Explains how plays are structured, looks at theatrical exposition, theme, and images, and shows how to analyze a play and understand its production

In the Spirit of a New People

Depicts the life of a Russian-Jewish immigrant family, the Quixanos.

"Ser O No Ser" the Rhetoric of Violence, the State, and the Chicano/a Body in Contemporary Chicano Literature

Hispanic Literature Criticism: Lorca to Zamora

Educator's Guide to Chicano Resources

A collection of historical studies of Mexican-American theater by Jorge Huerta, Nicolas Kanellos, Tomas Ybarra-Frausto and others. Pieces include interviews, essays and vaudeville skits from the 1930s to the 1950s and an exclusive interview of Luis Valdez.

Taking it to the Streets

Essay from the year 2012 in the subject Romance Languages - Spanish Studies, grade: A, University of Canberra, language: English, abstract: The play titled Los Vendidos, which when translated into Spanish means “sell outs”, was written in 1967 by Luis Valdez and was first performed according to Baru (2011), in East Los Angeles at the Brown Beret Junta. In the play, the author seeks to display the social disparities between the Latin community and the locals in California. In effect, the role of the various authorizes such as the state, local and federal governments are highlighted to portray certain misconceptions about Americans towards Latinos. Although out the play, it is evident that Luis Valdez adapts to some great extent,

character traits innate in the Mexican culture. Generally, the play seeks to inform the larger American audience of the triviality of some of the stereotypes assumed with regard to the Mexicans living in California, and how ridiculous these stereotypes and misconceptions are. In this paper, an in-depth analysis of the emerging themes, motifs and characters in the play will be discussed.

"Los Vendidos" by Luis Valdez. A short study

Examines the artistry, politics, and legacies of radical theater groups that came to prominence in the US during the period of the late sixties and early seventies. This book considers how radical theaters sought to redefine the relationship between theater and political activism, and how they challenged the foundations of theater itself.

Playwrights of Color

Mexican American Theatre: Then & Now

A selection of the author's plays includes his most critically acclaimed works, exploring the theme of a search for identity in such settings as World War II,

nineteenth-century California, and the television industry.

Backwards and Forwards

Restaging the Sixties

Mexican American Theatre

Reexamining the Chicano civil rights movement of the 1960s and 1970s, *In the Spirit of a New People* brings to light new insights about social activism in the twentieth-century and new lessons for progressive politics in the twenty-first. Randy J. Ontiveros explores the ways in which Chicano/a artists and activists used fiction, poetry, visual arts, theater, and other expressive forms to forge a common purpose and to challenge inequality in America. Focusing on cultural politics, Ontiveros reveals neglected stories about the Chicano movement and its impact: how writers used the street press to push back against the network news; how visual artists such as Santa Barraza used painting, installations, and mixed media to challenge racism in mainstream environmentalism; how El Teatro Campesino's innovative "actos," or short skits, sought to embody new, more inclusive forms of

citizenship; and how Sandra Cisneros and other Chicana novelists broadened the narrative of the Chicano movement. *In the Spirit of a New People* articulates a fresh understanding of how the Chicano movement contributed to the social and political currents of postwar America, and how the movement remains meaningful today.

Zoot Suit

Annotated List of the Chicano in History and the Social Sciences

This pioneering work demythologizes and reinterprets the company's history from its origins in California's farm labor struggles to its successes in Europe and on Broadway until the disbanding of the original collective ensemble in 1980 with the subsequent adoption of mainstream production practices.
