You could be living under a curse. Unfortunately, there are still many believers living under curses even though they have been legally redeemed. Just as a believer may have to fight a good fight of faith for healing, he or she may also have to fight a good fight of faith against curses. Satan may not have a legal right to enforce a curse against you, but he is an outlaw and will attempt to do so anyway. Therefore, curses oftentimes have to be

FROM BEST-SELLING AUTHOR OF PRAYERS THAT ROUT DEMONS Influence and power are not just for men. The fight was never intended to be man vs. woman. Both men and women are strong and mighty in the Lord. Chayil is a Hebrew word that is connected to strength, wealth, power, influence, wisdom, and military might, and it happens to be the word translated "virtuous" in Proverbs 31. Since the beginning of time chayil, or "virtuous," women have been created to fight for

and defend their homes, families, and other kingdom entities against evil influences. Chayil women have been empowered to organize and activate those under their authority so that everything to which they are assigned runs smoothly and with excellence. A chayil woman is strong, mighty, and efficient; valiant, virtuous, and victorious. We were created to war together, man and woman, side by side, tearing down demonic strongholds of wickedness and advancing the territory of the kingdom of God. If you want to be empowered to accomplish your kingdom destiny and purpose in Christ, this book is for you! Using numerous examples from Scripture, this book shows women how to tap into the essence of the chayil anointing so they will be endued with power to defend and take back what is theirs; strengthened and motivated to tap into their God-given abilities and power to build and influence the areas they occupy; activated with supernatural wisdom and power to get wealth and to overtake the thief that comes to steal, kill, and destroy; able to take authority and defend their families, possessions, destinies, property, and dignity; encouraged to have an edge against the forces that try to destroy their vision and success in business or ministry. The chayil anointing manifests in the woman who is anointed for ministry, business, and marketplace influence.

Destroying the Spirit of Rejection

In today's world we need Christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world. Ordinary People, Extraordinary Power gives a strong case for the apostolic culture as a criterion for change in the church today. A culture is a way of life of a group of people—the behaviors, beliefs, values, and symbols that they accept, generally without thinking about them, and that are passed along by communication and imitation from one generation to the next. An apostolic culture is simply the ways, beliefs, behavior, and values of God's people. It is a culture of power and the Holy Spirit. Apostolic leaders will impart power and authority to the members. Believers need to be activated to heal, deliver, prophesy, and preach. They must be activated to demonstrate the kingdom. The apostolic culture includes worship, deliverance, apostolic teams, prophecy, ordaining, establishing, pioneering, evangelizing, prayer, teaching, helps, governments, missions, healing, the Gifts of the Spirit, holiness, impartation, and church government. All of these will be discussed in this book in order to help leaders and believers move in apostolic power and authority.

Angels and Demons

It's time to take back what the devil has stolen and put God back into our culture. Phil Robertson, patriarch of A&E's Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies—such as that God is dead, truth is relative, and unity is impossible—that have brought discord, division and protest. But Phil also believes that things can change. Writing with captivating storytelling and unflinching honesty, Phil shows how to make America a God-honoring nation once more: by dropping the ten central lies that rule our day and taking up the ten truths that will bring peace of mind, harmony, and prosperity back to our country. *The Theft of America's Soul* is a prophetic wake-up call for all who desire to see our nation thrive. And it is also an invitation to experience the life-giving, peace-filling, wholly-transforming love of God.

The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life.

Throughout history, most dictionaries have served the purpose of preserving the purity of the language, usually preferring the erudite vocabulary of the affluent upper classes to the salty, constantly evolving slang of their working-class counterparts. That began to change in the early modern period, when several innovative lexicographers began publishing collections of slang terms used by particular subcultures, such as criminals. According to scholars, Francis Grose's Dictionary of the Vulgar Tongue is one of the most important and complete of these early slang dictionaries. Spend some time with this fascinating volume to learn the slang definitions of words and phrases like "poisoned" (pregnant), "shooting the cat" (vomiting after excess alcohol consumption), and "snoozing ken" (a brothel).
