Shooting an Elephant of George Orwell - Short Story Or Essay on the Essence of Colonialism?

A PBS Great American Read Top 100 Pick With extraordinary relevance and renewed popularity, George Orwell's 1984 takes on new life in this edition. "Orwell saw, to his credit, that the act of falsifying reality is only secondarily a way of changing perceptions. It is, above all, a way of asserting power."—The New Yorker In 1984, London is a grim city in the totalitarian state of Oceania where Big Brother is always watching you and the Thought Police can practically read your mind. Winston Smith is a man in grave danger for the simple reason that his memory still

Get Free Paper Topics George Orwell

functions. Drawn into a forbidden love affair, Winston finds the courage to join a secret revolutionary organization called The Brotherhood, dedicated to the destruction of the Party. Together with his beloved Julia, he hazards his life in a deadly match against the powers that be. Lionel Trilling said of Orwell's masterpiece, "1984 is a profound, terrifying, and wholly fascinating book. It is a fantasy of the political future, and like any such fantasy, serves its author as a magnifying device for an examination of the present." Though the year 1984 now exists in the past, Orwell's novel remains an urgent call for the individual willing to speak truth to power.

Such, Such Were the Joys

With new entries and sensitive edits, this fifth edition places J.A. Cuddon's indispensable dictionary firmly in the 21st Century. Written in a clear and highly readable style Comprehensive historical coverage extending from ancient times to the present day Broad intellectual and cultural range Expands on the previous edition to incorporate the most recent literary terminology New material is particularly focused in areas such as gender studies and queer theory, post-colonial theory, post-structuralism, post-modernism, narrative theory, and cultural studies. Existing entries have been edited to ensure that topics receive balanced treatment

Amigo Brothers

Norton's Literary Letter, Comprising American Papers of Interest, and a Catalogue of Rare and Valuable Books Relative to America

Beginning with a dilemma about whether he spends more money on reading or smoking, George Orwell's entertaining and uncompromising essays go on to explore everything from the perils of second-hand bookshops to the dubious profession of being a critic, from freedom of the press to what patriotism really means.

Why I Write

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I

Get Free Paper Topics George Orwell

Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — Irish Times

Books Abroad

Includes a brief history of American journalism and discusses the duties of a journalist, styles of writing, the parts of a newspaper, newspaper and yearbook design, photography, and careers in journalism.

Best Books for Senior High Readers

In *The Analytical Writing* Adrienne Robins explains college writing as a process of discovery, as a series of strategies that any college student can learn to apply. All strategies explained in this text are based on sound theories of teaching writing

Get Free Paper Topics George Orwell

and on the patterns of successful writers. Writing and thinking should not be separated, and presenting only the steps without the accompanying explanation of how they influence thinking would be of little more help than having no method at all. By using this text the students will see as they plan, draft, and revise how their writing helps clarify their thoughts. This clearly written and engaging textbook is illustrated by real examples of student writing and appropriate cartoons. The second edition was revised and updated based on the large-scale evaluation of the first edition completed by professors and students. The new edition reflects four essential values: recognizing the diversity of writing processes, the necessity of peer and teacher interaction with the writer on drafts, the integration of writing and reading, and the appropriate uses of technology. Specific features of this second edition include: -new writing samples -electronic citation formats -updated library use chapter with technological guidance -concise paragraph chapter -revised introduction and conclusion chapter -rhetorical as well as grammatical explanations for punctuation usage -new cartoons -exercises drawn from students' papers -a condensed chapter on research papers -and an expanded, and clearer, chapter on special assignments and other writing tasks A Collegiate Press book

