In Search of Myths & Heroes

Medea and Other Plays

Great expectations developed from Hollywood movie dreams ("imagining our lives, instead of living them") are inevitably shattered by disappointing and betraying real-life relationships. The bittersweet and ironic evocations of the failed loves of her life make this among the most moving, as well as revealing, of Ms. Wakoski's books.

Euripides: Medea

Includes Part 1, Number 2: Books and Pamphlets, Including Serials and Contributions to Periodicals July - December)

Medea

An outstanding poem and a consummate example of employing the dream vision technique. It is one of the longest works of Chaucer. The poet unfolds ten stories of virtuous women in nine sections. It is one of the first mock-heroic works in English

Research Publications and Professional Activities

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s *Theseus* is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-

turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

Examples of Exercises Given in the Natural Philosophy Class of Glasgow University from 1865-1885

Soldiers of Peace, by West Point graduate and Iraq War veteran Paul K. Chappell, is the sixth book in his seven-book *Road to Peace* series. The titles in this important series can be read in any order. All are about waging peace, ending war, the art of living, and what it means to be human. In a world where so many "solutions" deal with surface symptoms rather than the root causes of our problems, Chappell's books provide real guidance we can follow to change ourselves and change the world for the better. In *Soldiers of Peace*, Paul discusses how to wield the weapon of nonviolence with maximum force so that we can understand, confront, and heal our personal and societal wounds. To create realistic peace we must be as well trained in waging peace as soldiers are in waging war. Chappell discusses how our misunderstanding of peace and violence originate from our misunderstanding about reality and the human condition itself. This book offers a new paradigm in human understanding by dispelling popular myths and revealing timeless truths about the reality of struggle, rage, trauma, empathy, the limitations of violence,

Get Free Medea Study Guide Questions

the power of nonviolence, and the skills needed to create lasting peace. Through the educational initiative of peace literacy and the metaphor of the constellation of peace, *Soldiers of Peace* offers a practical framework so that all of us can apply this new paradigm to our daily lives, and therefore create realistic peace within our friendships, families, workplaces, communities, nations, and the entire world. In a time of increased strife and violence in our society, this book is more critically needed than ever.

A Walk in the Night

WINNER OF THE NATIONAL BOOK AWARD 2011

Medea & Electra (MAXNotes Literature Guides)

Presents fresh translations of ten immortal plays in verse by the ancient Greek dramatist, including "Electra," "Medea," and "The Trojan Women," accompanied by scene headings, stage directions, introductions, and a glossary of people, gods, and places. Original.

Not All Dead White Men

Get Free Medea Study Guide Questions

A Study Guide for Euripides's "Medea," excerpted from Gale's acclaimed Drama For Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama For Students for all of your research needs.

The Argonautika

Ion is generally regarded as one of Euripides' most attractive plays. A skilfully organised plot, charming characters, exciting situations and thought-provoking themes make it an excellent introduction to the study of Greek drama generally and of Euripides in particular. The introduction deals with Euripides' adaptation of the myth of Ion, his treatment of the theme of autochthony and his attitude to the seemingly licentious behaviour of Apollo. There is also a discussion of the play's date, its structure, form and language. The commentary is designed to encourage students to read the play in a responsive way and to pay attention to matters of form, language and dramatic technique. Greek text with facing-page English translation, introduction and commentary.

Ion

Get Free Medea Study Guide Questions

The author goes in search of four of the most famous myths in the world--Shangri-la, Jason and the Golden Fleece, the Queen of Sheba, and the Holy Grail--journeying to some of the most remote regions on Earth, including Western Tibet, the mountains of Geo

The King Must Die

The Voyage of the Argo: The Argonautica, is an epic poem centering Jason and his legendary crew as they venture to find the Golden Fleece. Faced with various hurdles and unbeatable odds, they're committed to achieving their ultimate goal. When a young man threatens the throne, King Pelias sends him on a futile mission to Colchis. Once there, the fearless Jason must confront the volatile King Aetes and seize his most valued possession—the Golden Fleece. With help from the Argonauts, Jason navigates multiple challenges including winged harpies, violent waters and six-armed brutes. Despite surprising obstacles, the heroes continue and are pushed to their mental and physical limits. Much like Homer's Odyssey, i>The Voyage of the Argo: The Argonautica, is a staple in Greek mythology. It's a classic hero's journey full of unexpected detours and ambiguous characters. Although a product of the Hellenistic period, this enduring epic has stood the test of time, continuing to captivate and inspire. With an eye-catching new cover, and professionally typeset manuscript, this edition of The Voyage of the Argo: The Argonautica is both modern and readable.

