Black Folk Here and There

Examines ancient Egypt and how its politics, daily activities, art, religion, and social structures worked together to form Egyptian culture.

Real Life Comics #24

The Tyler family had the perfect life - until sixteen-year-old Leah decided she didn't want to be perfect anymore. While Leah's parents fight to save their daughter from destroying her brilliant future, Leah's younger sister, Justine, must cope with the damage her out-of-control sibling leaves in her wake. Will this family survive? What happens when love just isn't enough? Jodi Picoult fans will love *In Leah's Wake* - a heartbreaking, ultimately redemptive story about family, connection and our responsibility to those we love.

The Pharaoh's Court

Some bonds can never be broken. Allie St. Clair doesn't fit in at New Scotland Yard. Hailing from a background of conspicuous wealth and privilege, she is Cambridge-educated and has just been fast-tracked to be the youngest woman ever to be promoted to Acting Detective Chief Inspector at the Metropolitan Police. But she

soon learns that she has far greater responsibilities. Two sickening murders in London's wealthy suburbs set Allie St Clair and her young Murder Investigation Team at odds- and only Allie knows the true nature of the evil behind the murders. Ancient family connections to The Archangel Michael are revealed which pit her against the satanic Mr Black. London's underworld figures become involved and one of Allie's team is placed in mortal danger. A desperate flight culminating in mass violence at music festival tests Allie and threatens the lives of colleagues, family members and The Archangel himself. DCI Allie St Clair must now make a choice-a future in law enforcement or as a warrior in 'The Game Without End' or is there a compromise?

Patsy (Cline) Stewart's Little Black Box

Madame Eve may have helped them find one another. But meshing their two worlds together isn't easy. When Dean is nominated for an Emmy, he is so excited he invites Sally to be his date for the evening. Sally is reluctant at first, but eventually agrees. Petrified the world media will make fun of her for being the fat chick on Dean's arm, she works her butt off to lose weight before the big event. Can Dean and Sally learn to make life together work? Or will the reality of the differences in their lives be too difficult to overcome?

Daily Life and Origin of the Tasmanians

Greed and opportunity become a volatile mix in retired attorney Peter Alpert's novel *The Vanishing Chemist*. Chemist Madison Bellamy first contacts attorney Mark Conover when he faces a \$12 million judgement for allegedly polluting Colorado waterways with his platinum refinery. Conover gets the judgment overturned, but he hears from Bellamy again when the eccentric chemist continues his unscrupulous practices in Arizona. That won't be the last contact. Bellamy's greed leads him into high-stakes finance deals and takes him around the world in pursuit of cash. Getting governmental approval before he sells stocks is simply a formality that Bellamy doesn't have time to deal with. What he does have time for is a Bulgarian beauty who joins him in his quest. Throughout it all, he phones Conover, hoping to stay one step ahead of the authorities as he tries to get the pot of money of his dreams. How long can he keep it up? Conover merely wonders as the calls keep coming and he finds himself circling the globe in an effort to keep up with Bellamy. Based on factual events, Alpert weaves a tale of international intrigue that gives readers an inside look at courtroom proceedings, high-finance risks, and the trappings of greed.

The ancient parish of Clapham was peopled by a unique and long established community with a fiercely beating heart of its own - until the City fathers decided to destroy it. In *The Legend That Was Clapham*, Donald Bullock describes its creation, its characters, its delightful way of life, and the tragedy of its destruction. He paints scenes and happenings that are, by today's standards, scarcely credible. It is a tragically sad, uproariously funny, and immensely soul-searching story of a wonderful and unique culture that was wantonly and thoughtlessly destroyed by a set of misguided do-gooders. "A book that needed writing. Clapham was a paradise. Its needless destruction was wicked. People should know." - Jim Clements "Terrible. They wantonly destroyed a community - a unique culture. Thank heavens it's all been put on record." - Jennifer Davies "At last only my Dad's shop was left. He wouldn't go. They fetched me to get him out. I found him crying at his counter. They began to batter the walls and I led him out peppered in debris. He was soon dead of a broken heart" - Betty Dix "Moving and absorbing. I can't wait for the author's 'Hovels and Haydust' " - Wendy Lambert

Daily Life of the Ancient Egyptians

21 ALDGATE by Patricia Friedberg is character-driven historical fiction set in pre-WWII London's Jewish East End and fashionable Chelsea, as well as in Germany and France . It is a fictionalized story of the relationship between the artist, Paul Maze, and his young married assistant, Clara, during and after the writing of his memoir of the Great War. A feature film based on the author's screenplay of 21 Aldgate, titled "The One I Love," is presently in development by Progress Pictures, Ltd., U.K. and The Future Film Group, U.K. The target audience includes WWI and WWII history buffs, Jewish history enthusiasts, Anglophiles across the globe, and readers who enjoy a great love story. Similar to The Postmistress in tenor, 21 ALDGATE is a story of love and war that bears witness to the prejudice, bias, aggression and propaganda that influenced British society during the buildup to WWII.

