Lords and Ladies

From multi-award-winning Neil Gaiman comes a spectacularly silly, mind-bendingly clever, brilliantly bonkers adventure – with lip-smackingly gorgeous illustrations by Chris Riddell. Mum's away. Dad's in charge. There's no milk. So Dad saves the day by going to buy some. Really, that's all that happens. Very boring.

YAAAAAAAAAAWN. There are absolutely none of the following inside: GLOBBY GREEN ALIENS! INTERGALACTIC POLICE! PIRATES! And most definitely NOT a time-travelling hot-air balloon piloted by the brilliant Professor Steg

The Discworld Mapp

This digital edition includes the original artwork, has been specially adapted for ebook platforms and is optimized for tablet devices. The hardback edition of Dodger's Guide to London has fully integrated images and text. ROLL UP! ROLL UP! READ ALL ABOUT IT! Ladies and Gents, Sir Jack Dodger brings you a most excellent Guide to London! Did you know . . . ? If a Victorian couldn't afford a sweep, they might drop a goose down their chimney to clean it! A nobby lady's unmentionables could weigh up to 40lbs! Parliament had to be suspended during the Great Stink of 1858! From the wretches of the rookeries to the fancy coves at Buckingham Palace, Dodger will show you every dirty inch of London. Warning: Includes 'orrible murders, naughty ladies and plenty of geezers!

Wintersmith

A sumptuous illustrated journey through Pratchett's bestselling Discworld universe, this lavish full-color volume is the ultimate holiday gift for the legions of fans.

An Illustrated Treasury of Scottish Folk and Fairy Tales

Read PDF Nanny Oggs Cookbook A Useful And Improving Almanack Of Information Including Astonishing Recipes From Terry Pratchetts Discworld Pratchett

It seemed an easy job After all, how difficult could it be to make sure that a servant girl doesn't marry a prince? But for the witches Granny Weatherwax, Nanny Ogg and Magrat Garlick, travelling to the distant city of Genua, things are never that simple Servant girls have to marry the prince. That's what life is all about. You can't fight a Happy Ending. At least - up until now

The Discworld Atlas

The alien spaceship is in his sights. His finger is on the Fire button. Johnny Maxwell is about to set the new high score on the computer game Only You Can Save Mankind. Suddenly: We wish to talk. Huh? We surrender. The aliens aren't supposed to surrender -- they're supposed to die! Now what is Johnny going to do with a fleet of alien prisoners who know their rights under the international rules of war and are demanding safe-conduct? It's hard enough trying to save Mankind from the Galactic Hordes. It's even harder trying to save the Galactic Hordes from Mankind. But it's just a game, isn't it? Isn't it? Master storyteller Terry Pratchett leaves readers breathless -- with laughter, and with suspense -- in a reality-bending tale of virtual heroism.

The Compleat Ankh-Morpork

RULES OF THE UBERWALD LEAGUE OF TEMPERANCE ANKH-MORPORK MISSION
OBJECT To further the cause of temperance and of total abstinence from drinking human blood (The Old Practice), to provide recreation and means of social intercourse for its members and to encourage by meetings, lectures, discussions, sing-songs and hot tea a better knowledge of the dangers of the Old Practice.
MEMBERSHIP Any person 100 years or over, who is undead, of good character and is prepared to sign the Pledge shall, irrespective of race, sex, nationality or species be eligible for admission to membership. THE PLEDGE Every member must, during his or her membership, be a strict adherent to the principles set out in the Pledge.
GOVERNMENT The affairs of the League shall be managed, at each Mission of the League, by a General Committee which shall consist of the Officers of the Mission plus other members up to a total of thirteen, and two members nominated by the Avoidance of Old Practices Committee.

Nanny Ogg's Cookbook

ALA Best Fiction for Young Adults * ALA Booklist Editors' Choice * ALA Notable Children's Book "Pratchett's unique blend of comedy and articulate insight is at its vibrant best. Full of rich humor, wisdom, and eventfulness." —Horn Book (starred review) By beloved and bestselling Terry Pratchett, this is the third in a series of Discworld novels starring the young witch Tiffany Aching. When the Spirit of Winter takes a fancy to Tiffany Aching, he wants her to stay in his gleaming, frozen world. Forever. It will take all the young witch's skill and cunning, as well as help from the legendary Granny Weatherwax and the irrepressible Wee Free Men, to survive until Spring. Because if Tiffany doesn't make it to Spring, Spring won't come for anyone.

