### Once Burned, Twice Spy

Born in the worst suburb in Pittsburgh, Elaine Brogan is bright, beautiful and bold. When her father is falsely arrested for passing counterfeit \$100 bills, Elaine vows to become a Secret Service agent and track down the man responsible. After barely surviving the arduous Secret Service Training Academy in Laurel, Maryland, she is transferred to bleak and blustery Great Falls, Montana. But things do not go

as planned, and Elaine soon finds herself betrayed and thrown into an adventure that takes her halfway around the world, from dark and mysterious Sofia, Bulgaria, to Moscow Russia, and finally, to Milan, Italy. In the end, will Elaine find the love and happiness she truly seeks...or will she turn to a life of obscene wealth, power and corruption? Fans of Sidney Sheldon and Janet Ivanovich will enjoy this book. ### **The Seneca Scourge**

USA TODAY BESTSELLER • In this adrenaline-laced novel of suspense from Tom Savage—hailed by Michael Connelly as “a master of the high-speed thriller”—an American actress in Europe races to find the truth behind her husband’s mysterious accident. What she uncovers makes her the target of a shocking conspiracy. Nora Baron’s life is perfect. She lives on Long Island Sound, teaches acting at a local university, and has a loving family. Then one phone call changes everything. She’s informed that her husband, Jeff, has died in a car crash while on a business trip in England. Nora flies to London to identify the body, which the police have listed as a “John Doe.” When she leaves the morgue, a man tries to steal her purse containing Jeff’s personal effects. Clearly, all is not as it seems. At her hotel, Nora receives a cryptic message that leaves her with more questions

than answers. She follows the message's instructions to France, where a fatal encounter transforms her into a fugitive. Wanted for murder, on the run in a shadowy landscape of lies, secrets, and sudden violence, Mrs. "John Doe" must play the role of a lifetime to stay one step ahead of a ruthless enemy with deadly plans for her—and for the world. Praise for Mrs. John Doe "This is a rare spy thriller, smart, beautifully written, and stay-up-all-night enjoyable!"—Gayle Lynds, New York Times bestselling author of *The Assassins* "It isn't easy to blindside a fellow suspense author, but Tom Savage manages to fool me every time. A clever, compelling, and cinematic page-turner in which nothing is as it seems, Mrs. John Doe opens with a twist I didn't see coming and closes with a satisfying bang. This longtime Savage fan ranks Mrs. John Doe right up there with *Precipice*."—Wendy Corsi Staub, New York Times bestselling author of *The Black Widow* "Tom Savage's Mrs. John Doe races a fictional path somewhere between Alfred Hitchcock and Agatha Christie, a modern heroine-on-the-run spy thriller dealing with some of our time's deadliest challenges."—James Grady, New York Times bestselling author of *Last Days of the Condor* "Savage twists the plot in two startling ways, and Nora's transformation from wealthy home-focused wife to clever investigator holds up brilliantly. . . . I enjoyed each page, gasped at the swift twists, and came away with a hunger for more of the same, whether it be thrills, France, or books by Tom Savage."—Kingdom Books "If you like books that make your pulse pound, where the images conjured up by your mind while reading are better than the best 'action' movie, Mrs. John Doe should be on your shelf."—Back Porchervations

“Cloak-and-dagger suspense, dark, shadowy figures, secret agents, and a diabolical terrorist plot that must be thwarted combine to create . . . a shocking, heart-pounding, unrelenting thrill ride.”—The Book Reviews Praise for Tom Savage  
“Savage knows the mystery novel inside and out, and it shows on every page.”—James Patterson “A master of the high-speed thriller.”—Michael Connelly  
“A very gifted writer who creates living, breathing characters, wonderful dialogue, and mesmerizing tension.”—Nelson DeMille “Savage writes with fierce energy, piercing holes in the shredding fabric of our society, where no one is safe, no one is free from harm.”—Lorenzo Carcaterra

### **Clan and Conviction**

Solving this murder might be the gravest mistake. At the Northwest Federal University and Research Complex, where the community is cut off from the crumbling civilization outside its walls, tensions are rife. So when the deputy director is killed during a brief blackout, knifed in the back while meeting with a handful of other highly important persons inside a secure conference room, it creates a political crisis. And Security Officer Duncan Kincaid, who’s never handled a homicide before, is the one put in charge of the case... A dystopian murder mystery and standalone novel set in the Slowpocalypse universe. (You can start the series with this as easily as with Book 1.)