The Gissing Newsletter

Into the Wild

Essays by the author of 1984 on topics from “remembrances of working in a bookshop [to] recollections of fighting in the Spanish Civil War” (Publishers Weekly). George Orwell was first and foremost an essayist, producing throughout his life an extraordinary array of short nonfiction that reflected—and illuminated—the fraught times in which he lived. “As soon as he began to write something,” comments George Packer in his foreword, “it was as natural for Orwell to propose, generalize, qualify, argue, judge—in short, to think—as it was for Yeats to versify or Dickens to invent.” Facing Unpleasant Facts charts Orwell’s development as a master of the narrative-essay form and unites such classics as “Shooting an Elephant” with lesser-known journalism and passages from his wartime diary. Whether detailing the horrors of Orwell’s boyhood in an English boarding school or bringing to life the sights, sounds, and smells of the Spanish Civil War, these essays weave together the personal and the political in an unmistakable style that is at once plainspoken and brilliantly complex. “Best known for his late-career classics Animal Farm and 1984, George Orwell—who used his given name, Eric Blair, in the earliest pieces of this collection aimed at the aficionado as well as the general reader—was above all a polemicist of the first rank. Organized chronologically, from 1931 through the late 1940s, these in-your-face writings showcase the power of this literary form.” —Publishers Weekly, starred review

George Orwell and the Origins of 1984

In this bestselling compilation of essays, written in the clear-eyed, uncompromising language for which he is famous, Orwell discusses with vigor such diverse subjects as his boyhood schooling, the Spanish Civil War, Henry Miller, British imperialism, and the profession of writing.

Essays

Presents a collection of essays from George Orwell, including his discussion of pacifism, "My Country Right or Left," his scathingly complicated views on the dirty work of imperialism in "Shooting an Elephant," and his very firm opinion on how to make "A Nice Cup of Tea."

Modern Satire

George Orwell

The Complete Works of George Orwell: I belong to the Left:

1945

The Road to Wigan Pier is Orwell's 1937 study of poverty and working-class life in northern England.

Structuring for Success in the English Classroom

The Curious Researcher 3/e offers a fresh approach to research by reminding readers that curiosity is still the best reason for uncovering information and ideas. This author provides ample proof that the research process, like the writing process, can be full of rewarding discoveries. Using a variety of examples from both professional writers and students, this book shows that good research and lively writing do not have to be mutually exclusive. Readers are encouraged to not only develop sound research and analytical skills, but to examine ways to bring their writing to life, even though they're writing with "facts." Though The Curious Researcher stands apart from similar texts because of its motivational qualities, it also features full explanations of the technical aspects of the research paper. MLA citation conventions are given extensive treatment, and APA standards are also explained in the Appendix. For writers of research papers.

George Orwell the Essayist

Get Free Paper Topics George Orwell

George Orwell is acclaimed as one of English literature's great essayists. Yet, while many are considered classics, as a body of work his essays have been neglected. Peter Marks provides the first sustained study of Orwell the essayist, giving these compelling pieces the critical attention they merit. Orwell employed the essay as a tool to entertain, illuminate and provoke readers across an array of topics. Marks situates the essays in their original contexts, exploring how journals influenced the type of essay Orwell wrote. Acknowledging this periodical culture helps explain the tactics Orwell employed, the topics he chose and the audiences he addressed. Orwell's first and last published works were essays, providing evidence of the development of his cultural and political views over two decades. Essays helped him fashion his distinctive literary 'voice' and Mark traces how their afterlife contributes to Orwell's posthumous reputation. Arguing the essays are central to Orwell's enduring literary, political and cultural value, Marks shows how we understand the complexities, subtleties, and contradictions of Orwell better when we understand his essays.

Facing Unpleasant Facts

The 31 articles presented in this book illustrate the success of initiating structure in English classrooms, at both the secondary and the college levels. Reflecting the notion that clear guidelines and explicit expectations--greater structure--will help both teacher and student work toward common educational goals, the articles are

arranged in six categories: (1) structuring the classroom, (2) integrating the English curriculum, (3) structuring the writing assignment, (4) structuring the evaluation of writing, (5) structuring language study (vocabulary development), and (6) structuring reading and the teaching of literature. (RL)

Advances in Systemic Linguistics

Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

1984

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. His name was Christopher Johnson McCandless. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it

Get Free Paper Topics George Orwell

of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page. From the Trade Paperback edition.

