Part IV discusses The Organization System and, finally, in Part V, the book presents Organizational Dynamics. Numerous up-to-date examples: Because many students have limited exposure to real organizations, the book contains recent examples from a broad spectrum of organizations to illustrate the major concepts and to help students apply the knowledge. Some Distinctive Pedagogical Features: Organizational Behaviour offers a number of distinctive, time tested and interesting features for students as well as new and innovative features. These features should facilitate the students' acquisition and retention of the material.
