The Harshacharita

Through the ages women have had to fight to be taken seriously, have their work accepted, and be considered the equal of men intellectually and creatively. This book tips its hat to women such as Cleopatra, Joan of Arc, Sojourner Truth, and Princess Diana, who have made their mark and forever changed the world with their contributions.

Topi Shukla

Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is an intriguing story of two friends—one Hindu and the other Muslim. Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons. Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow. Although it is set in the India of the 1960s, the communal tensions and issues portrayed in the novel make it just as relevant to the troubled times we face today. This fascinating novel will be of tremendous interest to the general reader, as well as to students of literature in translation, partition fiction, and social history. The novel's engagement with intertextuality and metafiction will add to its interest for readers keen on literary theory.

Thye Mudrarakshasa, unlike the majority of sanskrit plays, is purely a political drama. On a dark evening in November 1862, a cheap coffin is buried in eerie silence. There are no lamentations or panegyrics, for the British Commissioner in charge has insisted, 'No vesting will remain to distinguish where the last of the Great Mughals rests.' This Mughal is Bahadur Shah Zafar II, one of the most tolerant and likeable of his remarkable dynasty who found himself leader of a violent and doomed uprising. The Siege of Delhi was the Raj's Stalingrad, the end of both Mughal power and a remarkable culture.