The Wit And Wisdom Of Discworld

Unseen University are proud to present the most comprehensive map and guide to the Disc yet produced. In this noble endeavour, drawing upon the hard won knowledge of many great and, inevitably, late explorers, one may locate on a detailed plan of our world such fabled realms as the Condiment Isles, trace the course of the River Kneck as it deposits silt and border disputes in equal abundance on the lands either side, and contemplate the vast deserts of Klatch and Howondaland - a salutary lesson in the perils of allowing ones goats to graze unchecked. This stunning work brings to life the lands and locations of the Discworld stories in a way never seen before. Accompanied by lavish full-colour illustrations and a detailed world map, this is a must-have for any Discworld fan.

Good Omens

A collection of essays and other non fiction from Terry Pratchett, spanning the whole of his writing career from his early years to the present day. Terry Pratchett has earned a place in the hearts of readers the world over with his bestselling Discworld series -- but in recent years he has become equally well-known and respected as an outspoken campaigner for causes including Alzheimer's research and animal rights. A Slip of the Keyboard brings together for the first time the finest examples of Pratchett's non fiction writing, both serious and surreal: from musings on mushrooms to what it means to be a writer (and why banana daiquiris are so important); from memories of Granny Pratchett to speculation about Gandalf's love life, and passionate defences of the causes dear to him. With all the humour and humanity that have made his novels so enduringly popular, this collection brings Pratchett out from behind the scenes of the Discworld to speak for himself -- man and boy, bibliophile and computer geek, champion of hats, orangutans and Dignity in Dying. Snuff was the bestselling adult hardcover novel of 2011. A Blink of the Screen, Terry's short fiction collection, was also one of the bestselling hardcovers of 2012.

Nanny Ogg's Cookbook

When a giant wave destroys his village, Mau is the only one left. Daphne—a traveler from the other side of the globe—is the sole survivor of a shipwreck. Separated by language and customs, the two are united by catastrophe. Slowly, they are joined by other refugees. And as they struggle to protect the small band, Mau and Daphne defy ancestral spirits, challenge death himself, and uncover a long-hidden secret that literally turns the world upside down.

The Unadulterated Cat

'A marriage is always made up of two people who are prepared to swear that only the other one snores.' From, THE FIFTH ELEPHANT 'Inside every old person is a young person wondering what happened.' From, MOVING PICTURES The Wit and Wisdom of Discworld is a collection of the wittiest, pithiest and wisest quotations from this extraordinary universe, dealing one-by-one with each book in the canon. Guaranteed to transport you back to your favourite or forgotten Discworld moments it is the perfect book for die-hard Pratchett fans, as well as anyone coming to the Discworld for the first time.

Terry Pratchett's Discworld Imaginarium

"They say that the way to a man's heart is through his stomach, which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient at those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Mrs Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of Mr Terry Pratchett, Mr Step

Fortunately, the Milk . . .

The Unadulterated Cat is becoming an endangered species as more and more of us settle for those boring mass-produced cats the ad-men sell us - the pussies that purr into their gold-plated food bowls on the telly. But the Campaign for Real Cats sets out to change all that by helping us to recognise a true, unadulterated cat when we see one. For example: real cats have ears that look like they've been trimmed with pinking shears; real cats never wear flea collars . . . or appear on Christmas cards . . . or chase anything with a bell in it; real cats do eat quiche. And giblets. And butter. And anything else left on the table, if they think they can get away with it. Real cats can hear a fridge door opening two rooms away . . .

Only You Can Save Mankind

The bad babies at a birthday party introduce the colors

The Discworld Vampyre's Diary 2003

NOW UPDATED to include material on the Discworld books up to Raising Steam. Most of us grow up having always known to touch wood or cross our fingers, and what happens when a princess kisses a frog or a boy pulls a sword from a stone, yet sadly some of these things are now beginning to be forgotten. Legends, myths, fairytales: our world is made up of the stories we told ourselves about where we came from and how we got there. It is the same on Discworld, except that beings which on Earth are creatures of the imagination - like vampires, trolls, witches and, possibly, gods - are real, alive and in some cases kicking on the Disc. In The Folklore of Discworld, Terry Pratchett teams up with leading British folklorist Jacqueline Simpson to take an irreverent yet illuminating look at the living myths and folklore that are reflected, celebrated and affectionately libelled in the uniquely imaginative universe of Discworld.