The Time of the Black Jaguar

Tallahassee, Florida, 1960s: Brought up by his loving, strict and clear-sighted grandmother, Elwood Curtis is about to enroll at the local black college. But one

innocent mistake is enough to destroy his future, and so Elwood arrives instead at the Nickel Academy, which claims to provide training for its inmates to become "honorable and honest men". In reality, the Nickel Academy is a chamber of horrors, where abuse is rife. Stunned to find himself in this vicious environment, Elwood attempts to live by Dr. Martin Luther King's assertion, "Throw us in jail and we will still love you." But his new friend Turner believes the only way to survive is to emulate the cruelty of their oppressors. The tension between Elwood's idealism and Turner's skepticism leads to a decision that will have decades-long repercussions

Live Today

Best Books for Public Libraries

World-renowned Egyptologist Barbara Mertz explores the reality behind the bestselling fiction she writes (as Elizabeth Peters) and casts a dazzling light on a remarkable civilization. Afascinating chronicle of an extraordinary people—from the first Stone Age settlements through the reign of Cleopatra and the Roman

invasions—Temples, Tombs, and Hieroglyphs brings ancient Egypt to life as never before. Lavishly illustrated with pictures, maps, and photographs, it offers tantalizing glimpses into Egyptian society; amazing stories of the pharaohs and the rise and fall of great dynasties; a sampling of culture, religion, and folklore; stories of explorers, scientists, and scoundrels who sought to unravel or exploit the ageless mysteries; and new insights into the architectural wonders that were raised along the banks of the Nile.

Achieving Your Best Self

The Time of the Black Jaguar speaks to the times of change that we are now living in. The insights contained in the book originate from ancient indigenous cultures. According to what the author learned from his elders, human beings always have a choice between the path of competition and the path of cooperation. The healing of the earth depends on the healing of humanity and will only become possible as we return to a relationship of cooperation with all of life. In order to do this we first need to return to ourselves, remembering our original, inherent wisdom. Indigenous people believe that we humans have all the necessary talents to be caretakers of Mother Earth. This book reveals our true capacities in a strong and clear way, offering the reader not only information, but a real opportunity to participate in the work that needs to be done to save our planet.

Voices of Ancient Egypt: Contemporary Accounts of Daily Life

"Don't go around measurin' yourself by other people's rulers. 'Cause you'll never measure up." For most people, life is kind of like feeling around in the dark, stumbling into things and hoping they get what they think they want from what's

around them. And if they don't get it, they just keep at it the same old way, but hoping for something different. But what if you could learn about life before making mistakes? In Oak Park, Virginia, where the story takes place, life is both familiar and unpredictable, "just like any other place on earth with smart and simple people, pretty and ugly people, uppity and lowly folks. Somebody is always in some mess that they had no business in, or caught up in something they never expected." When her adopted granddaughter, Ruby Gray, asks her about love, Miss Lucky, through her hard-won wit and wisdom, imparts to her the secrets to life and the essence of love.

Everyday Life in Ancient Egypt

Change happens, whether we want it to or not. How we experience that change is completely up to us. Successfully MidAir provides ten real and specific tools that can be practically applied right in the moment to relieve stress, ease frustration, and deliberately have fun in the midst of whatever is going on in your life! So, rather than your "midair" experience feeling turbulent, or frustrating, or even painful to you, you can choose to take advantage of those things to deliberately and powerfully create an amazing, joyful ride right into the life you want! Whether your struggle is in your relationships with other people (or yourself), or in your circumstances, these tools can help you to: 1. Open the way for things to shift dramatically, right where you stand. 2. Know what to do right in the moment to

deliberately change whatever it is you are experiencing. 3. Recognize - and neutralize - three "monsters" that we all deal with in midair AND in our everyday life. 4. Understand exactly what the "problem" is, and watch as solutions seem to magically "just appear" for you. 5. Do you want to feel powerful - or empowered - in your life? Tool #5 helps you understand what P.O.W.E.R. really is, and how to live a genuinely empowered experience. 6. Choosing faith over fear is the way to go every time. Tool #6 helps you to stand anchored in faith so that fear can never knock you off balance for any length of time. 7. Literally change things by changing the story that you tell "about" those things. 8. INSTANTLY relieve stress and bring yourself to a place of clarity and feeling really, really good! 9. Let go of whatever it is you're hanging onto so that you can reach forward, trusting completely that all is as it should be. 10. Ask yourself the most important question ever Just the asking of the question changes how you feel about - and experience - whatever is going on. Every one of these tools is meant to be used in the moment, not to change your circumstances - because that is not possible - but to change "who you ARE" in those circumstances, which cannot help but to change things for you! Even if you just pick one to use consistently, I promise that your life will never be the same! If you want to feel more empowered and more in control of your life than ever before - without making yourself crazy with stress - then Successfully MidAir is a GREAT book for you!

