collectors alike. Since the world of antiques and collectibles is mainly one of comparison, readers will find detailed descriptions and captioned photographs, which will make their task of evaluating pieces easier, more meaningful, and educational.

The Internet Consumer Bible

Featuring a fresh layout, revised maps, and more detail than ever before, the eagerly anticipated seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines. In every way, this edition bears out Parker's stated goal: "To make you a more formidable, more confident wine buyer by providing you with sufficient insider's information to permit the wisest possible choice when you make a wine-buying decision." Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued, with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented, inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina, and Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential, and practical overviews of regions and grapes. Altogether, an indispensable resource

The Internet Consumer Bible is the most authoritative guide to the internet available. Far more than a directory, this book shows you - whether novice or experienced web surfer - which sites can help you and which sites are a waste of time. Taking you through every aspect of life and showing how to save hundreds of pounds and release hours of valuable time for other activities, the book also looks at what you can't do on the web or what you can still do better offline. Chapters finish with a list of sites in the area providing a brief description of what the site does and a star rating of 1-5 for how good each is. There are five major sections: 1) Basics. Chapters in this section include: what is a 'good website?'; getting started, unmetered access, ADSL, virus programmes, firewalls, screening software, mobile internet and interactive TV. 2) Lifestages. Chapters in this section include: births and young children; education; dating, marriage and divorce; work: job-seeking, self-employment, redundancy; death. 3) Shopping. Chapters in this section include: home, mortgages, online estate agencies, DIY, gardening, cars, clothes, groceries. 4) Entertainment and Leisure. Chapters in this section include: travel and holidays, sport, films, music, restaurants, TV, nightlife, genealogy, weather,

Marion Meade's engrossing and comprehensive biography of one of the twentieth century's most captivating women In this lively, absorbing biography, Marion Meade illuminates both the charm and the dark side of Dorothy Parker, exploring her days of wicked wittiness at the Algonquin Round Table with the likes of Robert Benchley, George Kaufman, and Harold Ross, and in Hollywood with S. J. Perelman, William Faulkner, and Lillian Hellman. At the dazzling center of it all, Meade gives us the flamboyant, self-destructive, and brilliant Dorothy Parker. This edition features a new afterword by Marion Meade.