Illinois English Bulletin

This classic rhetoric-reader-handbook offers a complete course in writing in the rhetorical modes in one comprehensive volume.

Bloom's how to Write about George Orwell

Topic

"Rich and compelling. . .Lynskey's account of the reach of 1984 is revelatory." --George Packer, *The Atlantic* An authoritative, wide-ranging, and incredibly timely history of 1984--its literary sources, its composition by Orwell, its deep and lasting effect on the Cold War, and its vast influence throughout world culture at every level, from high to pop. 1984 isn't just a novel; it's a key to understanding the modern world. George Orwell's final work is a treasure chest of ideas and memes--Big Brother, the Thought Police, Doublethink, Newspeak, 2+2=5--that gain potency with every year. Particularly in 2016, when the election of Donald Trump made it a bestseller ("Ministry of Alternative Facts," anyone?). Its influence has morphed endlessly into novels (*The Handmaid's Tale*), films (*Brazil*), television shows (*V for Vendetta*), rock albums (*Diamond Dogs*), commercials (Apple), even

Get Free Paper Topics George Orwell

reality TV (Big Brother). The Ministry of Truth is the first book that fully examines the epochal and cultural event that is 1984 in all its aspects: its roots in the utopian and dystopian literature that preceded it; the personal experiences in wartime Great Britain that Orwell drew on as he struggled to finish his masterpiece in his dying days; and the political and cultural phenomena that the novel ignited at once upon publication and that far from subsiding, have only grown over the decades. It explains how fiction history informs fiction and how fiction explains history.

Early Modern European History : Renaissance to 1789

Includes 'The Freedom of the Press', intended as the preface to 'Animal Farm' but undiscovered until 1972. Considered by Noam Chomsky to be Orwell's most important essay. These essays demonstrate the life and work of one of the most individual writers of the last century.

Writing Term Papers

In this bitingly honest autobiographical essay, Orwell recounts his days as a pupil at St Cyprian's preparatory school in Eastbourne, Sussex. He reflects on a 'world of force and fraud and secrecy,' where the actual 'pattern of school life' was played out as a continuous triumph of the strong over the weak. Reflecting on the hypocrisy of Edwardian society, Orwell condemns the education he received as 'a preparation for a sort of confidence trick,' designed mercinarily to prepare pupils for exams without concern for real knowledge or understanding. This is Orwell as political dissident and supreme chronicler of class conflict.

Essays

A guide to writing about the works of the English novelist offers instructions for composing different types of essays and contains literary criticism for such pieces as "Animal Farm" and "1984."

Homage to Catalonia

Seminar paper from the year 2010 in the subject English Language and Literature Studies - Literature, grade: 1,5, University of Vechta (Institut für Geistes- und Kulturwissenschaften), language: English, abstract: This paper deals with Orwell's text 'Shooting an Elephant'. I use the term text deliberately since my topic says "George Orwell: 'Shooting an Elephant' - Short Story or Essay on the Essence of Colonialism." The question of genre has been debated for decades and there have been several quarrels about allocating it to a certain genre. Most experts, however, call the text an essay but there are also those who insist on the text belonging to the group of the short stories. In my paper I will work out features of both genres

Get Free Paper Topics George Orwell

and at the end of my study I will sum up the findings and draw a conclusion. First, I will give a short definition of the terms 'Short Story' and 'Essay'. This is to show the characteristics of the two genres that I will pick up again in the course of this paper. After a brief summary I will start the analysis of the text working out topics like parallels to Orwell's life, the meaning of the elephant or the construction of the text. In the final part I will sum up my results and draw a conclusion."

The Writer in You

George Orwell (born Eric Arthur Blair), was one of the most prolific English authors of the 20th century. *Animal Farm* is one of his most celebrated works.

High School Journalism