The Discworld Almanak

Things like crowns had a troublesome effect on clever folks; it was best to leave all the reigning to the kind of people whose eyebrows met in the middle. Three witches gathered on a lonely heath. A king cruelly murdered, his throne usurped by his ambitious cousin. A child heir and the crown of the kingdom, both missing. Witches don't have these kind of dynastic problems themselves - in fact, they don't have leaders. Granny Weatherwax was the most highly-regarded of the leaders they didn't have. But even she found that meddling in royal politics was a lot more complicated than certain playwrights would have you believe, particularly when the blood on your hands just won't wash off and you're facing a future with knives in it.

An Unofficial Companion to the Novels of Terry Pratchett

Located just an hour away from Hong Kong on the banks of the Pearl River in China, Macau is one of the wealthiest cities in the world-the so-called oLas Vegas of the East,o and the only place in China where gambling is legal. However, Macau's modern-day glitz belies its rich, centuries-old history as one of the greatest trading ports in the world. Ruled by Portugal from the 1600s until 1999, Macau was a crossroads along the spice route, and a place where travelers from Europe, Southeast Asia, South Asia, and mainland China traded resources, culture, and food-making Macanese cuisine one of the most eclectic and deliciously unique food traditions in the world. Abraham Conlon and Adrienne Lo are the chefs and owners of the wildly popular and critically-lauded Chicago restaurant Fat Rice, where they serve their own unique take on the food of Macau. The Adventures of Fat Rice is a fun and whimsical tear through modern-day Macau-and the minds of two wildly creative chefs. Dishes like Hong Kong French Toast (Macau's version of dim sum), Po Kok Gai (a Portuguese chicken curry), and the titular Arroz Gordo (if Spanish paella and Chinese fried rice had a baby) are enticingly exotic yet accessible and even playful. Featuring a mish-mash of classic and interpretative dishes, plus comic book-style illustrations and edgy location photography, The Adventures of Fat Rice will be the first book to bring the eclectic, richly satisfying, and previously unheralded food of Macau to the mainstream.

D (A Tale of Two Worlds)

A charming tale for people of all ages (but especially for young Sam Vimes) from the pen of Miss Felicity Beedle, Discworld's premier children's author. From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was The World of Poo. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very best

leather, and other things that you never thought you would need to know, but once heard somehow lodged in your mind.'

Dodger's Guide to London

Recipes from Nanny Ogg, the beloved witch from the Discworld series, also includes her thoughts on life, death, and etiquette, as well as other useful information. Original.

Witches Abroad

Product Description A useful and improving Almanack of Information, including Astonishing Recipes from Terry Pratchett's Discworld. From the Publisher "They say that the way to a man's heart is through his stomach, which just goes to show they're as confused about anatomy as they are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world, and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful." Now Nanny Ogg, one of Discworld's favorite witches, is handing down some of her tasty and, above all, interesting recipes. In addition to the delights of Lord Downey's Mint Humbugs and Spicy Spotted Dick, Mrs. Ogg imparts her thoughts on life, death, and etiquette ("If you go to other people's funerals, they'll be sure to come to yours"), all in a refined style that should not offend anyone. Well, not much.

The World of Poo

The definitive Pratchett accessory - a must-have for lovers of Discworld. In this humorous spin-off to the "Discworld phenomenon -- Terry Pratchett joins forces with Bernard Pearson to produce the definitive Almanac to the Common Year, 2004. "Common Year, 2004 being the Year of the Incipient Goat, for the city of Ankh-Morpork and Surrounding Areas & Benefices. Here you will find an essential guide to all aspects of life, and a sure means of ensuring fertility of crops & livestock, also a boon companion in affairs of the HEART & HEALTH, with notes on Husbandry, Physic, Fairs & Marts, and other such information as will render this Publication a staunch companion to Townsman & Tiller of Soil alike. Including homemade remedies for common ailments, recipes, horoscopes, scientific discoveries, a calendar, strange tales and much, much more With witty illustrations, this is an artistically presented package guaranteed to tickle the funny bone of all Pratchett fans.

