Pure-bred Dogs, American Kennel Gazette

Obediah Prichard (b.ca. 1755), grandson of Obediah and Margaret Prichard, was probably the father of Joshua Prichard Sr. (1780/1782-1863). If so, Obediah moved from Pennsylvania or Maryland to South Carolina, where Joshua Sr. was born. Joshua Prichard Sr. married Milley Tippen about 1804, moved from South Carolina to Gwinnett County, Georgia by 1820, and by 1840 moved to Cobb County, Georgia. Descendants (chiefly spelling the surname Pritchard) and relatives lived in South Carolina, Georgia, Tennessee, Arkansas, Oklahoma, Texas, California and elsewhere.

The Types of Genesis Briefly Considered

New Outlook

Georgia O’Keeffe mistrusted words. She claimed color as her language. Nevertheless, in the course of her long life, the great American painter wrote thousands of letters—more than two thousand survive between her and her husband, Alfred Stieglitz, alone. Jennifer Sinor’s *Letters Like the Day* honors O’Keeffe, her modernist landscapes, and, crucially, the value of letter writing. In the painter’s correspondence, we find an intimacy with words that is all her own. Taking her letters as a touchstone, Sinor experiments with the limits of language using the same aesthetic that drove O’Keeffe’s art. Through magnification, cropping, and juxtaposition—hallmarks of modernism—Sinor explores the larger truths at the center of O’Keeffe’s work: how we see, capture, and create. *Letters Like the Day* pursues the highest function of art—to take one’s medium to the edge and then push beyond.

"When the Nazi Blitzkrieg subjugated Europe in World War II, London became the safe haven for the leaders of seven occupied countries--France, Belgium, Holland, Luxembourg, Norway, Czechoslovakia, and Poland--who fled there to avoid imprisonment and set up governments in exile to commandeer their resistance efforts. The lone hold-out against Hitler's offensive, Britain became a beacon of hope to the rest of Europe, as prominent European leaders like French general Charles De Gaulle, Queen Wilhelmina of Holland, and King Haakon of Norway competed for Winston Churchill's attention while trying to rule their embattled countries from the precarious safety of 'Last Hope Island'"--Provided by publisher.
