A Guide to the Birds of New England and Eastern New York

Krik's Guide to the Turf

Teacher guide to a set of nonfiction books with attitude to grab even the reluctant

readers' attention. Provides direct instruction in vital comprehension strategies, opportunities to engage with authentic texts in a variety of text types and integration of other learning areas with reading and writing opportunities for ages 6+.

A Guide to the Birds

Brazil's bird diversity is one of the richest in the world. And yet there has never been a comprehensive field guide to this splendid and elusive avifauna. Until now. The carefully vetted text and images are the first to cover the full range of bird life in this vast and varied country. The more than 1800 up-to-date accounts treat the Yellow-nosed Albatross to the Sombre Hummingbird, the Ash-throated Gnat-eater to the Black-bellied Whistling-Duck, Nighthawks and Jacamars to Motmots, Puffbirds, and Peppershrikes. They are all here--every species and many subspecies found in each region of Brazil--with special attention given to the 218 Brazilian endemics. The book is laid out so that the illustrations sit across from the commentary and the distribution maps, so it is easy to use. Also, the author uses short-hand notation throughout, to make the book compact and easy to carry when in the field. For each bird, the scientific, English, and Portuguese name are given as well as detailed information on measurement; identifying features; habitat; voice, song, and call. Distribution maps show the range for each species, also indicating seasonality and occurrence, essential for finding and identifying specific birds.

From the equatorial North to the tropics, the introductory paragraphs set the stage in describing Brazil's varied biogeography, climate, geomorphology, and natural vegetation. A list of protected areas of Brazil, information on relevant national and international organizations, a bibliography and further references, and an English-Portuguese dictionary of frequently used terms enhance the user-friendly qualities. Anyone wishing to fully explore the fabulously varied bird life of Brazil will find this light-weight, easy-to-use, attractive guide an invaluable field companion.

Nighthawk F-117 Stealth Fighter

Firearms Guide is the world's first completely digital, computer searchable, firearms, ammunition and air guns reference guide on DVD-Rom for Macintosh computers! 3rd Edition of Firearms Guide for Macintosh presents over 55,000 firearms, air guns and ammo from 500 manufacturers worldwide. The Penguin Guide to Blues Recordings

A one-of-a-kind new guide to recorded blues This informative, insightful, and easy-to-use A-Z guide surveys the recorded work of more than a thousand blues artists. From towering figures of the past like Charley Patton, Bessie Smith, and Robert Johnson to stars of the modern era such as B. B. King, Buddy Guy, and Stevie Ray Vaughan, this valuable resource provides crisp, expert, and witty reviews of almost six thousand recordings and is required reading for blues aficionados as well as anyone just starting a collection.

Software for Schools

The New Wonder World: Home and school guide. Index

Sized for backpack or pocket, each 272-page volume highlights a single state or two and covers 125 species (each with a photograph and range map), with local expertise provided by experienced birders. Even novice birders will make quick and confident identifications thanks to the uncluttered, easy-to-use format. An introductory locator map pinpoints top birding sites, and customized range maps detail each species' winter, breeding, migration, and resident ranges. New

Yorkboasts a rich mix of city and country birds, from Long Island waterfowl to Niagara's famous gulls and various high-latitude Adirondack species. Springtime hawk-watching makes Derby Hill Bird Observatory a favorite; at Montezuma National Wildlife Refuge in the Finger Lakes, seasonal migrations promise sightings galore, while New York City's Jamaica Bay Wildlife Refuge shelters birds of interest all year.

Bird Guide

A Field Guide to the Birds of Brazil

A completely revised and updated fifth edition of the popular birding handbook provides identification tips, full-color artwork, new locator and range maps, information on behavior and nesting, new plumage and species classification data, and other valuable facts about more than eight hundred North American birds. Original. 75,000 first printing.

Firearms Guide 3rd Edition for MAC

Firearms Guide 3rd Edition

United States Official Postal Guide

A revolution in birding and field guides This stunningly illustrated book from acclaimed birder and photographer Richard Crossley revolutionizes field guide design by providing the first real-life approach to identification. Whether you are a beginner, expert, or anywhere in between, The Crossley ID Guide will vastly improve your ability to identify birds. Unlike other guides, which provide isolated individual photographs or illustrations, this is the first book to feature large, lifelike scenes for each species. These scenes—640 in all—are composed from more than 10,000 of the author's images showing birds in a wide range of views--near and far, from different angles, in various plumages and behaviors, including flight, and in the habitat in which they live. These beautiful compositions show how a bird's appearance changes with distance, and give equal emphasis to characteristics experts use to identify birds: size, structure and shape, behavior, probability, and color. This is the first book to convey all of these features visually--in a single image--and to reinforce them with accurate, concise text. Each scene provides a wealth of detailed visual information that invites and rewards careful study, but the most important identification features can be grasped instantly by anyone. By