Salvage the Bones

First published in 1993 on the one-year anniversary of the L.A. riots, *Race Matters* has since become an American classic. Beacon Press is proud to present this hardcover edition with a new introduction by Cornel West. The issues that it addresses are as controversial and urgent as before, and West's insights remain fresh, exciting, and timely. Now more than ever, *Race Matters* is a book for all Americans—one that will help us build a genuine multiracial democracy.

The Voyage of the Argo

A Child Called It

A new edition of the Latin text, with a facing English prose translation, of one of Rome's most notorious and ferocious plays. The lengthy, useful introduction examines all aspects of the play's literary and thematic features, placing it firmly within the context of the 1st century AD, whilst also trying to determine the processes that led Seneca to create such a bleak view of the universe. Hine's discussion includes a biography of Seneca, a history of tragedy and the Roman theatre, the influence of Stoicism, politics and religion, characterisation, the play's

language, devices and structure, questions of staging and the manuscript tradition.

Study Guide to The Plays of Euripides

The Immortal Life of Henrietta Lacks

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the

Get Free Medea Study Guide Questions

most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

The Legend of Good Women

For any literature project, trust Drama For Students for all of your research needs.

The Book of Mormon Study Guide

Of French and Malagasy stock, involved in South African politics from an early age, Alex La Guma was arrested for treason with 155 others in 1956 and finally acquitted in 1960. During the State of Emergency following the Sharpeville massacre he was detained for five months. Continuing to write, he endured house arrest and solitary confinement. La Guma left South Africa as a refugee in 1966 and lived in exile in London and Havana. He died in 1986. *A Walk in the Night and Other Stories* reveals La Guma as one of the most important African writers of his time. These works reveal the plight of non-whites in apartheid South Africa, laying bare the lives of the poor and the outcasts who filled the ghettos and shantytowns.

Race Matters

Ovid's magnificent panorama of the Greek and Roman myths-presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, *The Metamorphoses* is a masterpiece of Western culture-the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes,

using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

Medea

Bacchai

The Argonautika, the only surviving epic of the Hellenistic era, is a retelling of the tale of Jason and the Golden Fleece, probably the oldest extant Greek myth. Peter Green's lively, readable verse translation captures the swift narrative movement of Apollonios's epic Greek. This expanded paperback edition contains Green's incisive commentary, introduction, and glossary. Alternate spelling: Argonautica, Apollonius Rhodius

Written nearly a decade after *Lithium for Medea*, *Palm Latitudes*, Kate Braverman's second novel and arguably her chef d'oeuvre, explores the intertwined lives of three women who await absolution and revelation in the bougainvillea- and violence-filled "barrio" of Los Angeles. Frances Ramos is a voluptuous prostitute who flaunts her wealth and is held in high esteem by the local street gangs. Gloria Hernandez is a dutiful young wife and mother—until her husband's act of betrayal sparks her growing estrangement and fury. Marta Ortega, a prophetic old woman connected viscerally with the forces/elements of nature, nods as past and present mingle and quietly charts the cross-pollenization of her turbulent neighborhood, and of human destiny.

A Study Guide for Euripides's "Medea"

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak,

REA's MAXnotes for Euripides' Medea & Electra MAXnotes offer a fresh look at masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

The House on Mango Street

Euripides' "Medea" is one of the greatest and most influential Greek tragedies. This book outlines the development of the Medea myth before Euripides and explores

Get Free Medea Study Guide Questions

his uniquely powerful version from various angles. There are chapters on the play's relationship to the gender politics of fifth-century Athens, Medea's status as a barbarian, and the complex moral and emotional impact of her revenge. Particular attention is paid to the tragic effect of Medea's great monologue and the significance of her role as a divine avenger. The book ends by considering the varied and fascinating reception of Euripides' play from antiquity to the present day.

Phaedra

Translated by John Davie with an Introduction and Notes by Richard Rutherford.

Palm Latitudes

Written by Europe's first professional woman writer, *The Treasure of the City of Ladies* offers advice and guidance to women of all ages and from all levels of medieval society, from royal courtiers to prostitutes. It paints an intricate picture of daily life in the courts and streets of fifteenth-century France and gives a fascinating glimpse into the practical considerations of running a household, dressing appropriately and maintaining a reputation in all circumstances. Christine de Pizan's book provides a valuable counterbalance to male accounts of life in the