**Lust, Money & Murder - Books 1, 2 & 3 (Book 1 Free)**

Vann is a single dad, but his routine is blown apart when his long-lost wife comes back with one hell of a secret The top African American spy, Eden Morgan, is living the good life Days away from permanently leaving the spy game, Eden's plan of being a stay-at-home mom goes up in smoke. Number one on the Russian hit list, Eden must leave her beautiful family and figure out who's trying to kill her. Unfortunately, her agency burns her status, so what should have been only weeks on the run turns into years. Instead of accepting her fate, Eden claws her way back from the dead to save the next people on the Russian's hit list—thanks to her husband's greedy family—her kids. However, after three years missing, her homecoming isn't well received. She finds that her awesome husband has moved on with a perky schoolteacher, not to mention her twins barely remember her. With a good idea who's behind the plot to kill them, Eden must navigate carpool lanes, bitchy moms and one angry, sexy husband. Vann Morgan is charmed. One gorgeous wife and twins, and the most difficult thing in his life was reconstruction of his Chicago brownstone. Unfortunately everything changes when his lovely wife disappears but he's the only one who seems to care. After some years, Vann makes a new normal as a single dad, but his routine is blown apart when his long-lost wife comes back. Unable to trust Eden with his heart, he soon uncovers that everything surrounding her disappearance is his fault.

## **Spies R Us**

Aydan Kelly has reluctantly accepted her unwanted role as an undercover agent. When she finds evidence that the government murdered her husband to manipulate her, the betrayal drives her on a quest to uncover the truth.

### **Scarlett Couture #1**

On the eve of announcing his run for Congress, a charismatic Chicago politician causes a deadly accident. Panicked, he frames his best friend, a good-hearted alcoholic, and flees the scene. As one man tries to pick up the pieces of his shattered life, the other embarks on a meteoric rise to political stardom. But when a dogged detective digs deeper into the case, the political superstar must decide just how far he is willing to go to keep his dark secret and avoid an explosive scandal that could ruin him and rock the entire nation. In this suspenseful thriller, author Joseph Hayes asks, is "the greater good" just a lie we tell ourselves to justify the sins we commit when no one is watching?

### **Watching (The Making of Riley Paige—Book 1)**

Book 10 of the NEVER SAY SPY series Bookkeeper-turned-secret-agent Aydan Kelly has barely begun to relax after her last mission when a shotgun-wielding man kicks in the front door of her country home. She doesn't recognize the would-be

assassin, so who hired him and why? As evidence mounts against her abrasive co-worker, Aydan begins a deadly game of cat and mouse with herself as bait. If her suspicions are correct, the Department's security has been breached and no one is safe. With the lives of her dearest friends at risk as well as her own, Aydan must stop her unknown enemy before the next assassin succeeds. - Spicy suspense served hard-boiled - Books in the series: Book 1: Never Say Spy Book 2: The Spy Is Cast Book 3: Reach For The Spy Book 4: Tell Me No Spies Book 5: How Spy I Am Book 6: A Spy For A Spy Book 7: Spy, Spy Away Book 8: Spy Now, Pay Later Book 9: Spy High Book 10: Spy Away Home More books coming

### **A Spy For Help**

Escorting Canada's top weapons developers to an international summit should be just another stressful day in the life of secret agent Aydan Kelly. But Aydan's routine mission becomes a nightmare when she's accused of an attack on the delegates and the theft of a classified weapon.

### **Murder on the Iditarod Trail**

Middle-aged bookkeeper Aydan Kelly never wanted to moonlight as an undercover agent, but she doesn't have a choice in the matter. When her trusted co-worker is

shot while committing an apparently treasonous act, she embarks on a mission to clear his name. But her secret investigation casts suspicion on the director of operations himself.

Beautiful. Intelligent. Deadly. Scarlett Couture is all of these things, and more. She's a spy. Using her cover as Head of Security for her mother's internationally

renowned fashion house, she gathers intelligence for the CIA. In this explosive first issue, Scarlett follows her instincts right into the middle of the action and finds she needs to use all her wits to get herself out of hot water!

### **Red One**

Meet Alexis Stanton, a 5' 4" petite young woman with a yen for adventure. She grew up as a tomboy wishing she could have all the adventures boys could have. She has since decided that being a boy instead of a girl has its advantages, but being a woman is much better. Raised in a family with money, she was able to pick and choose her education. She had been schooled in everything from being a lady to courses with Special Forces instructors. Her desire for adventure and boredom with her current employment and a strange 'HELP WANTED' ad causes her to quit. She finds that job she could "just die for" and it looks like she just might!