Where's Stephanie?

Where's Stephanie? is about a grandmother's hope to be reunited with her granddaughter, who was given up for adoption. When her granddaughter Stephanie was born, Anna Weber got to hold her before saying goodbye. Longing to see her granddaughter again, she placed clues in unlikely places, including a letter in Stephanie's Social Services file, hoping that one day, by some miracle, Stephanie would follow the clues and find her. Based on actual events, this inspirational novel follows Anna on a long journey about loss, separation, and the power of redemption. Realizing others are facing similar situations, Livingston provides readers with a list of adoption groups that can help in search for surrendered family members.

A Day in a Working Life: 300 Trades and Professions through History [3 volumes]

The story of one man's quest for adventure, love and passion, and his fight for justice - for animals as well as humans. TESTIMONIALS "The best adventure story ever I couldn't put it down!" Dr Robert Oxlade "A 'ripping yarn' with a hidden anti-speciesism message." Richard Joyce "A great story . It would make a fabulous movie!" Isabelle Coghill "I laughed out loud at several parts a jolly good adventure story." Imogen Oxley ABOUT THE AUTHOR Richard D Ryder is well known as a pioneer of the modern animal protection movement. As a philosopher he coined

the terms speciesism and painism. He is also a psychologist, and the author of ten non-fiction books. The Black Pimpernel is his first novel.

USA TODAY bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. Read the novels that resulted from her intense relationship with firefighters! "Shay writes an emotion-packed story. With angst and some hot sex, this dramatic tale also has a nice touch of humor." RT Book Reviews Ian Woodward, one of the firefighter heroes of the 9/11 terrorist attack, lost the use of his legs on that horrific day. When Ian starts teaching at the Hidden Cove Fire Academy, he finds meaning in his life again. But he vows never to accept the love of beautiful Broadway star Lisel Loring—until a deluded fan starts stalking her. Disgraced cop, Rick Ruscio becomes her bodyguard, but it's his community service at a local preschool, where he meets teacher Faith McPherson, that completely turns his life upside down. Both men must deal with their issues and accept the strong women who love them. "The talented Shay offers another heartwarming tale of brave men and women." Booklist "I was profoundly moved by this book in a way that I haven't often been moved by a romance novel. It speaks of redemption, forgiveness and the transcendent healing power of love. I know that I will be reading this one again. All About Romance

Retire With Health!

Remarkably accurate picture of Egyptian life from the end of the third millenium BC to the Greek occupation in 330 BC. "A handy reference tool." — Horn Book. 120 illustrations.

School Library Journal

In the Preface of the 5th Edition of Survey of Historic Costume, Tortora and Eubank conclude with the following: "In the history of dress at the beginning of the 21st century, costume might be compared to a constantly moving river. This river divides into many narrower channels that separate, cross, come together, and separate again, and yet that river continually moves on." Building on the previous

editions, the authors update their analysis of Western dress to 2008. Survey of Historic Costume has, from its beginnings, taken seriously the need to accompany the text with appropriate illustrations and the major change in the 5th Edition is the move to full color throughout the book to enrich the text and the concepts. Perfect for anyone interested in historic costume, fashion, textiles, drama, and design, this beautifully illustrated book is full of interesting facts and commentary. New to this Edition:-- Over 500 four-color photographs and illustrations-- Updated text to 2008-- Additional influences from one period or civilization to another, including influences from other cultures-- Index - updated and organized to be utilized as glossary with terms defined and page numbers printed in boldface-- Instructor's Guide provides sources for visuals, websites, teaching strategies and evaluation techniques-- PowerPoint® Presentation contains interactive visual presentation with links to Internet

Pediatric Dermatology E-Book

A fascinating, erudite, and witty glimpse of the human side of ancient Egypt—this acclaimed classic work is now revised and updated for a new generation. Displaying the unparalleled descriptive power, unerring eye for fascinating detail, keen insight, and trenchant wit that have made the novels she writes (as Elizabeth Peters and Barbara Michaels) perennial New York Times bestsellers, internationally renowned Egyptologist Barbara Mertz brings a long-buried civilization to vivid life.