making identification easier, more accurate, and more fun than ever before, The Crossley ID Guide will completely redefine how its users look at birds. Essential for all birders, it also promises to make new birders of many people who have despaired of using traditional guides. Revolutionary. This book changes field guide design to make you a better birder A picture says a thousand words. The most comprehensive guide: 640 stunning scenes created from 10,000 of the author's photographs Reality birding. Lifelike in-focus scenes show birds in their habitats, from near and far, and in all plumages and behaviors Teaching and reference. The first book to accurately portray all the key identification characteristics: size, shape, behavior, probability, and color Practice makes perfect. An interactive learning experience to sharpen and test field identification skills Bird like the experts. The first book to simplify birding and help you understand how to bird like the best An interactive website—www.crossleybirds.com—includes expanded captions for the plates and species updates

SPSSx User's Guide

The world's oil supply is vanishing, the stock market is plummeting, and the key to saving the future seems to be a baffling historical mystery. Can the NUMA crew crack it in time? Sea of Greed is the suspenseful new NUMA Files novels from the #1 New York Times bestselling grand master of adventure. After an explosion in the Gulf of Mexico destroys three oil rigs trying to revive a dying field, Kurt Austin

and the NUMA Special Projects Team are tapped by the President of the United States to find out what's gone wrong. The trail leads them to a brilliant billionaire in the alternative energy field. Her goal is the end of the oil age; her company has spent billions developing the worlds' most advanced fuel-cell systems. But is she an environmental heroor a rogue genetic engineer? The NUMA crew discovers that the oil fields are infected with bacteria that are consuming the oil before it can be pumped out of the earth--a bacteria originally lost decades ago when two submarines vanished in the Mediterranean. With hired killers on his trail, can Kurt Austin locate a submarine that's remained hidden for more than fifty years? And even if he can, can the biological terror that's been unleashed be stopped?

The Guide to Nature

The most in-depth Stealth fighter book ever follows the development, operation, technology, testing, and history of the F-117 Nighthawk. A special section details F-117 combat operations in Panama and the Gulf War.

Unofficial User Guide - The NETGEAR Nighthawk AC1750 Smart Wi-Fi Router delivers extreme Wi-Fi speed for gaming up to 1750Mbps. The Dual Core 1GHz processor boosts wireless and wired performance. High-powered amplifiers and external antennas increase range for whole-home mobility, while Beamforming+ boosts speed for mobile devices, up to 100% faster.

The Easy Bird Guide: Eastern Region

Firearms Guide 4th Edition for MAC

NETGEAR R6700 Nighthawk AC1750 Dual Band Smart WiFi Router, Gigabit Ethernet User's Manual

FIREARMS GUIDE 4th EDITION Five products on one DVD every shooter must have: Firearms Guide is the world's most extensive firearms, ammo and air guns reference guide and gun schematics library. It is a must have for anyone with an interest in firearms, air guns, ammunition, hunting and shooting, both for professionals and hobbyists. It is the ultimate tool to search, find, identify and research modern and historic guns. Our database of 57,000 guns and ammo from 630 manufacturers worldwide and over 4,300 gun schematics with parts lists from 360 manufacturers is so extensive, we couldn't fit it in a book, so we put it on a double-layer DVD for your computer! Even though it is on DVD, Firearms Guide does not require any installation on the user's computer, it starts automatically when inserted, so it's really not software but a gun reference guide readable on PC. Using the Firearms Guide saves a lot of time and money for gun enthusiasts. Instead of buying several publications and surfing for hours on the internet from one manufacturer's website to another, by searching the Firearms Guide's database of 57,000 models from 630 manufacturers from around the world with 14 search criteria, the user gets a search result literally in a second. The user can check out guns, compare them and their prices, check the ammo that they use, and start another search. Plus, guns are presented with exclusive high-resolution

color pictures unavailable anywhere else.- EXAMPLE 1: If you search Firearms Multimedia Guide by using this search criteria: Pistol, 45 ACP, Made in USA, Polymer frame, Stainless slide finish, With accessory rail, in price range \$500 - \$1,000 your search result will be 7 pistols. Try to do that in Google.- EXAMPLE 2: If you type in the Google search bar: Shotgun, Pump action, Thumbhole stock your search result will be 26,400 web sites. If you use the same search criteria in the Firearms Guide your search result will be 18 shotguns.- EXAMPLE 3: If you type in the Google search bar: Pistol, 9mm Luger, Made in USA your search result will be 53,500 web sites. If you use the same search criteria in the Firearms Guide your search result will be 72 pistols

1.
