specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.

Where have all the disciples gone? There is a missing force in Christianity today. It’s a critical one, and its absence has led to weak believers, disintegrating families, ineffective churches, and a decaying culture. Without it, we lack what we need to fully live as heaven’s representatives on earth. That missing force is discipleship. In Kingdom Disciples, Tony Evans outlines a simple, actionable definition of discipleship to help the church fulfill its calling. Readers will learn: What a disciple is What a disciple cares about How to be a disciple and make disciples What discipleship looks like in community What the impact of discipleship on the world can be Kingdom disciples are in short supply, and the result is a legion of powerless Christians attending powerless churches, having a powerless presence in the world. The power, authority, abundance, victory, and impact God has promised will only come about when we understand and align ourselves with His definition of discipleship. Kingdom Disciples calls believers and churches back to our primary, divinely ordained responsibility to be disciples and make disciples. Only when we take seriously this assignment will the world see heaven at work on earth. Will you accept the assignment? Kingdom Disciples is useful as base material for a course on discipleship.

From the Other Side

If you want to know the temperature of your spiritual life, look at the thermostat setting on your prayer life. Prayer is the most misunderstood and neglected aspect of the Christian life. It has been estimated that most Christians pray three to five minutes a day. Compare that to the time many spend complaining, and you'll gain insight into the spiritual and emotional condition of our day. Yet God has constructed the world in such a way that there is much He won't do in a Christian's life apart from prayer. Prayer, when combined with faith, can accomplish great things. In this practical and comprehensive overview of prayer, Tony Evans covers a variety of topics, including: Principles of productive prayer The power of prayer and praise Fasting and prayer Prayer and God's purposes Tony's expositions of various passages on prayer will help you realize its critical importance and encourage you to make it a dominant mark of your life.

The Deborah Anointing

"A kingdom man is the kind of man that when his feet hit the floor each morning the devil says, 'Oh crap, he's up!'" So begins this powerful volume from Dr. Tony Evans, now in softcover. Tony believes that God wants every man to be a world-changer. He skillfully takes readers along a journey through the principles of biblical manhood, exploring how those who live, work, and minister around a kingdom man benefit from his leadership and care. Men will be challenged to fully understand their position under God as well as their position over what God has given them. Equipped with these concepts, they can actively pursue ways to maximize and develop the character qualities of biblical manhood in their lives. As Tony contends, the enemy doesn't want you to know it, but you're not the man you think you are. You're a whole lot more. Starting now, you can be a kingdom man.

We must learn to live together as brothers, or we will perish together as fools.— Martin Luther King Jr. With the Bible as a guide and heaven as the goal, Oneness Embraced calls God's people to kingdom-focused unity. It tells us why we don't have it, what we need to get it, and what it will look like when we do. Weaving his own story into this word to the church, Tony Evans tells of a life spent between two worlds. As a young theologian he straddled black, urban culture and white, mainline evangelicalism. Now, three decades later, he offers seasoned reflections

Sub-titled “Daily Inspiration for Embracing Your Purpose, Power, and Possibilities,” this new 90-day devotional for women reinforces the message from the book Kingdom Woman (by Chrystal Evans Hurst & Tony Evans), calling every Christ-following woman to tap into the power of God as she finds and fulfills the purpose for which God has fashioned her. A Kingdom Woman seeks to align herself and operate under the authority of God—in every area of life. With practical insights and applications in both the lives of Christian women and those they love, this devotional will encourage women to embrace their role as leaders under God’s authority, disciple them to live as true heirs under the covenant God made with His children, and challenge women to initiate the practical principles of living under the rule of Christ.

How is a wife to love her husband? By learning three things, says Tony Evans: how to submit, seduce, and surrender to her husband. Out of these three principles a godly marriage will grow. In For Married Women Only, pastor and author Tony Evans explores these three principles in a straight-forward yet encouraging manner. He unpacks the touchy topic of submission and lays out the rewards inherent in this biblical model. On seduction, Evans looks at the quality of attractiveness and how embodying it can be pleasing to your spouse and to God. And with surrender, readers will examine why a wife is the perfect help mate for her husband and how to combat attitudes opposed to God’s design. Originally published in 2002 as Tony Evans Speaks Out on a Woman’s Role in the Home, this booklet has sold nearly 38,000 copies. Use it alone or with the companion volume, For Married Men Only.

Many singles are often overlooked or marginalized in our Christian culture and churches, but this isn’t how God sees them. He places a very high value on His singles, and we should too. Taking truths from 1 Corinthians 7, Dr. Evans shares three vital principles for singles: How to wait on the Lord and his timing and direction, how to work for God and experience the satisfaction of fulfilling your personal calling in life, and what it means to be wedded in the Lord, whether that is through an eventual marriage or through your personal relationship with Jesus Christ. Dr. Evans writes to a variety of types of singles, the: Decidedly single Never married Divorced Separated Widowed Single parent In this hope-filled and popular title, Dr. Tony Evans encourages us to embrace the often unheard biblically-based truth about singlehood: Being single is more desirable for a Christian than being married!