Equal Rites

Slithering stoorworms, mischievous brownies, fierce kelpies and magical selkies are exquisitely brought to life for children in Theresa Breslin's enchanting tales and Kate Leiper's otherworldly illustrations.

A Slip of the Keyboard

Entries on plot lines and characters, articles on key themes and discussions of artwork, television adaptations and collaborative work make this the most comprehensive, fascinating and illuminating companion to the work of Terry Pratchett, one of our most entertaining - and greatest - writers.

The Folklore of Discworld

Terry Pratchett's profoundly irreverent, bestselling novels have garnered him a revered position in the halls of parody next to the likes of Mark Twain, Kurt Vonnegut, Douglas Adams, and Carl Hiaasen. In *Equal Rites*, a dying wizard tries to pass on his powers to an eighth son of an eighth son, who is just at that moment being born. The fact that the son is actually a daughter is discovered just a little too late.

Nanny Ogg's Cookbook

'THERE'S A SAYING THAT ALL ROADS LEAD TO ANKH-MORPORK. AND IT'S WRONG. ALL ROADS LEAD AWAY FROM ANKH-MORPORK, BUT SOMETIMES PEOPLE JUST WALK ALONG THE WRONG WAY' from *Moving Pictures Ankh-Morpork! City of One Thousand Surprises* (according to the famous publication by the Guild of Merchants)! All human life is there! Although, if it walks down the wrong alley, often quite briefly! The city celebrated in the bestselling Discworld series by Terry Pratchett has been meticulously mapped for the first time. It's all here - from Unseen University to the Shades, from major landmarks like the Patrician's Palace to little-known, er, nooks like Dwarf Bread Museum in Whirligig Alley. See the famous streets along which so many heroes have walked, in some cases quite hurriedly! As leading Ankh-Morpork entrepreneur C.M.O.T. Dibbler would say, A nip at any price - and that's cutting our own throat. Well, close.

The Art of Discworld

Paul Kidby, Sir Terry Pratchett's artist of choice, provided the illustrations for *The Last Hero*, designed the covers for the Discworld novels since 2002 and is the author of the bestseller *The Art Of Discworld*. Now, Paul Kidby has collected the very best of his Discworld illustrations in this definitive volume, including 40 pieces never before seen, 30 pieces that have only appeared in foreign editions, limited editions and BCA editions, and 17 book cover illustrations since 2004 that have never been seen without cover text. If Terry Pratchett's pen gave his characters life, Paul Kidby's brush allowed them to live it, and nowhere is that better illustrated than in this magnificent book.

Nation

In the beginning, there was nothing but endless flatness. Then came the Carpet . . . That's the old story everyone knows and loves. But now the Carpet is home to many different tribes and peoples and there's a new story in the making. The story of Fray, sweeping a trail of destruction across the Carpet. The story of power-hungry moults - and of two Munrung brothers, who set out on an amazing adventure. It's a story that will come to a terrible end - if someone doesn't do

something about it. If everyone doesn't do something about it . . . Co-written by Terry Pratchett, aged seventeen, and master storyteller, Terry Pratchett, aged forty-three.

Nanny Ogg's Cookbook

They said it couldn't be done. Well, it has been done, proving them wrong once again. After years of research, cunningly contrived in as many minutes, the Discworld has its map. It takes full account of the historic and much documented expeditions of the Discworld's fêted (or at least fated) explorers: General Sir Roderick Purdeigh, Lars Larsnephew, Llamedos Jones, Lady Alice Venturi, Ponce da Quirm and, of course, Venter Borass. Now travellers on this circular world can see it all: from Klatch to the Ramtops, from Cori Celesti to the Circle Sea, from Genua to Bhangbhangduc. The great cities of Hunghung, Pseudopolis, Al Khali and, of course, Ankh-Morpork are placed with loving care upon this world which is carried through space by Great A'Tuin.