In *Red Land, Black Land*, she transports us back thousands of years and immerses us in the sights, aromas, and sounds of day-to-day living in the legendary desert realm that was ancient Egypt. Who were these people whose civilization has inspired myriad films, books, artwork, myths, and dreams, and who built astonishing monuments that still stagger the imagination five thousand years later? What did average Egyptians eat, drink, wear, gossip about, and aspire to? What were their amusements, their beliefs, their attitudes concerning religion, childrearing, nudity, premarital sex? Mertz ushers us into their homes, workplaces, temples, and palaces to give us an intimate view of the everyday worlds of the royal and commoner alike. We observe priests and painters, scribes and pyramid builders, slaves, housewives, and queens—and receive fascinating tips on how to perform tasks essential to ancient Egyptian living, from mummification to making papyrus. An eye-opening and endlessly entertaining companion volume to *Temples, Tombs, and Hieroglyphs*, Mertz's extraordinary history of ancient Egypt, *Red Land, Black Land* offers readers a brilliant display of rich description and fascinating edification. It brings us closer than ever before to the people of a great lost culture that was so different from—yet so surprisingly similar to—our own.

The Nickel Boys

How fast things can change. In a heartbeat, a nearly perfect family is damaged, and eventually destroyed, by events outside of their control. And then, little by little, over a span of many years, Butch experienced loss after loss, and found that he was losing everything that was important to him. Eventually, perhaps accelerated by his prescribed medicines, he couldn't take it anymore.

The Glorious Ordinary

The traditional view of retirement is deeply etched with imagined scenes of senile decrepitude and a multitude of negative images. Not anymore. Prepare to be freed from your misconceptions! This revolutionary book is based on the extraordinary way in which the globe-trotting and highly successful Mr Jonathan Robbins, used nutrition and exercise to create health during retirement. Robbins is a man who discovered the secrets of a very comfortable retirement whilst still a teenager in the Mid-West. The book explores the principles of breaking free from the rat-race and claiming the kind of freedom and lifestyle that most people can only dream about. Mr Robbins discusses: The problems with the way we're taught to get stressed The drawbacks of getting hooked on toxic food The dangers of compromising health to impress others The curse of being over-weight The beautiful, cost effective ways to feel better at retirement The benefits of introducing delicious food and wondrous exercise into your daily life Helpful hints that can improve your lifestyle The ground rules for finding your energy

back
Becoming a hugely healthy person
Living the dream
Having the courage to break free of bad health habits
There are countless volumes on the subject of healthy retirement and there are many sources of very useful material on how to gather sufficient resources to fund the latter part of our lives. Mr Robbins, however, did not want to wait until he became a senior to enjoy the benefits of a healthy retirement. He argues in favour of retiring now. Stepping off the treadmill and developing our ingenuity and creativity are just a few of the life-enhancing benefits that justify this proposed change in the way we live. Looking back over more than six decades of travel and witnessing the amazing success stories of his fellow travellers, entrepreneurs and adventurers, Mr Robbins is an enthusiastic advocate for taking the plunge and seizing the day. He knows the dangers only too well of postponing health and happiness until some distant moment in the future because too many hard-working individuals haven't lived long enough to savour the fruits of their labours. It's an extremely important point and the author encourages us to consider how we're living, why we're addicted to the bad foods, what we would really like to do with our lives. Because, in the author's view, life is simply too precious to be squandered and deserves all of our efforts and focus to become a truly fulfilling experience. There is a timeless message in these words. Conditions may change and new ideas may gain precedence but the fundamental principle of living life to the full should never be overlooked. This is the only life we may have on this earth and we need to respect it and give it its full measure of expression. Mr Robbins has shown the way with his extraordinary life and his example shines

like a beacon, pointing the way to a new generation of pioneering individuals who seek to be free from the self-imposed slavery of the unhealthy brigade. Seize the day and take up your freedom for no one else will do it for you. ACT NOW! Scroll to the top of this page and click that orange BUY button. Then, you can immediately begin reading and applying the principles Mr. Robbins teaches.

The Legend that was Clapham

"Describes the daily life of the upper classes during the New Kingdom period of ancient Egypt, from about 1550 BCE to about 1070 BCE, including the structure of society, the differing roles of men and women, and what it was like to be a child in that era"--Provided by publisher.

Ancient Egypt

Ideal for high school and college students studying history through the everyday lives of men and women, this book offers intriguing information about the jobs that people have held, from ancient times to the 21st century. • Provides detailed, interesting essays describing more than 300 professions and occupations across a broad range of eras, including the 21st century, and from around the world, which will give readers a wider understanding of how people have supported themselves

throughout time • Supplies historical primary documents that provide personal perspectives on past occupations • Offers fascinating information on how professions began, who did them, and continuity in occupations across time, such as that 18th-century journalists were often imprisoned for displeasing those in authority, and yet 21st-century U.S. journalists may still spend time in jail for refusing to reveal their sources
