Into the Jungle is a modern classic in the making, as Katherine Rundell creates charming and compelling origin stories for all Kipling's best-known characters, from Baloo and Shere Khan to Kaa and Bagheera. As Mowgli travels through the Indian jungle, this brilliantly visual tale, which weaves each short story together into a wider whole, will make readers both laugh and cry. A gorgeously produced gift hardback with foiled cover, a ribbon marker and colour illustrations throughout by creative genius Kristjana S Williams, this is truly a book for all the family to treasure and share. Rudyard Kipling's The Jungle Book, first published by Macmillan in 1894, is one of the most enduring books of children's literature, delighting generations of children. Katherine Rundell has taken this as the basis of her new and enchanting tale, sharing the early years of favourite characters and informing the creatures they become in Kipling's classic, with stories about family and friendship, loyalty and jungle law, and a final battle which will decide the future of the forest.

Enchanted

Gus Ramone is "good police," a former Internal Affairs investigator now working homicide for the city's Violent Crime branch. His new case involves the death of a local teenager named Asa whose body has been found in a local community garden. The murder unearths intense memories of a case Ramone worked as a patrol cop twenty years earlier, when he and his partner, Dan "Doc" Holiday, assisted a legendary detective named T. C. Cook. The series of murders, all involving local teenage victims, was never solved. In the years since, Holiday has left the force under a cloud of morals charges, and now finds work as a bodyguard and driver. Cook has retired, but he has never stopped agonizing about the "Night Gardener" killings. The new case draws the three men together on a grim mission to finish the work that has haunted them for years. All the love, regret, and anger that once burned between them comes rushing back, and old ghosts walk once more as the men try to lay to rest the monster who has stalked their dreams. The Girl Savage

The power of reading is beautifully captured in this 2006 Newbery Honor-winning book. Bernie keeps a barn full of animals the rest of the world has no use for—two retired trotters, a rooster, some banty hens, and a Muscovy duck with clipped wings who calls herself The Lady. When the cat called Whittington shows up one day, it is to the Lady that he makes an appeal to secure a place in the barn. The Lady's a little hesitant at first, but when the cat claims to be a master ratter, that clinches it. Bernie's orphaned grandkids, Abby and Ben, come to the barn every day to help feed the animals. Abby shares her worry that Ben can't really read yet and that he refuses to go to Special Ed. Whittington and the Lady decide that Abby should give Ben reading lessons in the barn. It is a balm for Ben when, having toughed out the daily lesson, Whittington comes to tell, in tantalizing installments, the story handed down to him from his nameless forebearer, Dick Whittington's cat—the legend of the lad born into poverty in rural England during the Black Death, who runs away to London to seek his fortune. This is an unforgettable tale about how learning to read saves one little boy. It is about the healing, transcendent power of storytelling and how, if you have loved ones surrounding you and good stories to tell, to listen to, and to read, you have just about everything of value in this world.