Maskerade

Everybody wants more time, which is why on Discworld only the experts can manage it -- the venerable Monks of History who store it and pump it from where it's wasted, like underwater (how much time does a codfish really need?), to places like cities, where busy denizens lament, "Oh where does the time go?" While everyone always talks about slowing down, one young horologist is about to do the unthinkable. He's going to stop. Well, stop time that is, by building the world's first truly accurate clock. Which means esteemed History Monk Lu-Tze and his apprentice Lobsang Ludd have to put on some speed to stop the timepiece before it starts. For if the Perfect Clock starts ticking, Time -- as we know it -- will end. And then the trouble will really begin

Death's Domain

Sam Vimes tries a variation on the usual bedtime story he shares with his son.

The Adventures of Fat Rice

A charming tale for people of all ages (but especially for young Sam Vimes) from the pen of Miss Felicity Beedle, Discworld's premier children's author. From Snuff: 'Vimes' prompt arrival got a nod of approval from Sybil, who gingerly handed him a new book to read to Young Sam. Vimes looked at the cover. The title was The World of Poo. When his wife was out of eyeshot he carefully leafed through it. Well, okay, you had to accept that the world had moved on and these days fairy stories were probably not going to be about twinkly little things with wings. As he turned page after page, it dawned on him that whoever had written this book, they certainly knew what would make kids like Young Sam laugh until they were nearly sick. The bit about sailing down the river almost made him smile. But interspersed with the scatology was actually quite interesting stuff about septic tanks and dunnakin divers and gongfermors and how dog muck helped make the very best leather, and other things that you never thought you would need to know, but once

heard somehow lodged in your mind.'

The World of Poo

Greetings, adventurer! We lay before you this most comprehensive gazetteer encompassing all the streets of Ankh-Morpork, as well as information on its principal businesses, hotels, taverns, inns, and places of entertainment and refreshment, enhanced by the all-new and compleat map of our great city state. Our city has grown well beyond its ancient walls, but the remit of this commission from the honourable Guild of Merchants was to 'map the city', the pulsing organ of commerce and culture, the heart as opposed to the body, and this we have done. In spades. We ask that when you pore over this glorious work you spare some thought for the humble cartographers and surveyors who made journeys into the darker corners of our metropolis - no less dangerous than the wilds of Skund or Bhangbhangduc. To some the only memorial is the map you now possess. Others, in their quest for knowledge, paid the highest price that scholarship demands, which is to say, a day off in lieu. And so we dedicate this map and these accompanying words to the officers, councilors and members of the Merchants' Guild and to all who will find in its pages paths yet to tread and places yet to explore within the magnificentbwonder that is the city of Ankh-Morpork.

The Streets Of Ankh-Morpork

As a punishment, failed wizard Rincewind is given the task of guiding and safeguarding the Disc's first tourist, Twoflower (with his magical luggage on legs). As they travel the city and beyond, they meet the world's oldest hero, Cohen the Barbarian. With him, and with Bethan (a ualified sacrificial victim), they encounter druids, trolls, adventurers, a hairdresser and a power-crazed wizard. Oh, and Death. But not fatally. Did we mention that Rincewind also has to save the world from destruction by a huge red star that will collide with the Discworld at Hogswatch? The Rince Cycle is mostly based on The Light Fantastic, with bits of The Colour of Magic and Sourcery added for good measure. As all children know, the way you get into a fantasy world is by accident You go into the wardrobe, looking for somewhere to hide and - bingo. And that's how Stephen Briggs found Discworld. In 1990, he wrote to ask Terry if he could stage Wyrd Sisters. That was the first time anyone, anywhere in the world, had dramatised Terry's work. He had no idea it would go any further than one play (possibly two). But it did. So far, he has now adapted, staged and published twenty-two plays. He and Terry also worked together to produce the original Discworld Maps and Diaries, Nanny Ogg's Cookbook, The Discworld Companion (now called Turtle RecallThe Wit & Wisdom of Discworld.

Thief of Time

Not only an artistic and breathtaking view of Lancre but also an interesting and informative guide to one of the Discworld's more, er, picturesque kingdoms. Granny Weatherwax, Nanny Ogg and Magrat Garlick live there. Lancre could hardly be somewhere ordinary, could it? Magic glues the Discworld together and a lot of it ends up in Lancre, principal Kingdom of the Ramtop Mountains. Between Uberwald

and Whale Bay, the Octarine Grass Country and the Windersins Ocean lies the most exciting and dangerous terrain in all Discworld. The Ramtops supply Discworld with most of its witches and wizards. The leaves on the trees move even when there is no breeze. Rocks go for a stroll in the evening. Even the land, at times, seems alive. The mapp may be only two-dimensional, but watch it very carefully and you might just see it jostle about a bit.