### **Secret Relations**

If a kickass middle-aged bookkeeper got sucked into a spy's life Secret agent Aydan Kelly's supposedly-dead mother Nora has resurfaced after thirty years, and the chain of command assigns Aydan to investigate her for treason. With only two weeks before Nora leaves the country under diplomatic immunity, Aydan struggles

to piece together her mother's questionable past. Two days into Aydan's investigation Nora announces she's leaving early, and Aydan's director gives her an ultimatum: Solve the case before Nora escapes, or face imprisonment for dereliction of duty. Meanwhile, an unknown enemy is stalking Aydan's friends and the threats are escalating. When time runs out and prison walls loom, claustrophobic Aydan must make an unthinkable choice: Sacrifice her friends, or lose her freedom forever. \* \* \* Thrillers with humour and heart Contains coarse language, moderate violence, and sexuality. ### **Developmentality**

The winner of Alaska's world-famous Iditarod -- a grueling, eleven-hundred-mile dog sled race across a frigid Arctic wilderness---takes home a \$250,000 purse. But this year, the prize is survival. Only the toughest and the most able come to compete in this annual torturous test of endurance, skill, and courage. Now, suddenly and inexplicably, the top Iditarod contestants are dying one by one in bizarre and gruesome ways. Jessie Arnold, Alaska's premier female "musher," fears she may be the next intended victim, but nothing is going to prevent her from aggressively pursuing the glory and the rewards that victory brings. Dedicated State Trooper Alex Jensen is determined to track down the murderer before more innocent blood stains the pristine Alaskan snow. But Jensen's hunt is leading him into the frozen heart of the perilous wild that Jessie Arnold knows so well -- a merciless place far from any vestige of civilization, where nature can kill as fast as a bullet and only the Arctic night can hear your final screams.

## **The Ideal Problem Solver**

“One of the best thrillers I have read this year. The plot is intelligent and will keep you hooked from the beginning. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. I can hardly wait for

the sequel.” --Books and Movie Reviews, Roberto Mattos (re Any Means Necessary) OATH OF OFFICE is book #2 in the bestselling Luke Stone series, which begins with ANY MEANS NECESSARY (book #1), a free download! A biological agent is stolen from a biocontainment lab. Weaponized, it could kill millions, and a desperate national hunt ensues to catch the terrorists before it is too late. Luke Stone, head of an elite FBI department, with his own family still in jeopardy, has vowed to walk away—but when the new President, barely sworn in, calls him, he can’t turn his back on her. Shocking devastation follows, winding its way all the way to the President, who finds her own family in jeopardy. Her strength tested, as she steps into her new role, she surprises even her closest advisors. Rival presidential staff want Luke out of the picture, and with his team in danger, and left to his own resources, it becomes personal. But Luke Stone never gives up until he, or the terrorists, are dead. Luke realizes quickly that the terrorist’s final target is even more high value—and more terrifying—than even he could imagine. Yet with only a few days before doomsday, it’s unlikely that even he can stop what’s already in motion. A political thriller with non-stop action, dramatic international settings, unexpected twists and heart-pounding suspense, OATH OF OFFICE is book #2 in the Luke Stone series, an explosive new series that will leave you turning pages late into the night. ## **Spy Now, Pay Later**

A highly entertaining account of a young woman who went straight from her college sorority to the CIA, where she hunted terrorists and WMDs "A thrilling tale Walder's fast-paced and intense narrative opens a window into life in two of America's major intelligence agencies" —Publishers Weekly (starred review) When Tracy Walder enrolled at the University of Southern California, she never thought that one day she would offer her pink beanbag chair in the Delta Gamma house to a CIA recruiter, or that she'd fly to the Middle East under an alias identity. The *Unexpected Spy* is the riveting story of Walder's tenure in the CIA and, later, the FBI. In high-security, steel-walled rooms in Virginia, Walder watched al-Qaeda members with drones as President Bush looked over her shoulder and CIA Director George Tenet brought her donuts. She tracked chemical terrorists and searched the world for Weapons of Mass Destruction. She created a chemical terror chart that someone in the White House altered to convey information she did not have or believe, leading to the Iraq invasion. Driven to stop terrorism, Walder debriefed terrorists—men who swore they'd never speak to a woman—until they gave her leads. She followed trails through North Africa, Europe, and the Middle East, shutting down multiple chemical attacks. Then Walder moved to the FBI, where she worked in counterintelligence. In a single year, she helped take down one of the most notorious foreign spies ever caught on American soil. Catching the bad guys wasn't a problem in the FBI, but rampant sexism was. Walder left the FBI to teach

young women, encouraging them to find a place in the FBI, CIA, State Department or the Senate—and thus change the world.

### **Multiple Motives**

British secret agent John Steed is forced to reunite with his former partner, the formidable Emma Peel, to track down a murderous double agent who is terrorizing London. Reprint.

