### **Ketika Tuhan bersatu diri**

Two early Sufi classics are contained here in one volume. They embody the essence of spiritual life in the Islamic tradition. Ibn 'Ata' Illah (c. 1250-1309) was a Sufi saint and sage who lived in Egypt. Kwaja Abdullah Ansari (1006-1089) was one of major early writers of Persian mystical literature.

### **Dakwah Wali Songo**

### **Challenging Islamic Orthodoxy**

This book is the first work that comprehensively presents the accounts of Lia Eden, a former flower arranger who claims to have received divine messages from the Archangel Gabriel and founded the divine Eden Kingdom in her house in Jakarta. This book places Lia Eden's prophetic trajectory in the context of diverse Indonesian spiritual and religious traditions, by which hundreds of others also claimed to have been commanded by God to lead people and to establish religious groups. This book offers a fresh approach towards the rich Indonesian religious and spiritual traditions with particular attention to the accounts of the emergence of indigenous prophets

who founded some popular religions. It presents the history of prophetic tradition which remains alive in Indonesian society from the colonial to reform period. It also explores the ways in which these prophets rebelled against two hegemonies: colonial power in the past and Islamic orthodoxy in the present. The discussion of this book focuses on Lia Eden including her biography, claims to prophethood and divinity, the development of her group Eden Kingdom, her challenge to Islamic orthodoxy under the banner of the MUI (Indonesian Ulama Council), her persecution by radical groups, her experiences in court trials and imprisonment, and public responses to her emergence. The discussion also covers other themes currently drawing public attention in Indonesia, such as pluralism, religious freedom, tolerance, discrimination against minorities, and secularisation.

Buku "Mengungkap Perjalanan Sunan Kalijaga" yang kami tulis ini bukan hanya bercerita mengenai perjalanan hidup seorang Raden Said hingga menjadi seorang Sunan, yang menjadi bagian dari Walisanga, kemudian memiliki arti penting dalam penyebaran agama Islam, khususnya di Jawa. sedangkan ajaran-ajarannya yang diberikannya, merupakan khasanah kita dalam mengenal seorang Kalijaga yang demikian besar popularitasnya dibandingkan anggota Walisanga yang lain. Apapun versinya tentang kisah Sunan Kalijaga, banyak sekali suri tauladan yang dapat kita ambil sebagai pelajaran dalam mengarungi kehidupan ini. Dan lebih penting lagi, dapat menjadi

Does the mind produce consciousness—or transmit it? Can machines detect love? Why has job stress become a worldwide epidemic? Why do objects sometimes seem to have minds of their own? Could war be a biological condition? Dr. Larry Dossey, one of the most influential spokespersons for the role of consciousness and spirituality in medicine, tackles all these questions and more with clarity and wit. In this book, he explores the relationship—often documented in extensive research—between science and "unscientific" topics such as prayer, love, laughter, war, creativity, dreams, and immortality.

## **Sunan Kalijaga (New Edition)**

Java's pilgrimage culture is a dense, batik-like pattern of contradictions: seriousness collides with laughter; curiosity with bewilderment; piety with scepticism; intense spirituality with, in some places, the joy of shopping. The pilgrimage culture on the island of Java in Indonesia - the world's largest Muslim country - is a rebuke to the conservative orthodoxy that has been gaining ground in Indonesia's religious landscape since the 1980s. In the rhetoric of this orthodoxy the

“real” Islam is pure and exclusive. Piety comes from obedience to religious authority and its rules. Local pilgrimage is anything but pure and exclusive or rigidly authoritarian. It is powerfully Islamic but it fuses Islam with local history, the ancient power of place and a pastiche of devotional practices with roots deep in the pre-Islamic past. Quietly but tenaciously – just outside the great echo chamber of public space – it is growing as fast as the higher profile neo-orthodoxy. *Bandit Saints of Java* delves deep under the surface of modern Indonesia, exploring personalities and stories in the weird world of local pilgrimage, where Middle Eastern Islam wrestles with the ancient power of Javanese civilisation. It paints an astonishing portrait of Islam as it is practised today – largely invisible to journalists, scholars and tourists – by many of Java’s 130 million people.

century ago it was published by B.J.O. Schrieke in his doctQr's thesis Ret Boek van Bonang ("The Book of Bonang") (1916). In Schrieke's work, however, the emphasis fell O'n the historical introductiQn to the text rather than on the text itself, the edition of which is nQt free of shortcomings. MoreQver, the analysis of the contents of the text appended to it could not make up Qf a complete translation. for the lack That a new edition and complete translation of this Qld and important text has nQt been made before now is due to the small number of scholars of Javanese - and the even smaller number of those amQng them who concern themselves with the Muslim works of Javanese literature. In short, it is the piQneering character which the study of Indonesian literatures still largely PQssesses that has caused people to be contented with preliminary surveys Qf this extensive field of study j it is true that a number of welcQme milestones have been erected, but it can in no way be said that the cha:rting Qf the whole field is yet complete. After the first publication of a text and summary of its contents people are only too readily inclined to proceed to other projects, mOore attractive because of their novelty.

Why do women become mistresses, and is a mistress merely a wife-in-waiting, or is she the very definition of the emancipated, independent female? In *Mistresses*, Elizabeth Abbott intelligently examines the motives and morals of some of the most infamous and fascinating women in history and literature. Drawing intimate portraits of those who have—whether by chance, coercion, or choice—assumed this complex role, from Chinese concubines and European royal mistresses to mobster molls and trophy girlfriends, *Mistresses* offers a rich blend of