The Carpet People

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

The Rince Cycle

"Glorious. A story that will be found and enjoyed and dreamed about for years to come."—Neil Gaiman A stunning modern-day Dickensian fable and a celebration of friendship and bravery for freethinkers everywhere. It all starts on the morning the letter D disappears from language. First, it vanishes from Dhikilo's parents' conversation at breakfast, then from the road signs outside and from her school dinners. Soon the local dentist and the neighbor's dalmatian are missing, and even the Donkey Derby has been called off. Though she doesn't know why, Dhikilo is summoned to the home of her old history teacher Professor Dodderfield and his faithful Labrador, Nelly Robinson. And this is where our story begins. Set between England and the wintry land of Liminus, a world enslaved by the monstrous Gamp and populated by fearsome, enchanting creatures, D (A Tale of Two Worlds) is told with simple beauty and warmth. Its celebration of moral courage and freethinking is a powerful reminder of our human capacity for strength, hope and justice.

Wyrd Sisters

'I thought: opera, how hard can it be? Songs. Pretty girls dancing. Nice scenery. Lots of people handing over cash. Got to be better than the cut-throat world of yoghurt, I thought. Now everywhere I go there's Death, to be precise. And plenty of it. In unpleasant variations. This isn't real life - it's worse. This is the Opera House, Ankh-Morporka huge, rambling building, where innocent young sopranos are lured to their destiny by a strangely-familiar evil mastermind in a mask and evening

dress, with a penchant for lurking in shadows, occasional murder, and sending little notes full of maniacal laughter and exclamation marks. Opera can do that to a man. But Granny Weatherwax, Discworld's most famous witch, is in the audience. And she doesn't hold with that sort of thing. So there's going to be trouble (but nevertheless a good evenin's entertainment with murders you can really hum). And the show MUST go on.

A Tourist Guide To Lancre

'They say that the way to a man's heart is through his stomach which just goes to show they're as confused about anatomy as they gen'rally are about everything else, unless they're talking about instructions on how to stab him, in which case a better way is up and under the ribcage. Anyway, we do not live in a perfect world and it is foresighted and useful for a young woman to become proficient in those arts which will keep a weak-willed man from straying. Learning to cook is also useful.' Nanny Ogg, one of Discworld's most famous witches, is passing on some of her huge collection of tasty and above all interesting recipes, since everyone else is doing it. But in addition to the delights of the Strawberry Wobbler and Nobby's Mum's Distressed Pudding, Mrs Ogg imparts her thoughts on life, death, etiquette ('If you go to other people's funerals they'll be sure to come to yours'), courtship, children and weddings, all in a refined style that should not offend the most delicate of sensibilities. Well, not much. Most of the recipes have been tried out on people who are still alive. Nanny Ogg Gratefully Acknowledges the Assistance in this Literary Argosy of: Mr Terry Pratchett, Mr Stephen Briggs, Mlle Tina Hannan and Master Paul Kidby.

Where's My Cow?

Although they may feature witches and wizards, vampires and dwarves, along with the occasional odd human, Terry Pratchett's bestselling Discworld novels are grounded firmly in the modern world. Taking humorous aim at all our foibles, each novel reveals our true character and nature. It's a dreamy midsummer's night in the Kingdom of Lancre. But music and romance aren't the only things filling the air. Magic and mischief are afoot, threatening to spoil the royal wedding of King Verence and his favorite witch, Magrat Garlick. Invaded by some Fairie Trash, soon it won't be only champagne that's flowing through the streets

The Nanny

It's no more than a breath away Everyone needs a place to relax after a long day, after all. So here is the place where the Grim Reaper can kick back and take the load off his scythe. Here's the golf course that's not so much crazy as insane, and the useless maze, and the dark gardens - all brought (incongruously) to life. And here, for the first time ever, you will find out the reason why Death can't understand rockeries, and what happens to garden gnomes. As Death rides Binky into the sunset (of other people's lives), you can at last see what he gets up to when he's not at work.
