## **Push It Forward**

Queerness in Play examines the many ways queerness of all kinds—from queer as 'LGBT' to other, less well-covered aspects of the queer spectrum—intersects with games and the social contexts of play. The current unprecedented visibility of queer creators and content comes at a high tide of resistance to the inclusion of those outside a long-imagined cisgender, heterosexual, white male norm.

## Where To Download Outside The Box Blythe College 3 Rochelle Paige

By critically engaging the ways games—as a culture, an industry, and a medium—help reproduce limiting binary formations of gender and sexuality, *Queerness in Play* contributes to the growing body of scholarship promoting more inclusive understandings of identity, sexuality, and games.
