Christian Home Educators' Curriculum Manual

Containing hundreds of images and dozens of maps, All American History is a complete year s curriculum for students in grades 5-8 when combined with the Student Activity Book and Teacher s Guide. It is also adaptable for younger and older students. The first volume covers Exploration through 1840. There are 32 weekly lessons, and each lesson contains three sections examining the atmosphere in which the event occurred, the event itself, and the impact this event had on the future of America. Designed to be engaging and written in a comfortable style, All American History reads like a good book-bringing America s story to life piece by piece."

History and Geography

The vital resource that provides all assignments for the America's Story Volume 1 course, which includes: Materials list for each chapter, oral narration questions and answers, directed journaling, artwork sketching and study sections, Map Adventures, optional Digging Deeper sections, and more. Book of Prayers, review sections, special project ideas, and answer keys. OVERVIEW: America's Story Vol. 1 is written with narration as a key element of this course. Please take the time to employ oral narration whenever suggested. Included in each chapter of this Teacher Guide is a written narration prompt for the older child. Students will learn about the ancient Americas to the great Gold Rush, the infancy of our country through the founding of our great nation, catching glimpses of the leaders who would become known as the Founding Fathers. The course includes 28 chapters and five built-in reviews, making it easy to finish in one school year. The activity pages are an assortment of map adventures, areas to write/journal,

The Big Book of Home Learning : Getting Started

A requirement in all sports science courses, exercise physiology examines how the body's physiological systems behave during exercise. This study offers a concise and focused look at its subject, with a highly interactive approach that includes problem-solving and laboratory work. Developed with the student in mind, the book has been formatted for the logical and linear exposition of key concepts, with each chapter containing learning objectives, problems and

Social Sciences Review

The Language Arts series emphasizes the improvement of communication skills. All Language Arts skills are integrated into a single learning sequence. This unique learning approach combines the study of these skills: reading comprehension, grammar, handwriting, composition, spelling, literature, speaking, and listening. The integrated approach combines drill and analysis of grammar with immediate application in composition exercises.