### **A Spy Like Me**

When a clandestine government agency recruits middle-aged bookkeeper Aydan Kelly, she overcomes her fear and agrees to go undercover at a lavish gala affair. But the glamour of the mission fades fast when she finds herself astride a motorcycle, assigned to an all-male surveillance team. Aydan discovers spies are using classified technology to torture information from their captives. Worse, they know she's breached their security. Now she has to prevent them from revealing her true identity, while avoiding capture by the vicious criminals who won't hesitate to torture her, too. - Spicy suspense served hard-boiled -

### **Color Me Grey**

Provocative, challenging, and fun, *The Ideal Problem Solver* offers a sound, methodical approach for resolving problems based on the IDEAL (Identify, Define, Explore, Act, Look) model. The authors suggest new strategies for enhancing creativity, improving memory, criticizing ideas and generating alternatives, and communicating more effectively with a wider range of people. Using the results of laboratory research previously available only in a piece-meal fashion or in scientific journals, Bransford and Stein discuss such issues as Teaming new information, overcoming blocks to creativity, and viewing problems from a variety of perspectives.

### **Reach for the Spy**

Drawing on ethnographic fieldwork within the World Bank and a Ugandan ministry, this book critically examines how the new aid architecture recasts aid relations as a partnership. While intended to alter an asymmetrical relationship by fostering greater recipient participation and ownership, this book demonstrates how donors still seek to retain control through other indirect and informal means. The concept of developmentality shows how the World Bank's ability to steer a client's behavior is disguised by the underlying ideas of partnership, ownership, and participation, which come with other instruments through which the Bank manipulates the aid recipient into aligning with its own policies and practices.

## **Privileged Witness**

“You will not sleep until you are finished with AGENT ZERO. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel.” --Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists’ pending target—and of the beautiful woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists—and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on his tail, the wild game of cat and mouse leads Kent on a perilous road—one that may lead back to Langley—and to a shocking discovery of his own identity. AGENT ZERO is an espionage thriller that will keep you turning pages late into the night. Psychotherapist Kate Huntington helps other people cope with the horrible things that have happened to them, but she herself has led a charmed life until now. When a series of what seem like random events—a matter of being in the wrong place at the wrong time—takes a sinister twist, it becomes apparent that she and

her lawyer friend, Rob Franklin, have a common enemy. But the lead police detective has a different theory. He's convinced Kate and Rob are lovers attempting to eliminate their spouses. And he seems determined to build a case against them. As the attacks escalate, Kate and Rob are forced to investigate on their own. Who hates them enough to want them both dead? And doesn't seem to mind if others get caught in the crossfire! The Kate Huntington Murder Mysteries features a gutsy, smart female sleuth! Fans of Blake Pierce, Kimberley Chambers, Damien Boyd, Rachel Abbott, Patricia Gibney, Mark Billingham and Charlie Gallagher may enjoy reading this mystery series. Best New E-book: Fiction', 2012 USA Best Book Awards Dr. Sydney McKnight, a young physician battling the deadliest influenza pandemic of all time, joins forces with Dr. Casper Jones, an odd new research virologist whose arrival coincides with the virus's advent, and whose presence raises more questions than answers. As scientists around the world search for an explanation for the virus's high mortality rate, Sydney's distrust of Casper grows, especially after she discovers him injecting an unidentified substance into her patient. Despite a heavy patient load, rebuttals from her boss, and an increasingly strained relationship with her boyfriend, Sydney is determined to learn the truth. But what she finds will plunge her into danger and change her life forever

### **The Unexpected Spy**

For forty years, Colony 3245.12 has been Ofelia's home. On this planet far away in

space and time from the world of her youth, she has lived and loved, weathered the death of her husband, raised her one surviving child, lovingly tended her garden, and grown placidly old. And it is here that she fully expects to finish out her days—until the shifting corporate fortunes of the Sims Bancorp Company dictates that Colony 3245.12 is to be disbanded, its residents shipped off, deep in cryo-sleep, to somewhere new and strange and not of their choosing. But while her fellow colonists grudgingly anticipate a difficult readjustment on some distant world, Ofelia savors the promise of a golden opportunity. Not starting over in the hurly-burly of a new community . . . but closing out her life in blissful solitude, in the place she has no intention of leaving. A population of one. With everything she needs to sustain her, and her independent spirit to buoy her, Ofelia actually does start life over—for the first time on her own terms: free of the demands, the judgments, and the petty tyrannies of others. But when a reconnaissance ship returns to her idyllic domain, and its crew is mysteriously slaughtered, Ofelia realizes she is not the sole inhabitant of her paradise after all. And, when the inevitable time of first contact finally arrives, she will find her life changed yet again—in ways she could never have imagined. . . . From the Trade Paperback edition.
